Sari, Not Sari Sonya Singh,2022-04-05 INSTANT NATIONAL BESTSELLER This delightful debut rom-com follows the adventures of a woman trying to connect with her South Asian roots and introduces readers to a memorable cast of characters in a veritable feast of food, family traditions, and fun. Manny Dogra is the beautiful young CEO of Breakup, a highly successful company that helps people manage their relationship breakups. As preoccupied as she is with her business, she's also planning her wedding to handsome architect Adam Jamieson while dealing with the loss of her beloved parents. For reasons Manny has never understood, her mother and father, who were both born in India, always wanted her to become an "All-American" girl. So that's what she did. She knows next to nothing about her South Asian heritage, and that's never been a problem—until her parents are no longer around, and an image of Manny that's been Photoshopped to make her skin look more white appears on a major magazine cover. Suddenly, the woman who built an empire encouraging people to be true to themselves is having her own identity crisis. But when an irritating client named Sammy Patel approaches Manny with an odd breakup request, the perfect solution presents itself: If they both agree to certain terms, he'll give her a crash course in being "Indian" at his brother's wedding. What follows is days of dancing and dal, masala and mehndi as Manny meets the lovable, if endlessly interfering, aunties and uncles of the Patel family, and, along the way, discovers much more than she could ever have anticipated.

FINDING KATARINA M. Elisabeth Elo,2019-03-05 Natalie March is a respected surgeon enjoying a busy, productive life in Washington DC. As her demanding career has left little time for friends or romance, her deepest relationship is with her mother, Vera March, a Russian immigrant and MS patient confined to a rehabilitation center. Vera is still haunted by the fact that her Ukrainian parents, innocent of any wrongdoing, were sent to the gulag, Stalin's notorious network of labor camps, when she was just a baby. All her life she has presumed that they perished there along with millions of other Russian citizens. Natalie would do anything to heal her mother's psychic pain: it's the one wound that she, a doctor, cannot mend. When a young Russian dancer named Saldana Tarasova comes to Natalie's office claiming to be her cousin, and providing details about her grandmother that no stranger could know, Natalie must face a surprising truth: her grandmother, Katarina Melnikova, is still very much alive. She escaped from the labor camp, married a native Siberian, and had another child, Saldana's mother. Natalie is thrilled to think that her Russian family is reaching out and that Vera may be able to reunite with her mother after so many years. In fact, Saldana has a darker motive for making contact. Suggesting that her family is in grave danger from Putin's government, she pleads for Natalie's help to defect. Unwilling to break the law, Natalie puts her off. Then the unthinkable happens, and Natalie is drawn step by step into a web of family secrets that will ultimately pit her against Russian security forces and even her own government. How far will Natalie go to find Katerina M. and satisfy her mother's deepest wish? How much will she risk to protect her Russian family—and her own country—from a dangerous international threat? Masterfully plotted and beautifully written, FINDING KATARINA M. takes the reader on an extraordinary journey across Siberia—to reindeer herding camps, Russian prisons, Sakha villages, and parties with endless vodka toasts—while it explores what it means to be loyal to one's family, one's country, and ultimately to oneself.

On the Barricades, and Off Melvin J. Lasky, The importance of Melvin J. Lasky and of the journals he has edited (Encounter in London, Der Monat in Berlin) has been beautifully captured by a young European intellectual, Dr. Michael Naumann: Lasky's work, quite apart from its value as a meditation, is a testimony of personal courage. This is the work of an outsider, of a thinker in crazed times, who ranks with the few who can apply that 16th-century observation of Richard Hooker to themselves with every justification: 'Posterity may know we have not loosely through silence permitted things to pass away as in a dream.'... On The Barricades, And Off, is an extraordinary collection of writings by Lasky dealing with Revolutionaries and Ideologies, with the German Problem and the Russian Question, with Travelling and Climates of Opinion. But there is nothing eclectic or random about this effort. Indeed the essays are stitched together by an impassioned dedication to the open society and, no less, a universal, even-handed critique of all closed societies. Born in New York City, Melvin J. Lasky has been co-editor of Encounter in London (called the most brilliant European periodical) since he succeeded Irving Kristol in 1958. He was educated at the City College of New York, at the University of Michigan, and Columbia University. He was the literary editor of the New Leader before serving in World War II as a combat historian in France and -Germany. After the war he was a foreign correspondent for the New York Times, The Reporter, Partisan Review, and other publications. His work as an editor and writer reflects that unusual group of cosmopolitan scholars and men of letters who emerged from the ashes of conflict to help recreate the intellectual climate for democracy in Europe, indirectly reestablishing transatlantic critical standards in America.
