**Alex Marlow**

**The Breaking News** Sarah Lynne Reul, 2018-04-10 When devastating news rattles a young girl's community, her normally attentive parents and neighbors are suddenly exhausted and distracted. At school, her teacher tells the class to look for the helpers—the good people working to make things better in big and small ways. She wants more than anything to help in a BIG way, but maybe she can start with one small act of kindness instead . . . and then another, and another. Small things can compound, after all, to make a world of difference. *The Breaking News* by Sarah Lynne Reul touches on themes of community, resilience, and optimism with an authenticity that will resonate with readers young and old.

**Breaking News** Alan Rusbridger, 2018-11-27 An urgent account of the revolution that has upended the news business, written by one of the most accomplished journalists of our time. Technology has radically altered the news landscape. Once-powerful newspapers have lost their clout or been purchased by owners with particular agendas. Algorithms select which stories we see. The Internet allows consequential revelations, closely guarded secrets, and dangerous misinformation to spread at the speed of a click. In *Breaking News*, Alan Rusbridger demonstrates how these decisive shifts have occurred, and what they mean for the future of democracy. In the twenty years he spent editing *The Guardian*, Rusbridger managed the transformation of the progressive British daily into the most visited serious English-language newspaper site in the world. He oversaw an extraordinary run of world-shaking scoops, including the exposure of phone hacking by London tabloids, the Wikileaks release of U.S. diplomatic cables, and later the revelation of Edward Snowden's National Security Agency files. At the same time, Rusbridger helped *The Guardian* become a pioneer in Internet journalism, stressing free access and robust interactions with readers. Here, Rusbridger vividly

observes the media's transformation from close range while also offering a vital assessment of the risks and rewards of practicing journalism in a high-impact, high-stress time.

Breaking News Robert Macneil, 2012-03-21 Famous for his nearly forty years in broadcast journalism, Robert MacNeil is one of the most respected television journalists in America. Now in *Breaking News*, a blistering, behind-the-scenes novel about the savagely competitive world of television news, he writes about this world he knows best--a world where integrity is held hostage in the relentless pursuit of the bottom line. Anchorman Grant Munro is at what should be the pinnacle of a brilliant career. Having covered every major story from the Kennedy assassination to the Clinton sex scandals, Munro has won the admiration, respect, and trust of his viewers. About to turn sixty in an industry no longer controlled by top-notch journalists but by profit-hungry conglomerates, Munro suddenly feels his career threatened--especially when Bill Donovan, a handsome reporter with little experience but a high Q rating, vies for his anchor post. Dragged into a media circus where soft news and tabloid television are becoming the staples of nightly news broadcasts, Munro negotiates a minefield of scheming, greed, and betrayal to hold onto what he prizes. Acclaimed for his two previous novels, Robert MacNeil is a proven storyteller, now triumphantly on his home turf. *Breaking News* is not only an intimate look at a fascinating industry, but a profound study of character under pressure.

**Breaking the News** Alex Marlow, 2021-05-18 From the editor in chief of Breitbart News, the New York Times bestselling "must-read" (Sean Hannity) investigation into how the establishment media became weaponized against Donald Trump and his supporters on behalf of the political left. In this timely and "important book" (Glenn Beck), Marlow explains how the establishment press destroyed its own credibility with a relentless stream of "fake news" designed to smear Donald Trump and his

supporters while advancing a leftist agenda. He also reveals key details on how our information gatekeepers truly operate and why America's "fake news" moment might never end. Breitbart—and Trump—began banging the drum about "fake news" during the 2016 election, and it resonated with millions of voters because they intuitively knew the corporate media was willing to say or write anything to achieve their political ends. It's a battle cry that continues to this day. Deeply researched and eye-opening, *Breaking the News* rips back the curtain on the inner workings of how the establishment media weaponizes information to achieve their political and cultural ends.

**Breaking News** Associated Press, 2007-05-04 Uses personal accounts, archival materials, interviews, and Pulitzer-Prize-winning photographs to document AP's groundbreaking role in providing the news to the international and American press.

Breaking News Brian Mooney, Barry Simpson, 2004-05-14 An inside look at the shocking decline of Reuters. \* Features exclusive interviews with Reuters staffers, competitors, and clients \* Written by two former Reuters journalists \* Examines one of the biggest stories in recent journalism history

**Breaking News : God Has a Plan** Harris Faulkner, 1999 Read the riveting story of the Fox 4 Evening News anchor's experience with a stalker and what she went through to bring him to justice. She also outlines the 10 steps to success her faith led her to that anyone can use in their own life.

**Breaking News Six Presidents -- the Queen -- a Pope** Gene Gibbons, 2020-12-22 BREAKING NEWS provides a page-turning look at modern American history through the eyes of a news reporter who covered many of the major developments of our time. The memoir of a longtime Reuters White House Correspondent, this book is loaded with stories about presidents and other U.S. political figures, the Queen of England and a sainted Pope. It also includes the author's reflections on events and ideas that have shaped his life and the world we live in. Whether you're someone who can't get

enough of the daily news or an occasional observer of the headlines, you'll enjoy reading this book - and equally important, you'll remember it.

**Running Toward Danger** Cathy Trost, Alicia C. Shepard, 2002 From the Newsuem, America's only museum of news, comes the definitive book detailing behind the scenes of how journalist covered the deadly assaults of September 11, 2001.

*JFK* Hugh Aynesworth, Stephen G. Michaud, 2003 If you thought you knew everything interesting to know about the Kennedy assassination, then think again. *Breaking the News* is the definitive story of the assassination and its aftermath.

**Broken News** Chris Stirewalt, 2022-08-23 One of America's most experienced and exemplary journalists has written an unsparing analysis of the dreadful consequences -- for journalism and the nation -- of 'how the news lost a race to the bottom with itself.'" -- George F. Will In this national bestseller, Chris Stirewalt, a former Fox News political editor, takes readers inside America's broken newsrooms that have succumbed to the temptation of "rage revenue." One of America's sharpest political analysts, Stirewalt employs his trademark wit and insight to reveal how these media organizations slant coverage - and why that drives political division and rewards outrageous conduct. The New York Times wrote that Stirewalt's book is an often candid reflection on the state of political journalism and his time at Fox News, where such post-mortem assessments are not common... *Broken News* is a fascinating, deeply researched, conversation-provoking study of how the news is made and how it must be repaired. Stirewalt goes deep inside the history of the industry to explain how today's media divides America for profit. And he offers practical advice for how readers, listeners, and viewers can (and should) become better news consumers for the sake of the republic.

**Newsjacking** David Meerman Scott, 2011-11-07 IN A 24/7/365, SECOND-BY-SECOND NEWS ENVIRONMENT, SAVVY OPERATORS REALIZE THERE ARE NEW WAYS TO GENERATE MEDIA ATTENTION. The rules have changed. The traditional PR model—sticking closely to a preset script and campaign timeline—no longer works the way it used to. Enter newsjacking: the process by which you inject your ideas or angles into breaking news, in real-time, in order to generate media coverage for yourself or your business. It creates a level playing field—literally anyone can newsjack—but, that new level favors players who are observant, quick to

react, and skilled at communicating. It's a powerful tool that can be used to throw an opponent or simply draft off the news momentum to further your own ends. In Newsjacking, marketing and PR expert and bestselling author David Meerman Scott offers a quick and punchy read that prepares you to launch your business ahead of the competition and attract the attention of highly-engaged audiences by taking advantage of breaking news. Newsjacking will provide you with: Tools that you can use to monitor the news Case studies and examples that demonstrate how to strike at the right time Information on how to make your content available online for journalists to find The potential risks of newsjacking Keys to developing the real-time mindset required to succeed with the strategies presented in the book Newsjacking is powerful, but only when executed in real-time. It is about taking advantage of opportunities that pop up for a fleeting moment then disappear. In that instant, if you are clever enough to add a new dimension to the story in real-time, the news media will write about you.

**Breaking News** Martin Fletcher, 2008-03-04 Martin Fletcher doesn't claim to be a hero. Yet he didn't flinch, either. During three decades covering wars, revolutions, and natural disasters, Fletcher worked his way from news agency cameraman to top network correspondent, facing down his own fears while facing up to mass killers, warlords, and murderers. With humor and elegance, Fletcher describes his growth from clueless adventurer to grizzled veteran of the world's battlefields. His working philosophy of Get in, get close, get out, get a drink, put him repeatedly in harm's way, but he never lost sight of why he did it. In a world obsessed with celebrities, leaders, and wealth, Fletcher took a different route: he focused on those left behind, those paying the price. He answers the question: Why should we care? These extraordinary, real-life adventure stories each examine different dilemmas facing a foreign correspondent. Can you eat the food of a warlord, who stole it

from the starving? Do you listen politely to a terrorist threatening to blow up your children? Do you ask the tough questions of a Khmer Rouge killer, knowing he is your only ticket out of the Cambodian jungle? And above all, how do you stay sane faced with so much pain?

**Breaking News?** Frédéric Bastien, 2018-01-15 In the thousand-channel universe, politicians must find innovative ways to reach citizens via television. Viewership for news and current affairs television programs has dropped dramatically. Meanwhile, the rise of programming that blends information with entertainment – infotainment – on French Canadian television has provided new opportunities for today’s politicians. *Breaking News?* traces the development of infotainment and exposes the impact of these kinds of programs on modern political communication. Though not without its controversies, infotainment ultimately makes a positive contribution to democratic life by piquing the audience’s interest in public affairs and motivating it to pay more attention to political news in general.

Insightful, hands-on, essential and reassuring, *Breaking News* will help children navigate the peaks and pitfalls of our modern day news cycle, through laugh-out-loud text, amusing illustration and interactive activities. Scoop, Vol. 1 Richard Ashley Hamilton, 2018-06-19 Paranormal mystery meets conspiracy thriller in this action-packed comic for young adults starring Sophie Cooper, a brilliant student-intern-turned-sci-fi-sleuth out to clear her family's name. Meet fourteen-year-old Sophie Cooper—red-headed Cuban-American, high school freshman, and daughter of a loving father currently under house arrest for embezzlement and money laundering. While her mother struggles to support the family and her bratty younger brother, Kit, sits around tinkering with his "inventions," Sophie has only one goal: clearing her father's name. When an internship opens up at the local news station, Sophie seizes the chance to do a little investigating of her own. Unfortunately, WMIA 7 isn't exactly CNN. In between logging Betacam tapes and fetching coffee for the station's washed-up reporting team, Sophie sifts through the "broken stories": crank-calls and dead-end tips reporting everything from UFOs to alligator-men. However, one name keeps popping up: Matheson Savings and Trust, the bank that accused Sophie's father of money laundering. Sounds like a conspiracy to this cub reporter! Determined to follow her lead, Sophie sets out to investigate the weirdness, uncover a conspiracy, and clear her family's name . . . just as soon as she finishes her homework.

**Breaking News** Rachel Wise, 2013-11-12 Investigating an apparent act of vandalism that has resulted in the destruction of a school statue, budding journalist Sam learns the culprit's identity from her crush, Michael, who insists that the statue was accidentally broken and who asks Sam not to report the story. Simultaneous.

**And Then God Created the Middle East and Said 'Let There Be Breaking News'** Karl

reMarks,2018-07-09 You may wonder why the Middle East gets so much airtime. Regions of the world were competing to host the apocalypse and the Middle East won. I disagreed with the idea that reality has become too strange to satirise. Then I read that bin Laden was radicalised by Shakespeare. Meanwhile, Iraq seems to be invading itself for the oil. Bringing together the wildly wry observations and sketches of online sensation Karl reMarks, this hilarious collection proudly presents views you're guaranteed not to hear on the news.

**Running Toward Danger** Newseum,2002-07-16 From The Newseum, America's first interactive museum of news, comes the definitive book detailing behind-the-scenes stories of how journalists covered the deadly assaults of September 11, 2001. Three kinds of people instinctively run toward danger—firefighters, police officers, and journalists. Collected here are dramatic first-person stories of more than 100 reporters and photographers who raced to the scenes of the terrorist attacks at the World Trade Center, the Pentagon, and in rural Pennsylvania. With a moving foreword by NBC News Anchor Tom Brokaw, *Running Toward Danger* is arranged along a chronological timeline of the day and is illustrated with more than 100 photographs, many of them rarely seen. The book documents how journalists overcame daunting logistical and emotional challenges to report to a shaken world the implications of the new century's most terrifying moment. It includes intimate details about the marathon high-wire work of the network anchors and the harrowing stories of ordinary journalists who put themselves in harm's way to report the story. The book provides an enduring record of a turning point in world history, a book that future generations will rely on for insights about how news was conveyed to a shattered world.
