Computer-Human Interaction Seongil Lee,Hyunseung Choo,Sungdo Ha,In Chul Shin,2008-07-04 Welcome to the proceedings of APCHI 2008, the 8th Asia-Pacific Conference on Computer-Human Interaction held in Seoul, Korea. Following the success of the preceding APCHI conferences, in Singapore (1996, 2000), Australia (1997), Japan (1998), China (2002), New Zealand (2004) and Taiwan (2006), the 8th APCHI brought together the researchers, developers, practitioners, and educators in the field of human-computer interaction. APCHI has been a major forum for scholars and practitioners in the Asia-Pacific region on the latest challenges and developments in HCI. Theoretical breakthroughs and practical systems and interfaces were presented at this 2008 conference, thanks to the support of KADO, the HCI ITRC of Sungkyu- wan University, and KIST. APCHI 2008 featured a comprehensive program including keynote speeches, regular paper presentations, poster, demos, and special panel sessions. To address the challenge of socially blending ubiquitous computing technologies and a wider spectrum of people with a variety of skills, knowledge, and capabilities, APCHI 2008 set "Universal and Ubiquitous" as the conference theme. APCHI 2008 attracted a total of 151 paper submissions. Among such a large number of submissions, 45 full papers were accepted as submitted or with minor revisions. All papers were reviewed by at least two reviewers. For the remaining submissions, 41 were recommended to change according to the reviews and were submitted as extended abstracts and posters. One special session with six invited papers was organized to support the conference theme of "Universal and Ubiquitous."

The Cambridge Companion to K-Pop Suk-Young Kim,2023-02-28 How did Korea with a relatively small-scale music industry come to create a vibrant pop culture scene that would enthrall not only young Asian fans but also global audiences from diverse racial and generational backgrounds? From idol training to fan engagement, from studio recording to mastering choreographic sequences, what are the steps that go into the actual production and promotion of K-pop? And how can we account for K-pop's global presence within the rapidly changing media environment and consumerist culture in the new millennium? As an informed guide for finding answers to these questions, The Cambridge Companion to K-Pop probes the complexities of K-pop as both a music industry and a transnational cultural scene. It investigates the meteoric ascent of K-pop against the backdrop of increasing global connectivity wherein a distinctive model of production and consumption is closely associated with creativity and futurity.

Technology Application in Tourism in Asia Azizul Hassan,2022-03-02 This book very specifically focuses on technology application in tourism in Asia. The book contains twenty-seven chapters in four sections (i.e., theories, innovations, practices, and future research directions), based on the intriguing qualities and importance of technology applications in the Asian tourism business. This book, a blend of comprehensive and extensive efforts by the contributors and editor, is designed to extensively cover technology applications in tourism in Asia, including distinct topics such as mobile computing, new product designs, innovative technology usages in tourism promotion, technology-driven sustainable tourism development, location-based apps, mobility, accessibility, the post crisis situation of COVID-19, etc. This book is a significant contribution towards the very limited knowledge of technology applications in tourism, with selected examples of Asian countries. The importance of technology in Asian tourism is rapidly increasing, and has led to a rise in luxury, allowing citizens to enjoy leisure travel over both long and short distances. The rise of low-cost airlines and the region's growing, affluent middle class have changed the tourism environment dramatically. More tourists are booking their holidays online as a result of technological advancements. Online travel is the most important and well-established aspect of Asia's Internet economy. Considering the ongoing trend of technology applications in the tourism industry in Asia, more research attempts like this book need to be made aiming towards exploring diverse aspects. As tourism is an expanding area, this book can serve as a reading companion for tourism students, policy planners and industry professionals. This book is expected to be appreciated by expatriate researchers and researchers having a keen interest in the Asian tourism industry.

Routledge Handbook of East Asian Popular Culture Koichi Iwabuchi,Eva Tsai,Chris Berry,2016-12-01 Since the 1990s there has been a dramatic increase in cultural flows and connections between the countries in the East Asian region. Nowhere is this more apparent than when looking at popular culture where uneven but multilateral exchanges of Japanese, Korean, Taiwanese, Hong Kong and Chinese products have led to the construction of an 'East Asian Popular Culture'. This is both influenced by, and in turn influences, the national cultures, and generates transnational co-production and reinvention. As East Asian popular culture becomes a global force, it is increasingly important for us to understand the characteristics of contemporary East Asian popular culture, and in particular its transnational nature. In this handbook, the contributors theorize East Asian experiences and reconsider Western theories on cultural globalization to provide a cutting-edge overview of this global phenomenon. The Routledge Handbook of East Asian Popular Culture will be of great interest to students and scholars of a wide range of disciplines, including: Cultural Studies, Media Studies, Communication Studies, Anthropology, Sociology and Asian Studies in general.

Tourism and Regional Science Soushi Suzuki,Karima Kourtit,Peter Nijkamp,2021-07-27 This book provides new roads, perspectives, and a synthesis for tourism and regional science research. Tourism has become one of the most dynamic sectors in the economy and has exhibited a structurally growing importance over the past decades. In many countries the economic significance of tourism now exceeds that of traditionally strong sectors like agriculture or transportation. It is noteworthy that in recent times, tourism research has gained great momentum from the perspective of: the leisure society; the psychological tension between hard work and a more relaxed lifestyle; and the productivity-enhancing or productivity-diminishing effects of leisure, recreation, and tourism. An abundance of new literature in the field of tourism management can also be found, for instance, in the areas of hospitality management, cultural events management, destination competitiveness policy and marketing, and transportation and logistics strategies, while much attention is also being paid to the opportunities provided by digital technology for the tourism sector. In addition, in the light of the many negative externalities of a rapidly growing tourism sector, there is also an abundant literature on the environmental and sustainability effects of tourism. This book has the following objectives: to explore the interwoven connection between regional science and tourism research; to

suggest promising pathways for innovative regional science research at the interface of tourism and space; and to demonstrate the need for a new perspective on the tourism and regional science nexus by means of empirical studies.

FAQs About Busan Tour Books

What is a Busan Tour PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Busan Tour PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Busan Tour PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Busan Tour PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Busan Tour PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
