Round Up at the Burger Bar Parts 1-5 Russ Crossley, 2014-05 This book collects the first five parts of the serial novel Round Up At The Burger bar: The Legend of Trixie Pug. These stories are set in the year 3003. By the year 3333 1/3 massive fast food corporations control the galaxy. Trixie is destined to become the galaxy's 2nd most powerful CEO for a fast food franchise called Heavenly Sky Burger. These stories reveal the early adventures of Trixie and her friend Cherry Bomb thirty years before she becomes a CEO. In these stories you will discover how Trixie became the hungry woman she eventually becomes. The story is satire and meant to be a funny satirical take on our possible future, and like any good SF, answers questions; What if fast food corporations controlled the galaxy and the future? What problems would occur? And how would we overcome these problems? I truly hope you read this story in the light it was meant and enjoy the ride and laugh at the absurdities that occur sometimes when you ask these questions. To read more about Trixie check out the short story, Big Business and the novel Attack of the Lushites.

Fast Food Nightmare Stan Cullimore, 2005-01-02 When Dan's offered a job at the new Burger Bar in town, he thinks his troubles are over. When he finds out Big John's secret ingredient, however, it

seems that the troubles have only just begun... This hi-lo series contains intriguing and stimulating content for reluctant readers aged 12-14 with a lower reading age of 7.5-8. Aptly named Dark Flight, this set of ten short novels contain such chilling topics as soul-sucking monsters, a deadly burger bar, a girl with a stone cold stare, a ghost spaceship and a terrifying game that feels all too real. We hope that the gripping nature of these stories will allow readers - however reluctant - to achieve that sense of satisfaction and confidence that comes from finishing a book.

Bobby Flay's Burgers, Fries, and Shakes Bobby Flay, Stephanie Banyas, Sally Jackson, 2009-04-14 After a long day spent in one of his restaurants or taping a television show, what Bobby Flay craves

more than anything else is ... a crusty-on-the-outside, juicy-on-the-inside burger; a fistful of golden, crisp, salty fries; and a thick, icy milkshake. Given the grilling guru's affinity for bold flavors and signature twists on American favorites, it's no surprise that he has crafted the tastiest recipes ever for this ultimate food trio. Though he doesn't believe in messing with delicious certified Angus chuck (just salt and pepper on the patty—no "meatloaf" burgers here), Bobby loves adding flavorful relishes and condiments to elevate the classic burger. Once you've learned what goes into making that burger (from how to shape it so it cooks up perfectly to melting the cheese just so), go to town with Bobby's favorite combinations of additions. Try the Cheyenne Burger, which gets slathered with homemade barbecue sauce and then piled high with bacon and shoestring onion rings, or the Santa Fe Burger, topped with a blistered poblano, queso sauce, and crumbled blue corn tortilla chips. And although Bobby's personal preference is for beef, turkey can be substituted in any burger, and a handful of salmon and tuna burger recipes are included for those looking for leaner options. After you've mastered the burger, discover Bobby's secrets to cooking up the best French fries—whether they're fried, grilled, or oven roasted, or made from spuds, sweet potatoes, or even plantains—as well as homemade potato chips and onions rings. Wash it all down with a creamy shake, from Fresh Mint—Chocolate Speckled Milkshake to Blackberry Cheesecake Milkshake (or a spiked adult variation). With the opening of Bobby's Burger Palace in Lake Grove, New York, on Long Island—and with more locations to come—Bobby has achieved burger, fry, and shake bliss in the world. For outdoor summer bashes and casual weeknight meals that even the kids will get excited about, Bobby Flay's Burgers, Fries & Shakes will share that bliss and remind you just why the burger is such a beloved American original.

The Fiesta Burger Murder Rosie Point, 2017-07-04 Boston Homicide Detective, Christie Watson, wants nothing less than to bury her head in the sand in her hometown, Sleepy Creek, Ohio. Placed on sabbatical for a little 'over-enthusiasm,' Chris has to stay out of trouble or risk losing her job for good, and Sleepy Creek, with its clapboard homes and peaceful milieu, seems just the place to do that. But returning to Sleepy Creek means facing the one cold case she's never solved: her mother's murder. The past becomes the least of her worries, however, when a man is murdered in her best friend's back yard. Griselda, awesome human being all-round and owner of the local Burger Bar - serving scrumptious delights like the Mexican Fiesta Burger - is the prime suspect. To make matters worse, the handsome detective in charge of the case won't quit asking questions or drop the icy professionalism whenever Chris counters with her own. Det. Watson can't let this one slide - sabbatical or not, she won't let her friend wind up behind bars for a crime she didn't commit. Equipped with her cop skills, and that thirst for truth, she sets off to solve the murder before it's too late.
