Broken Wings L-J Baker,2006-09-01 In a magical world where being different is the norm, why must Rye Woods fear for her life if the truth about her hidden identity is revealed? When Rye Woods, a fairy, meets the beautiful dryad Flora Withe, her libido, as squashed and hidden as her wings, reawakens along with her heart. But Rye is a poor builder's labourer with a teenage sister to raise, while Flora is a wealthy artist-celebrity with a tree-top condominium and a sporty, late-model flying carpet. If those aren't obstacles enough to the scorching attraction that rapidly develops, Rye lives under the pall of a dark secret that has made her a fugitive in the very land where she sought freedom. The more Rye reveals to Flora, the more vulnerable she is to her past catching up with her. Can she and Flora find their way to loving one another in the face of their social and cultural differences while struggling with the dark forces that threaten Rye?

A romantic alliance with a hard core attractive bar owner further complicates his mission. And this is just the beginning. He is joined by Dallas Raines, his former Executive Officer. [How to Heal a Broken Wing](#) Bob Graham,2020-11-03 “Such a visual piece . . . readers young and old will return to the story to look more deeply; they won’t be disappointed.” — Booklist (starred review) In a city full of hurried people, only young Will notices the bird lying hurt on the ground. With the help of his sympathetic mother, he gently wraps the injured bird and takes it home. Wistful and uplifting in true Bob Graham fashion, here is a tale of possibility — and of the souls who never doubt its power.

[The Oxford Handbook of Arab Novelistic Traditions](#) Waïl S. Hassan,2017 The Oxford Handbook of Arab Novelistic Traditions is the most comprehensive treatment of the subject to date. In scope, the book encompasses the genesis of the Arabic novel in the second half of the nineteenth century and its development to the present in every Arabic-speaking country and in Arab immigrant destinations on six continents. Editor Waïl S. Hassan and his contributors describe a novelistic phenomenon which has pre-modern roots, stretching centuries back within the Arabic cultural tradition, and branching outward geographically and linguistically to every Arab country and to Arab writing in many languages around the world. The first of three innovative dimensions of this Handbook consists of examining the ways in which the Arabic novel emerged out of a syncretic merger between Arabic and European forms and techniques, rather than being a simple importation of the latter and rejection of the former, as early critics of the Arabic novel claimed. The second involves mapping the novel geographically as it took root in every Arab country, developing into often distinct though overlapping and interconnected local traditions. Finally, the Handbook concerns the multilingual character of the novel in the Arab world and by Arab immigrants and their descendants around the world, both in Arabic and in at least a dozen other languages. The Oxford Handbook of Arab Novelistic Traditions reflects the current status of research in the broad field of Arab novelistic traditions and signals toward new directions of inquiry.

The Wings of Love Volume 2 Kwabena Osei,2016-10-14 The world will be safer and a paradise, if mankind learns to live with its innocence. Unconditional love is the cover cloth of the innocence. Instead of mankind to swim in the romantic lake of unconditional love for the discovery of the hidden paradise bewitching marriage and relationships; lack of awareness, mankind is swimming in the dirty gutters of false love, creating its own worst nightmares. Engaging in marriages, love and sex relationships with the ego's mindless love tantamount to creating a timing bomb for your destruction. False love nourishes us with the bread of sorrows. Prior to selfishness, mankind has embraced the ego's mindless love as the simple way of life. Individual's nuts have transformed love and sex meant to be a divine gift into a merchandise commodity. Since love and sex became a merchandise commodity to be purchased and being manipulated by wealth, unconditional love has been buried under the great oceans surrounding the mother earth. False love is the major contributor to the atrocities caused in the name of love. This lovely book; 'The Wings of Love Vol.2' is of much significant to the human races. It highlights and guides mankind for the acknowledgement of the Supreme power of Love, the origin of Life Force. Alike, to enables mankind to distinguish between false love and natural love to avoid deceptions and atrocities caused in the name of love consistently. 'Prevention is better than cure.' Natural Love creates no misery. The living hell in which mankind is condemned by the mercy of false love can be transformed into the living heaven through the power of unconditional love. Love unconditionally, and you will always find pleasure in love. The power of Love conquers all.

The House of Shattered Wings Aliette de Bodard,2015-08-18 Multi-award winning author Aliette de Bodard, brings her story of the War in Heaven to Paris, igniting the City of Light in a fantasy of divine power and deep conspiracy... In the late twentieth century, the streets of Paris are lined with haunted ruins, the aftermath of a Great War between arcane powers. The Grand Magasins have been reduced to piles of debris, Notre-Dame is a burnt-out shell, and the Seine has turned black with ashes and rubble and the remnants of the spells that tore the city apart. But those that survived still retain their irrepressible appetite for novelty and distraction, and The Great Houses still vie for dominion over France's once grand capital. Once the most powerful and formidable, House Silverspires now lies in disarray. Its magic is ailing; its founder, Morningstar, has been missing for decades; and now something from the shadows stalks its people inside their very own walls. Within the House, three very different people must come together: a naive but powerful Fallen angel; an

alchemist with a self-destructive addiction; and a resentful young man wielding spells of unknown origin. They may be Silverspires’ salvation—or the architects of its last, irreversible fall. And if Silverspires falls, so may the city itself.
