Excuse You Pig for Burping So Big Sean Ciemiewicz,2015-11-23 Excuse You Pig for Burping So Big is a children's book designed to expose the fun of burping while guiding some basic manners. It is really just for adults and kids to have fun!Dave Utter was the inspiration to the book when he used to tell my children, Excuse You Pig for Burping So Big whenever they burped. They always laughed. I finally decided to expand on this and to have fun writing informal poetry to talk about burps with kids. Finally, after a few years, and a number of attempts to have the book illustrated, I heard that Tia Christiansen, a woman who works in my office, was an artist. I gave her the book and she immediately was able to put together sketches for the book. She was amazing and really made the words come to life. I am certain she has a future as an artist for children's books!We really hope you enjoy the book as much as we enjoyed creating it... I may have a few more books in the near future.
