The Good Beer Guide to Great Britain Jeff Evans,John Preece,1998 ...an insider's tour of more than 5,000 of the very best pubs...

MODERN BRITISH BEER. MATTHEW. CURTIS,2021

Good Beer Guide Roger Protz,2011-09-15 Britain's best-selling and fully independent beer & pub guide is back with updated listings for 2012.

The football and real ale guide Richard Stedman,2005 Includes a description of each pub, a location map, and a list of beers found along with the date of the author's visit. This guide also contains colour photographs, contact details, articles related to real ale and football and comments from the regulars of the pub, and a cultural guide to each town.

Brew Britannia Jessica Boak,Ray Bailey,2014-06-19 How punter power pulled the humble pint back from the brink, this is the surprising story of a very British consumer revolt! Following a cast of bloody-minded City bankers, hippie microbrewers, style gurus, a Python, and a lot of men in pubs, Brew Britannia tells the story of the campaign to revitalise the nation's beer which became the most successful consumer revolt in British history! Fifty years ago the future of British beer looked as bleak as the weak, sweet, bland and fizzy pints being poured, as colossal combines took over the industry, closing local breweries and putting profit before palate. Yet today the number of breweries is at a post-war high, with over a thousand in operation, membership of The Campaign for Real Ale organisation (CAMRA) exploding in recent years with over 150,000 active members and exciting new developments brewing. In a barn in Somerset, plans are afoot to ferment a beer-cider hybrid with wild yeast that blows on the wind, while in Yorkshire an almost extinct style of 'salt 'n' sour' wheat beer is being resurrected for the 21st century. Whether you drink traditional, CAMRA-approved 'real ale' or prefer a super-strong, fruit-infused, barrel-aged Belgian-style 'saison', this astonishing story from the authors of popular beer blog Boak and Bailey will have you thirsty for more!

Camra's Good Beer Guide 2015 Roger Protz,2014 The Good Beer Guide is fully revised and updated each year and features pubs across the United Kingdom that serve the best real ale. This pub guide is completely independent with listings based entirely on nomination and evaluation by CAMRA members. This means you can be sure that every one of the 4,500 pubs deserves their place, plus they all come recommended by people who know a thing or two about good beer. The unique 'Breweries Section' lists every brewery - micro, regional and national - that produces real ale in the UK, and the beers that they brew. Tasting notes for the beers, compiled by CAMRA-trained tasting teams, are also included. The Good Beer Guide 2015 is the complete book for beer lovers and a must-have for anyone wanting to experience the UK's finest pubs.

The London Craft Beer Guide Jonny Garrett,Brad Evans,2018-02-01 The most brilliant guide to the best beer and pubs in London by connoisseurs Jonny and Brad. Trust me they know their stuff!' – Jamie Oliver To beer or not to beer, that is the question. The London Craft Beer Guide features 40 of the best pubs, breweries and taprooms across the city. Organised around London boroughs from North to South, East to West, every corner is full of hidden gems to discover. Find new favourite brews with descriptions of the best to taste at each location, and pairings notes to enjoy alongside food. As well as the beer itself, this guide gives you unique insight into the people behind the casks, with exclusive interviews and photography that reveal the history and personality behind each sip. From mango-like IPAs to chocolaty stouts and crisp, puckering sour beers this is the ultimate guide for craft beer

converts and those looking to find off-the-beaten-track tastes and flavours. Whether you're a Londoner looking for your new local, or a visitor hoping to navigate the city's best craft-brewing spots, The London Craft Beer Guide will provide plenty of inspiration.
