**Food Supply Chains in Cities** Emel Aktas,Michael Bourlakis,2020-05-23 This book analyses the food sector which has economic and political significance for all countries. A highly fragmented and heavily regulated sector, it has become increasingly complex owing to globalisation and geographical decoupling of production and consumption activities. The urban population of the world has grown from 746 million in 1950 to 3.9 billion in 2014 and more than 70% of the population is anticipated to be living in urban areas by 2050. Food supply chains play a vital role in feeding the world's most populous cities, whilst underpinning transportation, storage, distribution, and waste management activities for the sustainability of the urban environment. That is why, this book presents the latest research on food supply chain management with a focus on urbanisation. The contributions involve food distribution in cities, food waste minimisation, and food security with a focus on models and approaches to achieve more sustainable and circular food supply chains.

**Mary in Different Traditions** Thomas G Casey,2021-04-01 Catholicism in the Western world today demands real effort to turn to Our Lady in any meaningful way. The author explores the insights of other faiths – Protestantism, Orthodoxy, Islam and Judaism; and also the insights of the 'other' within the Catholic tradition – the Eastern-rite Catholics who, despite their full communion with Rome, have a distinct approach to Mary based on their unique liturgical and spiritual tradition. Perhaps the novelty of their viewpoints on Mary can bring us to the joy of surprise about her once again, and help us to enjoy the even greater wonder of her son, Jesus.

**Saint Patrick** Edmond Grace,2021-04-01 Patrick is a global saint, celebrated across the world, from the Americas to Asia. How much, however, do we know about this enigmatic saint? Did you know that he struggled at school and that his rise to the rank of bishop was not only unexpected but not welcomed by many of his contemporaries? With Patrick, as Edmond Grace SJ writes, facts and myth co-exist and it is this combination that enables Patrick and his story to remain relevant to people all over the world for many centuries. In Saint Patrick: An Ancient Saint for Modern Times Edmond Grace SJ presents a new Patrick, 'the patron saint of the reconciliation of peoples', a man whose experiences instilled in him a deep commitment to overcome differences of rank, place and culture in the service of Christ.

**Pathways to a Decision** Jim Maher,2020-07-31 Since Fr Jorge Bergoglio S.J. became Pope, many people have wondered what Jesuits are. Are they Catholics? How are they different to other religious orders? Ignatius of Loyola, the co-founder of the Jesuits, developed a spirituality which has helped countless numbers of people since the sixteenth century. This book presents some of Ignatius' key insights which inspire Jesuits and others all over the world. For those associated with the Jesuits or those who want to find out more about their spirituality, this basic introduction will be helpful. Ignatius emphasizes how God is always close to us. God speaks individually to us through our feelings, desires, thoughts and actions in unexpected place and at unexpected times. Ignatius gives us the tools to identify God's presence and to make good decisions that help welcome God into our lives through the ordinary daily routine.

*Journeying in Joy and Gladness* Kevin O'Gorman SMA,

Dipping into Advent Alan Hilliard,2019-12-08 Alan Hilliard is keen that people feel they can still connect with their God: he has written these reflections on faith and spirituality to show that God is a loving, supportive and ever-present reality. His style is accessible to regular faith practitioners, as well as to those who may have a remote interest in matters of faith. The reflections, complemented by Fr Alan's own photographs, vary in length allowing the reader to absorb a short reflection or 'dip' into a deeper, longer one. An ideal book to keep beside your bed the bed or to leave somewhere people sit for awhile.

**You Have the Words of Eternal Life** Martin Hogan,2020-07-31 Many people feel drawn to basing their prayer on the Scriptures, in particular the gospels. These short reflections attempt to listen to the gospel text on its own terms while showing how it can continue to speak to our church and our world today. The book will appeal to priests in parishes who may wish to prepare a short homily for the weekday Mass, as well as to parishioners who wish to prayerfully reflect on the weekday gospel readings, as well as Lectio Divina groups in parishes. The calendar of the book helps the busy presider, as the reflections are linked to the readings by calendar date rather than the church calendar.

Brothers in Arms Brendan McManus,2023-10-12 A story of an unlikely friendship on a spiritual search for God. The summer of 2022 saw an unprecedented heatwave in Spain and the author, a Jesuit priest was accompanying a Dublin taxi driver on a walking retreat on the Ignatian Camino to Manresa, near Barcelona. This book tells the story of that testing pilgrimage: trying to find a way through severe heat; the challenges of walking together, finding accommodation and negotiating unexpected hurdles; and the retreat that they did together that looked at faith, prayer and blocks to progress. On one level it is a story of friendship between two very different personalities, and also a story of two souls on a spiritual search for God. As in his other books, Brendan highlights the Ignatian learning points (e.g. how to discern in a heatwave), outlines the spiritual journeys of the people they came across including a contemplative nun, and narrates the many adventures they went through to cope with exceptional circumstances. The pressure of the intense heat forces them to adapt their walking and find balance and discernment in making good decisions on the road. The pilgrimage took in some key Ignatian sites such as Montserrat and Manresa, but readers are given a unique perspective into the experience of St Ignatius Loyola through the eyes of these two pilgrims' unique journey, as well as illustrating how a customised Ignatian retreat works. This is a pilgrimage story of finding God in the messiness of less than ideal situations, developing a heartwarming friendship, and finding a way through using Ignatian principles of reflection and flexibility.

*Irish Jesuits in Penal Times 1695-1811* Thomas J Morrissey,2020-02-24 This account of the Irish Jesuits from 1695 to 1811 is concerned with those who lived and worked in Dublin and, in particular, with a central figure, the quite remarkable educationalist and pastor, Thomas Betagh. As we shall see, two other Jesuits also played a large part in the life of Betagh: John Austin, who was his teacher and subsequently a colleague, and James Philip Mulcaile, who was a friend, colleague and near contemporary. The life and work of Betagh can only be understood in the context of his time: not only the history of Ireland in the eighteenth century, but also the political, cultural and religious developments in western Europe.

*The Quiet Revolution of Pope Francis* Gerry O'Hanlon,2021-04-01 In this ground-breaking book O'Hanlon offers an Irish theology for a Church in crisis, carefully crafted in the light of his experience of having travelled the length and breadth of Ireland over the last ten years. This is not an armchair theology but one that has been chiselled out of the experience of listening to and learning from others in high and low places, engaging with diverse groups, attending to the teaching of the Second Vatican Council, and heeding the prophetic voice of the Bishop of Rome. From the Foreword by Dermot A Lane. draws on

decades of reflection, by himself and by others, upon the immense challenges facing the Catholic Church in the post-Second Vatican Council period, in Ireland and beyond. We have lacked neither the vision nor the goodwill to move forward; but the institutional and organisational reforms needed to make the Second Vatican Council an embedded reality have eluded us, until now. Pope Francis, the 'gentle revolutionary', has called for a new, 'synodal' way of being church. 'Synod'means 'the path which we walk together', and it looks like the missing piece of the jigsaw. O'Hanlon's wise, critical but hopeful diagnosis offers the glimpse of a longed for sea-change for the Church. Michael Kirwan SJ. Loyola School of Theology at Trinity College, Dublin.

Robots, Ethics and the Future of Jobs Sean McDonagh,2021-07-21 “I love my robot lawn mowers, my laptop, wifi, Google, Facetime, Whatsapp and the possibility of drone postal deliveries and more.. Yet worries nag about being overwhelmed by an artificial intelligence revolution whose ethical and moral parameters are less clear than its rampant profiteering from and monetising of your lives and mine. This hugely informative book shakes us out of our massage armchairs and demands that we engage immediately with these galloping advances so we can shape them to the benefit of the many and not leave them to the enrichment of the few at the awful cost of the impoverishment of swathes of humanity”. Mary McAleese, former President of Ireland. Robots, Ethics and The Future of Jobs is a wakeup call for political, civic, media and church leaders, urging a response to the deepening and accelerating pace of technological change and its potential consequences. Artificial Intelligence, robotics, drones, the internet of things and 3D printing are the building blocks of the 4th industrial revolution. These technologies offer great potential but also carry real risks and are reaching into every corner of our lives, civilian and military. Who will win and who will lose? Who will set the rules and the ethical boundaries within which they should develop and operate? Will the displaced be included, if so, how; or ignored and, if so, with what political, social and economic consequences? That these questions cannot be avoided and should not be postponed - and that we do not need to wait for change to happen because it is already upon us - are central messages of this thought provoking text. Pat Cox, former President European Parliament.
