Highland Light: The MacGrough Clan Book 1 Cherime MacFarlane, No. 2 Listopia's Scotland the Brave and then some. HIGHLAND LIGHT is a historical romance set in 1308 during the Scottish war for independence. "This is a richly detailed historical romance. The life and times of the early fourteenth century Scottish Highlands along with religious persecution makes a stunning backdrop for this wonderful tale. Well-written with great character development. Highly Recommended." "The romance between the young teenagers is about a couple who are in the midst of their raging hormones and the devotion they feel to each other. Their love and the surrounding war provide enough romance and adventure to give the reader a nice mix of action and emotionally charged love scenes to please those looking for the best of both worlds." "Oh. My. Days...! I would like to call Highland Light a romance, but it is so much more than that. It is an epic story about innocent young love, set in the backdrop of war. MacFarlane did a staggering job of bringing 14th Century Scotland back to life, and her attention to detail must be commended." Ailene: I'm nae a beauty, nae all honey and cream. There is tha glen and as small as tha holding is a few offered for me. I must wed but there is yet a chance for me tae find a man who will appreciate my talents. Robert The Bruce has had a treasure drop in his lap. Knights Templar fleeing Philip of France asked for sanctuary here. They will be disbursed within his supporters by marrying women like me. I thought any of them might do until I caught sight of tha young one. Gideon: I know nothing other than weapons and war. All who accompanied the Master of the Temple here must wed a clanswoman. I've no choice. 'Tis all or none. I agreed and will marry the woman whoever she may be. Let the games begin.

*Liquid Light of Sex* Barbara Hand Clow, 2001-09-01 A nationally known astrologer explores the connection between spiritual emergencies at age 30, 40, and 50 and key astrological passages of Saturn, Uranus, and Chiron. • Provides techniques for directing the kundalini energy released during planetary passages for optimal personal and psychic development. • Includes charts for birth years starting in 1930 so that readers can determine the timing of their planetary passages. • By Barbara Hand Clow, author of the bestselling Pleiadian Agenda (60,000 copies sold). Kundalini--the energy of eros that lies at the base of the spine--can be overwhelming once activated. Times of activation coincide with the key astrological passages of Saturn, Uranus, and Chiron in one's birth chart and are often experienced as periods of spiritual emergency, confusion, and imbalance. In *Liquid Light of Sex*, Barbara Hand Clow opens up new dimensions for understanding what occurs during these key life passages, which most of us experience three times in our lives. In the author's words, we form at age 30, we transform at age 40, and we transmute at age 50. Focusing on the transformation at age 40--the time of imbalance and spiritual confusion often referred to as the midlife crisis--she explores how kundalini energy, the liquid light of sex, can be creatively channeled by unblocking the chakras. Offering effective methods for achieving physical, emotional, and spiritual growth during this important life passage, *Liquid Light of Sex* presents a roadmap for using celestial cycles to navigate positively and productively in times of great life change.

Everything is and Illusion Michael Konieczny, We are on an endless search for something. Our life should be easy but it becomes increasingly more complicated. We are free but we succumb to various trends which ironically make up our identity. We say that we know ourselves, but we base this opinion on what other people say about us. We are God's temple, but we cannot stop hurting not only others but also ourselves. Before we got here we were pure as the Source which created us. We were unable to give, because the Creator destined us to receive from Him. We had everything we could dream about and our desires received instant gratification. And so we took and took from It until we got to a point where we did not want to receive anymore. There was too much of this taking. It had become unbearable. We wanted to be like the one who sends us this abundance. We wanted to resemble the Creator, our

Source. We also wanted to give, but it was impossible since the Creator didn't need anything. There was no lack in Him.
