Oh, Ick! Joy Masoff,2016-11-01 From the bestselling author of *Oh, Yuck!* and *Oh, Yikes!*, with over 1.25 million copies in print, here is an A-Z compendium of hands-on grossness. Featuring 114 interactive experiments and ick-tivities, *Oh, Ick!* delves into the science behind everything disgusting. Stage an Ooze Olympics to demonstrate viscosity and the nature of slime. Observe how fungi grow by making a Mold Zoo. Embark on an Insect Safari to get to know the creepy crawlies around your home. And learn what causes that embarrassing acne on your face by baking a Pimple Cake to pop—and eat. Eww!

Brothers Yu Hua,2009-01-27 A bestseller in China, *Brothers* is an epic and wildly unhinged black comedy of modern Chinese society running amok. Here is China as we've never seen it before, in a sweeping, Rabelaisian panorama of forty years of rough-and-rumble Chinese history, from the madness of the Cultural Revolution to the equally rabid madness of extreme materialism. Yu Hua, award-winning author of *To Live*, gives us a surreal tale of two comically mismatched stepbrothers, Baldy Li, a sex-obsessed ne'er-do-well, and the bookish, sensitive Song Gang, who vow that they will always be brothers—a bond they will struggle to maintain over the years as they weather the ups and downs of rivalry in love and making and losing millions in the new China. Both tragic and absurd by turns, *Brothers* is a fascinating vision of an extraordinary place and time.

Chronicle of a Blood Merchant Yu Hua,2007-12-18 From the acclaimed author of *Brothers* and *China in Ten Words*: here is Yu Hua's unflinching portrait of life under Chairman Mao. A cart-pusher in a silk mill, Xu Sanguan augments his meager salary with regular visits to the local blood chief. His visits become lethally frequent as he struggles to provide for his wife and three sons at the height of the Cultural Revolution. Shattered to discover that his favorite son was actually born of a liaison between his wife and a neighbor, he suffers his greatest indignity, while his wife is publicly scorned as a prostitute. Although the poverty and betrayals of Mao's regime have drained him, Xu Sanguan ultimately finds strength in the blood ties of his family. With rare emotional intensity, grippingly raw descriptions of place and time, and clear-eyed compassion, Yu Hua gives us a stunning tapestry of human life in the grave particulars of one man's days.

Burp, Spit & Fart Julia Garstecki,2019-03-26 *Burp, Spit & Fart: The Science Behind the Gross Things Babies Do* answers some of the most pressing questions young readers have about their baby siblings—a companion book to *Pick, Spit & Scratch: The Science of Disgusting Habits* and *Sniff, Lick & Scratch: The Science of Disgusting Animal Habits*. Why does a baby's poop change color as it gets older? How do diapers keep all that pee in? Why do babies have to be burped after eating, and how does burping work, anyway? Do all babies suck their thumbs? And why can they put their toes in their mouths? As with the gross things that other humans and animals do, there's a bit of science behind the strange things that babies do. Each spread describes a specific habit or behavior, offering multilayered reading opportunities in the form of weird, disgusting facts that ratchet up the gross factor. Weird baby habits are transformed into relatable concepts for kids. In many cases, the author even debunks commonly held myths described and, in the process, shows that babies, though sometimes weird to older kids, are really just in the process of developing into normal kids. When you need immediate answers to questions about specific icky behaviors, use *Burp, Spit & Fart's* handy glossary and index. Kids will get a thrill out of exclaiming Eww! as they read this book. Parents will love that their children are reading and engaged in scientific inquiry.

Images of the Child Harry Edwin Eiss,1994 Contributors offer different perspectives on advertising, girls' book series, rap music, realistic fiction, dolls, and movies, and demonstrate how images of the child reflect the entire culture. Subjects include female and male sex roles in teen romances, images of children in horror novels, and board games and the socialization of young adolescents. Paper edition (unseen), \$25.95. The Death of an American Jewish Community: A Tragedy of Good Intentions Hillel Levine,2019-08-17 Written by a sociologist and a journalist, *The Death of an American Jewish Community: A Tragedy of Good Intentions* recounts the death of a Boston community once home to 90,000 Jews residing among African-Americans and white ethnics. The frightening personal testimonies and blatant evidence of manipulated housing prices illustrate how inadequate government regulation of banks can contribute to ethnic conflict and lives destroyed. "There were no winners," the authors warn. Hillel Levine and Lawrence Harmon believe that their findings may be true for American cities in general. Had we learned from what went wrong in Boston — blockbusting by a group of banks, federal programs promoting mortgages to people unable to afford them, real estate brokers seeking quick profits —, perhaps the 2008 nationwide real estate meltdown could have been anticipated. The lessons from this book are essential for students of ethnic relations and urban affairs. "This candid, disturbing, and highly readable book recounts how Boston's working-class Jewish neighborhoods were transformed into economically devastated black ghettos." — The New Yorker "Bankers and real-estate brokers still shape the dynamics of daily life in our fragile urban neighborhoods. Levine and Harmon movingly capture the human side of this often destructive process in their story of redlining and blockbusting in Boston during the 1960s. But their book is more than history. It is a lesson about how to understand and improve our cities and neighborhoods, today and in the future." — Raymond L. Flynn, Mayor of Boston, President, U.S. Conference of Mayors "Levine and Harmon are sympathetic to the goals of racial integration but are indignant over the brutality and unfairness that accompanied these orchestrations. Bankers and politicians are indicted here by elaborate court evidence and by supplementary research cited by the authors, who use their insiders' passion (Harmon was born and raised in Dorchester) and professional expertise to forever preserve the corned-beef flavor of old Blue Hill Avenue. As much an elegiac memory book of old Jewish Boston as a searing indictment against her killers." — Kirkus Reviews "Combines the rigor of good scholarship with the obsessive curiosity of good journalism" — J. Anthony Lukas, Author of *Common Ground* "What keeps a community alive? What are the social and historical forces that shape or stifle its aspirations? When does a community soar and when does it yield to resignation? These and other questions take on an urgency of their own in Hillel Levine and Lawrence Harmon's perceptive, brilliant, and disturbing inquiry." — Elie Wiesel, University Professor and Andrew W. Mellon Professor in the Humanities, Boston University "Levine and Harmon have written a prophetic indictment of the real estate speculation and elite indifference that, along with black crimes, destroyed Boston's most vibrant Jewish neighborhoods. Have the courage to take their terrible journey; you will not return unchanged!" — Jim Sleeper, Author of *The Closest of Strangers: Liberalism and the Politics of Race in New York* "This engagingly written and brilliantly illuminating portrait of the destruction of a vibrant Jewish community radically revises our understanding of the process of neighborhood change. The authors also break new ground in portraying the critical role of social class in American life and the powerful, if unconscious, class bias of Jewish communal leaders." — Charles E. Silberman, Author of *A Certain People: American Jews and Their Lives Today*

Factory Man Beth Macy,2014-07-15 The instant New York Times bestseller about one man's battle to save hundreds of jobs by demonstrating the greatness of American business. The Bassett Furniture Company was once the world's biggest wood furniture manufacturer. Run by the same powerful Virginia family for generations, it was also the center of life in Bassett, Virginia. But beginning in the 1980s, the first waves of Asian

competition hit, and ultimately Bassett was forced to send its production overseas. One man fought back: John Bassett III, a shrewd and determined third-generation factory man, now chairman of Vaughan-Bassett Furniture Co, which employs more than 700 Virginians and has sales of more than \$90 million. In *Factory Man*, Beth Macy brings to life Bassett's deeply personal furniture and family story, along with a host of characters from an industry that was as cutthroat as it was colorful. As she shows how he uses legal maneuvers, factory efficiencies, and sheer grit and cunning to save hundreds of jobs, she also reveals the truth about modern industry in America.

The Valley and Daffodils (Rabbit Brook Tales Volume 1) Colin Wilce,2006-04 Rabbit Brook runs through a narrow valley. At the lower end stands the village of Lower Brook where the Brook runs into the Great Water. The main features of the Village are the three bridges that cross the Brook, the uniform stone cottages with shutters for windows, the Park next to the Great Water and the Drink Factory looked after by Sparkling Walter and his wife Min. Young adult bucks work there or on the Terraces way above the Valley only reached by Goose's Neck, 400 winding steps leading up from by the Store and Store Bridge. Older bucks work on the Valley Vegetable Garden next to the Store. The Store Keeper, Pippy Pippin, looks after the Store with his wife Daisy. Their children, the twins Jim and Nat often play with their best friends Sandy Wood and Grace Fern. Once over Store Bridge, the climb up Craggy Path leads to Dance's Corner where Lord and Lady Dance live in the majestic Dance House, with its large lawn and Blossom Tree.
