Rope Burn Bruce W. Most,2013-11-16 ... A FIRST-RATE MYSTERY ... A TOP CRIME THRILLER Fear returned with a vengeance... He turned his throbbing head but the pickup was out of his range of vision. He could glimpse the trunk of a large cottonwood tree only feet away. Frantically he struggled to untie his hands. He heard the pickup shift into gear. Moments later the rope tightened unforgivingly round his neck. Fear flashed to panic as the rope squeezed his windpipe shut and he felt himself hoisted to his feet. He could hear the creak of rope drawing across wood... Ex-Detective Nick DeNunzio accepts the offer to find those behind the racket and stop the insidious trade ...his first step on a trail which brings him near to death from both his past and the present... The killer dispensed old-fashioned justice at the end of a taut rope. Questions still remain unanswered. Who murdered Jack Hooker seven years ago? Why does his death haunt this Wyoming community? Is it linked to the attractive niece running his ranch? Heading west to escape a troubled past as a big-city detective, Nick DeNunzio hires on to stop a brutal string of cattle thefts. Chasing these modern day rustlers, he soon discovers not just cows are being led to slaughter - people are turning up dead. To catch the killer before he is the next victim, Nick must unearth what happened to Hooker, confront his own dark past ...and become a cattle thief himself.

*The Art of Fire* Daniel Hume,2017-11-02 Fire can fascinate, inspire, capture the imagination and bring families and communities together. It has the ability to amaze,

energise and touch something deep inside all of us. For thousands of years, at every corner of the globe, humans have been huddling around fires: from the basic and primitive essentials of light, heat, energy and cooking, through to modern living, fire plays a central role in all of our lives. The ability to accurately and quickly light a fire is one of the most important skills anyone setting off on a wilderness adventure could possess, yet very little has been written about it. Through his narrative Hume also meditates on the wider topics surrounding fire and how it shapes the world around us.

*The Wood Burn Book* Rachel Strauss, 2020-08-11 In *The Wood Burn Book*, Instagram star Rachel Strauss (@woodburncorner) teaches you everything you'll need to know to master your favorite new hobby: pyrography, or writing with fire. This essential guide opens with a brief background to the art of wood burning, a list of tools and how to use them, basic techniques that can be used over and over again, and even what to burn and how to be safe doing it. You will also find a detailed explanation of the process from start to finish, with patterns and frames, techniques for lettering and adding color, as well as dozens of projects ready for gifting, including picture frames, cutting boards, coasters, cards, wooden spoons, and jewelry. Above all, Strauss has created the book she wished she had when she first discovered pyrography: a simple guide that quickly gets the reader successfully burning. With the right tools and a little time, you'll be able to create meaningful handmade gifts without breaking the bank. Whether it's to create a family name sign as a housewarming gift for newlyweds, or customize baby blocks for a new little one, wood burning is the versatile hobby that can be used time and time again to create memorable gifts for all of life's occasions. In addition, wood burning is a practice in mindfulness, requiring patience and focus to awaken the senses and calm the mind. Mastering the art of writing with fire begins with the ability to follow a line. If you can trace, you can burn.

**The Day of the Rope** Devon Stack, 2018-09-14 *The Day of the Rope* is a fictional tale about what can happen in a country that has rejected its heritage and descended into degeneracy and decadence. Feeling like strangers in the land of their forefathers, Ethan and Wayne navigate the ethical minefield of violent revolution as they try to reclaim their nation from those who have subverted it.

**Kindred** Octavia E. Butler, 2022-09-20 The New York Times best-selling author's time-travel classic that makes us feel the horrors of American slavery and indicts our country's lack of progress on racial reconciliation The series adaption from FX premieres December 13 on Hulu. Developed for television by writer/executive producer Branden Jacobs-Jenkins (*Watchmen*), executive producers also include Joe Weisberg and Joel Fields (*The Americans*, *The Patient*), and Darren Aronofsky (*The Whale*). Janicza Bravo (*Zola*) is director and an executive producer of the pilot. *Kindred* stars Mallori Johnson, Micah Stock, Ryan Kwanten, and Gayle Rankin. "I lost an arm on my last trip home. My left arm." Dana's torment begins when she suddenly vanishes on her 26th birthday from California, 1976, and is dragged through time to antebellum Maryland to rescue a boy named Rufus, heir to a slaveowner's plantation. She soon realizes the purpose of her summons to the past: protect Rufus to ensure his assault of her Black ancestor so that she may one day be born. As she endures the traumas of slavery and the soul-crushing normalization of savagery, Dana fights to keep her autonomy and return to the present. Blazing the trail for neo-slavery narratives like Colson Whitehead's *The Underground Railroad* and Ta-Nehisi Coates's *The Water Dancer*, Butler takes one of speculative fiction's oldest tropes and infuses it with lasting depth and power. Dana not only experiences the cruelties of slavery on her skin but also grimly learns to accept it as a condition of her own existence in the present. "Where stories about American slavery are often gratuitous, reducing its horror to explicit violence and brutality, *Kindred* is controlled and precise" (New York Times).
