Men and Deeds Brother Julian (C.F.X.), 1930

St. James Trade School and Brother James Court Franciscan Brothers at Brother James Court, 2010-03-29 Helping orphaned and disadvantaged boys get a chance at a better life was the mission of Brother James, founder of the Franciscan Brothers of the Holy Cross, a German Catholic Order that sent Brothers to the United States in 1924. To that end, St. James Trade School was established in Springfield, Illinois, in 1928. Two years later, the first group of apprentices was admitted; they and hundreds who followed them through 1972 went on to become certified mechanics, carpenters, and electricians among other valuable trades. High school diplomas were earned beginning in 1948. In 1975, Brother James Court (BJC) opened with a brand new building specifically designed as a residential intermediate care facility. BJC provides both residency and advocacy for developmentally disabled men. Providing the highest quality care, consistent with the spirit and principles of the Franciscan Brothers of the Holy Cross, programs at BJC meet residents' needs and allow them to live happily at BJC for as long as they need.

Brother to the World of Each Other Brother Gregory Quinn, 2017-11-17 An autobiography of an American Christian Brother from childhood and his burgeoning vocation in the service of Our Lord. From growing up in Providence Rhode Island and taking his Solemn Relationship Vows to his journey to the jungles of Nicaragua and during a coup d'etat in Ethiopia to Trappist Monk, this follows his teaching and learning mission in the service of God.

Brothers & Fathers John A. Esseff, George J. Esseff, 2010-12-08 On the surface, John and George Esseff seem to have traveled very different paths in life: George as a successful scientist, entrepreneur, and philanthropist with a wife, children, and grandchildren; John as a celibate priest whose life has been spent mostly with the poor. But from their humble beginnings in Depression-era Wilkes-Barre, PA to this day, the Esseff brothers' lives have been very much intertwined. Their shared story takes us from the poorest places on the planet to the bastions of wealth and power, with these remarkable men touching and changing lives all along the way. Gripping and inspirational, this book is the story of faith made real in the lives of two men who are BROTHERS & FATHERS.

Friends in Christ: Paths to a New Understanding of Church Brother John of Taizé,

A Brother Beloved Francena Arnold, 1957

Brother James Robert A. Condry, 2015-12-30 James has aspirations, and they do not include taking over his father's business. But he may have to - his older brother insists on being a missionary.

My Son, My Brother, My Friend Dale C. Willard, 1978 This is a profoundly playful and instructive book about Christian reality. In some ways Dale Willard's writing resembles Frederick Buechner's; in some ways, Walter Wangerin's. In other ways it resembles a mighty wind and a still, small voice...K. Lindskoog

The Brothers of St. Joseph George Klawitter, 2019-08-26 The Brothers of St. Joseph in 2020 are celebrating the 200th anniversary of their founding. They grew out of a religious revival following the French Revolution, but their noteworthy contributions to religious schools in northwest France have been overlooked, and their leaders have gone unheralded. Brother Andre Mottais was responsible for their early growth, and Brother Vincent Pieau made a name for the Brothers in their American foundations, chiefly at Notre Dame. Overshadowed by the Holy Cross priests who joined ranks with the Brothers in 1837, the Brothers of St. Joseph nevertheless must be remembered as significant to the Roman Catholic Church in post-revolutionary France.

They Used to Call Me Brother: A Memoir Thomas H. Brennan, 2021-03-05 In the spring of 1955, motivated by idealism and buoyed by youthful naiveté, Thomas Brennan joined the Christian Brothers, a Roman Catholic religious order. After seven years in a cloistered environment of prayer, work and study he earned a degree in physics and taught for six years in high schools. After seven years in a cloistered environment of prayer, work and study he earned a degree in physics and taught for six years in high schools. Against the 1960s backdrop of assassinations, riots and civil rights marches added to the upheavals in the Catholic Church he reevaluated his commitment to a celibate life. Despite having pronounced final vows I petitioned and was granted a Vatican dispensation and joined the thousands of religious who withdrew from the religious life thus changing their own lives and the face of American Catholicism.

Brothers are Special, 2004 Repackaged in a colorful, eye-catching jacket, this bestselling, inspirational quote book makes the perfect gift for the special people in our lives. Big Brothers, Little Brothers. We hug them, hate them, we follow them around, we tolerate them--and most of all we love them. Brothers share a special place in every family. Brothers seem always to compete with their siblings, even those they love. They wrestle, they tease, they run faster, they pull ponytails, pinch, and really know how to get their brothers and sisters in trouble. We are proud of them when they pull off a great slam-dunk, but we want to hide when they play off-key in the school orchestra. As grownups we continue to care about each other and support each other, with the love--and humor--that are the hallmarks of any relationship with a brother. **BROTHERS ARE SPECIAL** is a loving tribute to those who play a unique role in our lives. Filled with anecdotes, poems, and quotes from the famous to the unknown, this book is a perfect gift for these very special people.

Brother Kendra Dew, 2010 The bond between brothers is tightly woven and, over time, it is impossible to imagine one without the other. In *Brother: What Would I Do Without You?* we celebrate all the ways our brothers have enriched and informed our lives. Filled with words of reminiscence and heartfelt thanks, the text is accompanied by charming, one-of-a-kind photos from photographer Kendra Dew. Some of Kendra's photographs are hand colored, others are sepia toned, and a few are presented in the classic style of black and white.
