The Complete Forging of Luke Stone and Luke Stone Thriller Bundle Jack Mars,2021-09-23 In a cat and mouse chase, Agent Luke Stone realizes he is up against a vast conspiracy, and that the target is even more high value than he could have imagined—leading all the way to the President of the United States. “Thriller writing at its best. Thriller enthusiasts who relish the precise execution of an international thriller, but who seek the psychological depth and believability of a protagonist who simultaneously fields professional and personal life challenges, will find this a gripping story that's hard to put down.” --Midwest Book Review, Diane Donovan (regarding Any Means Necessary) “One of the best thrillers I have read this year. The plot is intelligent and will keep you hooked from the beginning. The author did a superb job creating a set of characters who are fully developed and very much enjoyable. I can hardly wait for the sequel.” --Books and Movie Reviews, Roberto Mattos (re Any Means Necessary) A complete bundle of 13 books in THE FORGING OF LUKE STONE and the LUKE STONE THRILLER series by USA Today bestselling author Jack Mars, author of the critically-acclaimed Agent Zero series (with over 5,000 five-star reviews). In his explosive, action-packed thriller series, Jack Mars takes readers on a wild-ride across America and the world. In THE FORGING OF LUKE STONE, when elite Delta Force soldier Luke Stone, 29, joins a secretive government agency, he is dispatched on the mission of a lifetime: a whirlwind race across Europe and the Mid-East to save the President's daughter before she is beheaded by terrorists. Here, we see the forging of one of the world's toughest—and most lethal—soldiers: Luke Stone. A 29 year old veteran who has seen enough battle to last a lifetime, Luke is tapped by the Special Response Team, a secretive new FBI agency (led by his mentor Don Morris) to tackle the most high-stake terrorism operations in the world. Luke, still haunted by his wartime past and newly married to an expecting Becca, is

dispatched on a mission to Iraq, with his new partner Ed Newsam, to bring in a rogue American contractor. But what begins as a routine mission mushrooms into something much, much bigger. When the President's teenage daughter, kidnapped in Europe, is ransomed by terrorists, Luke may be the only one in the world who can save her before it is too late. In the LUKE STONE THRILLER series, what begins it all is the theft of nuclear waste by jihadists from an unguarded New York City hospital. The police, in a frantic race against time, call in the FBI—and Luke Stone, head of an elite, secretive, department within the FBI, is the only man who can handle it. Luke realizes right away that the terrorists' aim is to create a dirty bomb, that they seek a high-value target, and that they will hit it within 48 hours. Caught in a chase that pits the world's most savvy government agents against its most sophisticated terrorists, Agent Stone peels back layer after layer. With Luke framed for the crime, his team threatened and his own family in danger, the stakes could not be higher. But as a former special forces commando, Luke has been in tough positions before, and he will not give up until he finds a way to stop them—using any means necessary. Twist follows twist as one man finds himself up against an army of obstacles and conspiracies, pushing even the limits of what he can handle—and culminating in a shocking climax. A political thriller with heart-pounding action, dramatic international settings, and non-stop suspense, THE FORGING OF LUKE STONE and the LUKE STONE THRILLER series will leave you turning pages late into the night.
