The Complete Guide to Boxing Fitness Hilary Lissenden,2015-01-08 A comprehensive, practical guide to non-contact boxing - looks at workouts in an individual, group or class setting. Learn how to improve clients' body composition, heart-lung stamina, strength, speed, co-ordination, balance and flexibility. It also covers boxing training's less tangible but equally important benefits such as building confidence and self-esteem - especially relevant to schools and young people. Key features: * Fully illustrated, with vibrant photographs and practical diagrams for imparting core boxing and safety techniques (e.g. wrapping clients' hands; teaching correct stance, punches and combinations) * Sample training programmes for clients of differing abilities and fitness levels, with guidance on safe and appropriate progression * Relevant content on dietary and health matters. The Complete Guide to Boxing Fitness is a tried-and-tested, unique guide to boxing skills and drills for the fitness and sporting arenas.

Badass Boxing Workouts Jennifer Chieng,2019-03-12 Punch Boring in the Face Pump up your fitness routine by following former Olympic boxer Jennifer Dugwen Chieng's badass boxing regimen. It's a high-intensity, full-body workout that is just as fun as it is impactful! This book teaches classic boxing techniques with lessons on footwork, punches, endurance, core strengthening and more. Hooks, Uppercuts & Strikes Intense Crunches Partner Work Quick Feet & Sprints The exercises in Badass Boxing Workouts really pack a punch. You'll find yourself gaining stability, muscle tone, stamina and self-improvement, all while transforming your body and kicking ass.

Tapped Out Matthew Polly,2012-10-02 An aging amateur takes his shot at glory in the world of mixed martial arts. As a younger man, Matthew Polly traveled to the Shaolin Temple in China and spent two years training with the monks who had invented the ancient art of kung fu. Fifteen years later, his weakness for Chinese takeout and Jack Daniel's had taken its toll. Firmly into middle age and far removed from his past athletic triumphs, Polly decided to risk it all one last time. Out of shape and over the hill, he jumped headlong into the world of MMA. In Tapped Out, Polly chronicles his grueling yet redeeming two-year journey through an often misunderstood sport. From Thailand to Russia, Manhattan to Las Vegas, Polly studied with the best trainers, concluding with a six-month fight camp at Randy Couture's legendary gym. He explores the history of fighting sports and joins a fascinating subculture of men who roll around on sweaty mats with one another in appreciation of the purity of contained combat. And in the end, Polly straps on the gloves, gets into the cage, and squares off with a fighter fifteen years younger. An honest and humorous look at a hard-core sport, Tapped Out is a fascinating look into the fastest growing sport in America and what it takes to be an MMA fighter.

On Boxing Joseph D Lewandowski,2021-10-03 This book is a philosophical and cultural critique of contemporary boxing. It broadens and deepens our understanding of the empirically and normatively entwined complexities of a sport that is often misunderstood and all too easily reduced to stereotypes. Moving between and among work in ethnography, sociology, urban studies and, especially, the philosophy of sport, and drawing on research in boxing gyms in the US, the book presents a stereoscopic view of professional boxing as both situated cultural practice and formalized competitive sport. It takes us inside and outside the ring in discussions of the cultural embeddedness of boxing and boxing gyms, the formation of pugilistic selfhood and 'boxer cool', the nature and function of combat sport violence and sparring, and the aesthetics and ethics of cornering a boxing match. With its interdisciplinary focus on the empirical and normative dimensions of professional pugilism, On Boxing makes explicit the bittersweetness of the 'sweet science' and provides a new theoretical framework for analysing boxing and, indeed, sport in general. Written for a broad audience, this is important reading for scholars and students working in the areas of philosophy and sociology of sport and combat sport studies, as well as policy makers, coaches, and commentators engaged in the sport of boxing.

Based on a True (Traumatic) Brain History: a Short Memoir Mark S Allen,2020-04-08 Former professional MMA Fighter and amateur boxer takes us through his journey from his post college graduate days of hard core drug addiction and alcoholism to sobriety and the competitive sports world of amateur boxing and professional MMA fighting, only to be sidelined by a devastating Traumatic Brain Injury (TBI) from repeated blows to the head.

An Illustrated History of Boxing Nat Fleischer,Sam Andre,2001 Updated by Nigel Collins, author of Boxing Babylon, this classic bible of boxing has been continuously in print since 1959. Here in one stunning volume is the vast panorama of the sweet science, from bare-knuckle fighting through the rise of Lennox Lewis. Photos throughout.

The Boxing Filmography Frederick V. Romano,2004-08-27 The love affair between boxing and Hollywood began with the dawn of film. As early as the days of Chaplin, the boxing film had assumed its place as a subgenre, and over the decades it has taken the forms of biographies, dramas, romances, comedies, and even musicals and westerns. Such well known pictures as The Champ, Body and Soul, Don King: Only in America, Girl Fight, The Irish in Us, The Kid from Brooklyn, Somebody Up There Likes Me, Raging Bull, each of the Rocky movies and When We Were Kings are just a few examples of the feature films included in this filmography. Thoroughly researched, this work examines 98 boxing films from the 1920s through 2003. Each entry provides basic filmographic data (the film's studio, its genre, its length, cast and credits); a detailed synopsis of the film; illuminating commentary on the boxing sequences; and excerpts from contemporary reviews. Most entries also summarize the making of the film, with particular attention to the training of the actors for the boxing scenes. The filmography also includes information on studio publicity releases and advertisements, press books and exhibitor campaign materials for each film.

Rittenhouse Writers James Rahn,2016-04-14 James Rahn has led the Rittenhouse Writers' Group since he founded it in 1988, making it one of America's longest-running independent fiction workshops. Hundreds of writers and would-be writers have sought out the group for its remarkable level of instruction and collaboration. Rittenhouse Writers is Rahn's memoir of the workshop and how his own evolution as both a teacher and a writer—and as a son, husband, and (somewhat reluctant) father—has been intertwined with the establishment and growth of the RWG. In addition, Rahn includes ten short stories written by current and former members of the workshop. Rahn graduated from the University of Pennsylvania and earned an MFA at Columbia. He then began to imagine a future that included more than just writing, one that would also tap his aspiration to offer other writers support and motivation, tough but gentle—his self-described Iron Fist in the Velvet Glove approach. After all, as he says more than once, Writing is hard. Over the years, James Rahn has witnessed every imaginable writing-group scenario, from awkward flirtations to suicide scares, catty critiques, near fistfights, and of course the satisfaction of watching someone's writing soar. With insight gained through years of observation and participation, and a discerning eye for amusing detail, he takes us along for the journey. Rahn's struggle to perfect his role as instructor runs throughout the narrative, as does his effort to balance that role with the friendships he forms in the group, and to keep up with his own writing while still giving the group the attention it needs to flourish. Through his eyes, we catch the spark of the workshop's spirit and get to meet various spirits who have invigorated Rittenhouse Writers' Group. Rahn cuts back and forth, reflecting, not only on the workshop, but also on his days as a high school dropout in Atlantic City, dead-end jobs and hopeless moves, the difficulty of his mother's decline and death, and his own unexpected plunge into parenthood—when, at

age 51, he and his wife took on the responsibility of raising her two young nieces. His memoir serves, in a way, as an introduction to the short stories that follow; and the stories—as surprising and varied as the writers Rahn describes working with—stand as a fitting coda to Rahn's tale and offer another window onto his life's work. James Rahn, Jersey boy and Philadelphia treasure, has written a moving and insightful book about what happens when you create something vibrant and necessary and stick around for the long haul, whether it's teaching, writing, friendships, or love. The answers aren't always simple, and Rahn explores them with the same gusto, honesty, wry humor, and generosity of spirit he brings to his fiction and his famous workshops. This book is a powerful reminder of the importance of community and mentorship in the making of literature.—Sam Lipsyte

The 10 short stories included in Rittenhouse Writers: On Fire by Gwen Florio Mother—6/7 Months by Romnesh Lamba Moon Penitent by Diane McKinney-Whetstone The Last Confession by Tom Teti Ivory Is Wrong About Me by Caren Litvin The Conference Rat by Samantha Gillison Dropping a Line into the Murky Chop by Saral Waldorf What She Missed by Lisa Paparone Kingdom of the Sun by Alice Schell The Letters of Hon. Crawford G. Bolton III by Daniel R. Biddle

Toy Bulldog John Jarrett,2013-05-28 This is a cradle-to-grave biography of Mickey Walker, former welterweight (1922–1926) and middleweight champion (1926–1931) of the world, one of the greatest fighters in ring history. He fought at a time when boxing was a major sport with only eight championships, and he held two of them over a nine-year period. He fought at a time when each weight division was jammed with good fighters, and he fought them all from welterweight up to heavyweight, frequently being outweighed 20 to 30 pounds. Walker was also a great personality who loved life and lived it to the fullest. He was married seven times to four different women, and he cavorted with movie stars and mobsters. When his boxing career ended in 1935, Walker ran saloons in various locations and eventually became an artist of some standing. He died in 1981 at age 79.
