Father Dominic, The Bread Monk of public television, has collected his favorite tips and tricks for baking, like how to choose the best pans, what to add to yeast to make it work faster, and the easiest way to roll out pizza crust. Baking Secrets from the Bread Monk includes substitutes for common ingredients (yes, you can make your own self-rising flour), hints for kitchen organization and storage, and a plethora of fascinating historical facts and kitchen wisdom. What was the best thing before sliced bread? Who invented pretzels? What's the point of those slashes in a baguette? Father Dominic will put you in the know.

**500 Breads** Carol Beckerman, 2014 What could be as appetizing and heartwarming as the smell of freshly baked bread? Few types of baking are as satisfying as putting together and kneading dough, leaving it to rise, and waiting as your kitchen fills with the savory aroma of the perfect loaf. This new collection of bread recipes takes the stress out of baking, distilling decades of wisdom into a comprehensive introduction, which includes: baking & prep techniques, equipment suggestions, advice on using yeast, kneading, choosing the right flour, and what to do if something goes wrong. Recipes include classic loaves, breakfast breads, fruit & nut breads, flatbreads & pizza crusts, rolls, scones, and bagels, and holiday breads. In addition, gluten-free and dairy-free recipes are included.

**Breakfast Breads and Sweet Treats** Dominic Garramone, 2022-08-15 Whether you're in the mood for a hearty breakfast, a homemade treat for your lunch bag, or a good old-fashioned bagel, Breakfast Breads and Sweet Treats is what you need! With this book you can make a healthy homemade granola or a decadent Danish pastry, and everything in between. Learn the technique to make fluffy cathead biscuits and then another to give them buttery, flaky layers. Satisfy your sweet tooth with

Banana Coconut Cookies (Fr. Dom's favorite) or Salted Butter Toffee Caramel Corn. Explore ethnic breads like Scottish Baps, Welsh Cakes, Greek Loukamades, and more. Discover just how easy it is to make puff pastry from scratch, and the variety of sweet and savory treats you can make with it. And if you've ever been disappointed by a dry, tasteless coffeeshop scone, the Bread Monk has the secrets to making scones with a tender crumb and just the right amount of crispness on the edges. English Muffin Bread, Multigrain Waffles, Sweetheart Coffeecake, Lemon Fantans--they're all right here, along with the clear instructions, helpful photos, and heartwarming stories you've come to expect from Fr. Dom.

Biscotti, Bread and Breakfast Joanne Snow, 2021-10-21 Inspired by her Sicilian Nonna back in the 1950's, her first teacher of baking and cooking, Joanne Snow brings the recipes, flavors and culture to the twenty-first century modern kitchen. Where her grandmother used wooden spoons and no measure spoons or cups, today's kitchen has food processors, stand mixers with pasta attachments, food grinding and other attachments. There were no microwaves, no blenders, or even plastic wrap. Today's home bakers often are busy with children and their activities, often have careers, and don't have the time or even the inclination to spend four days to make cuccidati. Joanne breaks up the tedious long processes down into manageable steps that can be achieved in shorter time periods, fitting

into those busy schedules. The book is what modern cooks interested in baking good old-time cookies, cakes, pastries or breads - even memorable breakfasts or brunch - need to have. It is filled with clear directions, color photos, illustrations, and wonderful quotes from famous chefs - a great gift book!
