*The Reasons I Run* Dennis Gravitt,2012-05-22 The Reasons I Run is a can-do story which offers the reader a rare glimpse inside the mind of a competitive runner.

Dennis Gravitt was an average athlete whose internal drive compelled him to press the boundaries of his physical limitations. As the story unfolds, Dennis transforms himself from a middle-of-the-pack athlete into a competitive runner. He would eventually enjoy a career spanning 28 years. This is a memoir which chronicles his journey, both inner and outer, with all of its ups and downs—the victories and the disappointments. Dennis also shares the lessons learned, candidly examines some of running's modern paradigms, and challenges others to step beyond the constraints of their own comfort zones. **Runner's World Best: Getting Started** Adam Bean, 2006-05-30 Profiles recommended running equipment, demonstrates key techniques, and includes tips for cross-training, increasing speed, and improving endurance.

The Quail Runner Buddy Mapel, 2014-06-30 Journalist Dennis Kaatsay has always taken in the beauty of northern New Mexico as if it were oxygen made visible. A native son, from one of the centuries-old Indian pueblos that dot the Land of Enchantment, he's always felt sustained by the colors and light and lines--the brilliant yellow of cottonwoods in autumn, the violet sky at dawn, sunlight glinting on the surface of the Chama River, mesa tops and mountain ridges where earth and sky meet. Then three bodies are found hanging from trees and a fourth so savagely beaten the blood spatter exerts can't agree on key facts. The gruesome deaths make it hard for Dennis to look at anything as he once did. Still, he's driven to look for answers. Even after someone leaves a very visual warning that his questions must end.

Chasing Zero Brandt Galloway, 2015-01-21 Whenever I hear someone mention the year 1996, I immediately think of that magical baseball season in which a special group of young men won forty-three consecutive baseball games. But it was so much more than just those forty-three games. It was the culmination of years of hard work and dedication to both the game they loved and the teammates they competed with. I feel truly blessed to have been a part of their journey. -Tim Dowdy, Former New Hope Baseball Coach The spring of '96 was a magical time that I will never forget. It was a three-month period in which the stars aligned and took us on an unforgettable ride. -Carey Edwards, Former New Hope Baseball player I went to my knees near the third base line as the ball began to get closer and closer to the ground. As a sixteen-year-old, all I could think about was how I had just let my team down. My name was going to be in the record books, the only pitcher with an L next to his name. Suddenly, my feet went numb as I stood up in disbelief. I saw what had just happened but didn't believe it. I still have never seen another catch like

that! -Scott Kappler, Former New Hope Baseball Player

**The 30-Minute Runner** Duncan Larkin, 2018-01-02 The 30-Minute Runner takes a simplified approach to training, which is to break down everything into one thirty-minute session per day—a manageable segment for first-time runners and those who may be in decent shape but lead incredibly busy lives. Everything in the book—including training schedules, techniques, and tips—is put forth purely in terms of minutes spent running, without any goal paces to worry about, mileage to keep track of, or anything to measure other than time spent out on the roads and trails. The book focuses on how to maximize those thirty critical minutes in order to achieve two primary goals: shedding extra pounds and completing a 5K race. Author Duncan Larkin, a certified Army Master Fitness Trainer, also covers topics like running for new moms, single-parent training, how to prepare to run your first race, race-day tips, how to train while on business travel, and taking it to the next level—running forty-five and sixty minutes a day (10K and half-marathon schedules). In addition to the running-based

guidelines, The 30-Minute Runner also offers nutritional advice and core exercises that complement the thirty-minute runs.
