

Bridge Island

Julie Klassen

The Bridge to Belle Island Julie Klassen,2019-12-18 In 1819 England, evidence from a mysterious death takes Benjamin to an island on the Thames. There Isabelle is trapped by fear and a recurring dream about a man's death. Or is it a memory? When a second death brings everyone under suspicion, she realizes her island sanctuary will never be the same--Provided by publisher.

The Bridge to Belle Island Julie Klassen,2019-12-03 After a humiliating mistake, lawyer Benjamin Booker resolves to never again trust a beautiful woman. When an old friend is killed, the senior partner isn't satisfied with Bow Street's efforts and asks Benjamin to investigate. Eager to leave London for a while, Benjamin agrees. Evidence takes him to a remote island on the Thames, a world unto itself, shrouded in mist and mystery. Soon he finds himself falling for the main suspect--a woman who claims not to have left the island in ten years. But should he trust her? On Belle Island, Isabelle feels safe and leads a productive life, but fear keeps her trapped there. When Mr. Booker arrives with news of her trustee's murder in London, Isabelle is stunned. She has not left the island, yet she has a recurring dream about the man's death. Or is it a memory? She had been furious with him, but she never intended . . . this. When a second person dies and evidence shockingly points to her, Isabelle doesn't know who to trust: the attractive lawyer or the admirer and friends who assemble on the island, each with grudges against the victim. Can she even trust her own mind? While they search for the truth, secrets come to light and danger comes calling.

No Offense Meg Cabot,2020-08-11 New York Times bestselling author Meg Cabot returns with a charming romance between a children's librarian and the town sheriff in the second book in the Little Bridge Island series. Welcome to Little Bridge, one of the smallest, most beautiful islands in the Florida Keys, home to sandy white beaches, salt-rimmed margaritas, and stunning sunsets—a place where nothing goes under the radar and love has a way of sneaking up when least expected... A broken engagement only gave Molly Montgomery additional incentive to follow her dream job from the Colorado Rockies to the Florida Keys. Now, as Little Bridge Island Public Library’s head of children’s services, Molly hopes the messiest thing in her life will be her sticky-note covered desk. But fate—in the form of a newborn left in the restroom—has other ideas. So does the sheriff who comes to investigate the “abandonment”. When John Hartwell folds all six-feet-three of himself into a tiny chair and insists that whoever left the baby is a criminal, Molly begs to differ and asks what he’s doing about the Island’s real crime wave (if thefts of items from homes that have been left unlocked could be called that). Not the best of starts, but the man’s arrogance is almost as distracting as his blue eyes. Almost... John would be pretty irritated if one of his deputies had a desk as disorderly as Molly’s. Good thing she doesn’t work for him, considering how attracted he is to her. Molly’s lilting librarian voice makes even the saltiest remarks go down sweeter, which is bad as long as she’s a witness but might be good once the case is solved—provided he hasn’t gotten on her last nerve by then. Recently divorced, John has been having trouble adjusting to single life as well as single parenthood. But something in Molly’s beautiful smile gives John hope that his old life on Little Bridge might suddenly hold new promise—if only they can get over their differences. Clever, hilarious, and fun, No Offense will tug at readers’ heartstrings and make them fall in love with Little Bridge Island and its unique characters once again.

No Judgments Meg Cabot,2019 When a massive hurricane severs all power and cell service to Little Bridge Island - as well as its connection to the mainland - twenty-five-year-old Bree Beckham isn't worried . . . at first. She's already escaped one storm - her emotionally abusive ex - so a hurricane seems like it will be a piece of cake. But animal-loving Bree does become alarmed when she realises how many islanders have been cut off from their beloved pets. Now it's up to her to save as many of Little Bridge's cats and dogs as she can . . . but to do so, she's going to need help - help she has no choice but to accept from her boss's sexy nephew, Drew Hartwell, the Mermaid Cafe's most notorious heartbreaker. But when Bree starts falling for Drew, she has to ask herself if her island fling was only a result of the stormy weather, or if it could last during clear skies too?

No Words Meg Cabot,2021-10-12 Meg Cabot, #1 New York Times bestselling author of The Princess Diaries, returns to Little Bridge Island with a new story about a children’s book author with a case of writer’s block and an arrogant novelist who have to set aside their differences as they get through a weekend long book festival that just might change everything—including their feelings for each other. Don’t Judge a Book by Its Author... Welcome to Little Bridge, one of the smallest, most beautiful islands in the Florida Keys. Jo Wright always swore she’d never step foot on Little Bridge Island—not as long as her nemesis, bestselling author Will Price, is living there. Then Jo’s given an offer she can’t refuse: an all-expense paid trip to speak and sign at the island’s first ever book festival. Even though arrogant Will is the last person Jo wants to see, she could really use the festival’s more-than-generous speaking fee. She’s suffering from a crippling case of writer’s block on the next installment of her bestselling children’s series, and her father needs financial help as well. Then Jo hears that Will is off-island on the set of the film of his next book. Hallelujah! But when she arrives on Little Bridge, Jo is in for a shock: Will is not only at the book festival, but seems genuinely sorry for his past actions—and more than willing not only to make amends, but prove to Jo that he’s a changed man. Things seem to be looking up—until disaster strikes, causing Jo to wonder: Do any of us ever really know anyone?

Garrison Channel Bridge Construction at Proposed Harbour Island Development, Tampa ,1983

Bridging Islands Godfrey Baldacchino,2007 An island is a piece of land surrounded by water. But: what happens when bridges, causeways, tunnels- fixed links- irrevocably connect islands to mainlands? Is insularity, and its way of life, threatened? Or is it saved by virtue of a stronger integration with the world at large? Bridging Islands is a critical, interdisciplinary scoreboard of the pros and cons of bridging islands to mainlands. Internationally recognized scholars review the assorted socio-cultural, economic and political impacts of fixed links on small island communities. Included are chapters on Prince Edward Island's Confederation Bridge (celebrating its 10th anniversary in 2007), Cape Breton's Canso Causeway, islands in Quebec and Newfoundland, the Florida Keys, Ireland, France, Scotland, Sweden, and Singapore.

Across The Bridge a Rikers Island Story Steven Dominguez,2021-01-11 A harrowing insight into New York City's most notorious detention complex, Rikers Island. The narrative plays through multiple characters who possess a particular position of control and power within the jail, along with the inmates and civilians who witness the violence, drugs, sex, and corruption that occurs every day inside. The seclusion of the jail from the city's beautiful skyline can seem like an amazing inferno to outsiders, however, for those who make it to the other side whether to make a living, being detained for breaking the law or visiting someone accused of doing so, they all share that unshakable feeling. Each character intertwines with one another through desperation and aspiration, sharing the same main objective... survival. Fraternization between uniformed staff and those incarcerated, the drug and alcohol abuse they have in common, violence between the inner-city gangs who congregate under the same roof, and the political pressure of elected officials attempting to maintain order where over 40% of the population suffers from mental illness. Out of sight out of mind. WELCOME TO THE ISLAND.

Bridal Boot Camp Meg Cabot,2019-05-28 From #1 New York Times bestselling author Meg Cabot comes the first story in her Little Bridge Island series—which also includes an excerpt from her forthcoming new full-length novel No Judgments! Looking for a tropical escape? Welcome to Little Bridge, one of the smallest—and most beautiful—islands in the Florida Keys, home to sandy white beaches, salt-rimmed margaritas, stunning sunsets, and some of the quirkiest—but also kindest and most resourceful—people you’ll ever meet. Physical trainer Roberta “Rob” James moved to Little Bridge hoping she’d found paradise, but things haven’t turned out quite as she’d hoped. The closest Rob has come to her “happily ever after” is happy hour at the Mermaid Café with her buddy Bree, the bartender slash waitress who’s got romance problems of her own. But Rob’s situation suddenly changes when sheriff’s deputy Ryan Martinez accidentally enrolls in her bridal boot camp class. Turning mush into metal in time for the big day is Rob’s passion (because even the happiest bride could use a little toning). But what happens when a guy who’s all mush meets a girl who’s all metal? They discover they have a lot to learn . . . about each other, themselves, and the island paradise they’ve come to

call home.

Bridge Tender Carol Ann Ross,2020-12-12 Bridge Tender is the second book in the Murder by the Sea series by Carol Ann Ross. The little swing bridge that takes you to Topsail Island has been there for over half a century. It’s seen just about everything, who comes across, who goes across-with whom, at what times, and how often. It’s all normal for small-town life and small-town gossip. But as the population of the island soars, sights it’s never seen before have become commonplace. There’s been another murder and it seems that it is not only the good that die young. The nefarious events are rocking the very core of the small coastal town and thought Topsail Island may be used to sudden thunderstorms cropping up from time to time, now, when lightening of a more sinister nature strikes twice in succession, the local police detectives realize there’s more to it and the unexpected twists and turns are baffling. Meanwhile, the bridge tender keeps a watchful eye on everything.

Report Made to the General Assembly at Its January Session, 1893 Rhode Island. Stone Bridge Commission,1893

The Queensboro Bridge ,2008 Opened in 1909, the Queensboro Bridge is the longest bridge spanning the East River. The bridge had an immediate and profound effect on the development of Queens from a largely rural area into a bedroom and working community. With its graceful symmetry, the bridge has long been a source of inspiration for artists, songwriters, and authors. Paul Simon and Art Garfunkel made it an icon for the 1960s with the song “The 59th Street Bridge Song (Feelin’ Groovy),” and more recently it was featured in the movie Spiderman. Through historic photographs, The Queensboro Bridge documents the creation of this cultural icon and its contributions to the history of New York.

The Newport Bridge James M. Ricci,2018-07-16 Newport is a premier destination, but getting to the city has not always been easy. For three centuries, ferries crossed Narragansett Bay's East Passage. That all changed on June 28, 1969, the day the Newport Bridge opened, and it closed the last remaining gap between Aquidneck and Conanicut Islands. Proponents of the bridge persevered political squabbles and delays for twenty-five years following World War II to make it a reality. The longest suspension bridge in the region incorporated several new technologies and construction techniques and changed the face of Rhode Island. Author James Ricci details the trials and tribulations that produced an iconic bridge.

Bridge to Bonito Island Burette Stinson Tillinghast,1978

Lincoln's Greatest Case: The River, the Bridge, and the Making of America Brian McGinty,2015-02-09 The untold story of how one sensational trial propelled a self-taught lawyer and a future president into the national spotlight. In May of 1856, the steamboat Effie Afton barreled into a pillar of the Rock Island Bridge, unalterably changing the course of American transportation history. Within a year, long-simmering tensions between powerful steamboat interests and burgeoning railroads exploded, and the nation’s attention, absorbed by the Dred Scott case, was riveted by a new civil trial. Dramatically reenacting the Effie Afton case—from its unlikely inception, complete with a young Abraham Lincoln’s soaring oratory, to the controversial finale—this “masterful” (Christian Science Monitor) account gives us the previously untold story of how one sensational trial propelled a self-taught lawyer and a future president into the national spotlight.

Unveiling the Energy of Verbal Art: An Emotional Sojourn through **Bridge Island**

In some sort of inundated with displays and the cacophony of immediate conversation, the profound power and emotional resonance of verbal art often diminish in to obscurity, eclipsed by the constant onslaught of noise and distractions. Yet, situated within the musical pages of **Bridge Island**, a captivating function of literary splendor that pulses with fresh feelings, lies an wonderful journey waiting to be embarked upon. Published by way of a virtuoso wordsmith, that mesmerizing opus guides visitors on a psychological odyssey, gently exposing the latent potential and profound impact embedded within the complicated internet of language. Within the heart-wrenching expanse of this evocative evaluation, we will embark upon an introspective exploration of the book is key themes, dissect its charming writing model, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
