The George W. Bush Joke Book Nelson David, 2001 George Dubya Bush, now a leader of the free world, seems set on carving out a reputation as President of the incomprehensible statement and downright funny one-liner. The Truth (with Jokes) Al Franken, 2005

Bush-Whacked Leland Gregory, 2009-06-15 It's important for people to know that I'm the president of everybody. -- President George W. Bush, from Air Force One, January 14, 2005 Who Leland Gregory voted for in the 2004 presidential election is his business. But when George W. Bush won a second term, Gregory had to be doing cartwheels around his computer. The humorist, after all, makes a career of recording human behavior at, let's just say, its less-than-brilliant moments. Bush-Whacked does a thorough job of tracking the president's language mangling as well as the inept bungling of his administration: * And so during these holiday seasons, we thank our blessings . . . --GWB at Fort Belvoir, Va., December 21, 2004. * Through bureaucratic mismanagement, parts for a top-secret spy plane, originally intended for destruction, were discovered being auctioned off on eBay. --New York Post * (T)he illiteracy level of our children are appalling. --GWB, Washington, D.C., January 23, 2004 With his expert nose for nuttiness, Gregory includes numerous perplexing quotes, wacky anecdotes, and weird one-liners in this hysterical collection. This isn't the president at his finest, just Dubya at his funniest.

Jokes My Mother Never Told Me Mark Barry, 1992 Today's most outrageous jokes told the way they should be--with no guilt, shame, or beating around the bush. These jokes are so off-color and gross that not even Sam Kinison or Andrew Dice Clay would touch them! Barry has appeared on the Regis Philbin Show and hundreds of humorous TV commercials.

Dumbass Jules Carlisle, 2006-08 This volume is a complete collection of outrageous quotes from President George W. Bush. Both hysterically funny and utterly infuriating, the text escorts readers humorously through years of George's verbal carnage.

101 President Jokes Melvin Berger, 1989-12-01 Presents a collection of jokes by and about each of the presidents from George Washington to George Bush

Still More George W. Bushisms Jacob Weisberg, 2003-11-04 There's an old saying in Tennessee -- I know it's in Texas, probably in Tennessee -- that says, fool me once, shame on -- shame on you. Fool me -- you can't get fooled again. With signature remarks like these, it's hardly surprising that George W. Bush's malapropisms have become renowned around the world. Editions of Bushisms have become bestsellers in Germany, France, and Italy, and they remain as popular in the United States as ever. Jacob Weisberg, faithful scribe, here presents the best of the latest crop: There's only one person who hugs the mothers and the widows, the wives and the kids upon the death of their loved one. Others hug but having committed the troops, I've got an additional responsibility to hug and that's me and I know what it's like. I'm the master of low expectations. First, let me make it very clear, poor people aren't necessarily killers. Just because you happen to be not rich doesn't mean you're willing to kill.

Politics Is a Joke! S. Robert Lichter,2018-09-03 Does late night political humor matter? Are late-night comedians merely entertaining, or do they have the power to influence the way we think about politics and politicians? *Politics Is a Joke!* situates late night comedy in the historical context of political humor and demonstrates how the public turn to this venue for political information, and are in turn affected by it. Using exclusive data collected by the Center for Media and Public Affairs, the authors conduct a detailed and exhaustive analysis of political jokes on late night TV shows dating back to 1992 in order to pinpoint the main targets and themes of late-night comedy. *Politics Is a Joke!* uses a wide range of examples, from jokes about politicians' physical appearance and sex scandals to jokes about Congress and even the news media, to assess and understand the impact of political humor on political institutions, politicians and their policies and behavior. Engagingly written with analysis of jokes from comedians like Jay Leno, Conan O'Brien, Jon Stewart and Stephen Colbert, *Politics is a Joke!* is essential reading for anyone who wants to understand the crucial role late night comedy plays in our political universe - and anyone who enjoys a good laugh.

Am-Bushed! Leland Gregory,2009-06-15 Readers just can't get enough tales of government gaffes, and no one spotlights stupidity like best-selling humorist Leland Gregory. President George W. Bush and his administration

can't seem to stop goofing up, and Gregory can't help writing about it. Am-Bushed! is a hilarious rundown of the mishaps, mistakes, mispronunciations, malapropisms, and misunderestimations committed by Dubya and his administration, including: * You took an oath to defend our flag and our freedom, and you kept that oath underseas and under fire. --George W. Bush, Washington, D.C., January 10, 2006 * There's a-some of the greatest programs, initiatives come out of our faith-based programs or faith-based churches or synagogues or mosques. --George W. Bush, Washington, D.C., January 30, 2003 * The will of the United States can be shaken by suiciders . . . And suiciders who are willing to drive up to a Red Cross center, a center of international help and aid and comfort, and just kill . . . the strategy remains the same. The tactics to respond to more suiciders driving cars will alter on the ground. --George W. Bush, White House, October 28, 2003

Have Jokes, Will Travel James Cason, 2006-08 What is the one thing we have in common? We love to laugh! From the car that creates its own music out of thin air and a mass murderer appearing on Jeopardy to the strange way in which the hunt for Osama bin Ladin first began, *Have Jokes, Will Travel* has it all. Author James Alan Cason provides an entertaining collection of witticisms as he ponders every topic imaginable: I wonder what tooth fairies do with all those teeth. They probably sell them to old people. Wayne is a recruiter for McDonalds. High school guidance counselors provide him with the names of students who definitely have no future. Question: What's another name for the material used during cosmetic surgeries? Answer: Ugly-be-gone. I refuse to eat German Chocolate cake! I'm not eating anything that was baked by a Nazi. Nothing is off limits for Cason, so if you love to laugh, you're in luck. Sit back, take a break from reality and enjoy the comedy in *Have Jokes, Will Travel*.

The Mocking of the President Gerald Gardner, 1989 Looks at the humor of candidates, journalists, political satirists, comedians, and editorial cartoonists in presidential campaigns

The Truth (with Jokes) Al Franken, 2005 A follow up to Al Franken's worldwide bestseller LIES AND THE LYING LIARS WHO TELL THEM, this new book will expose the lies and deceptions of the politicians and the media in the runup to the 2004 presidential elections including Franken's comments on the results. Bad Taste Celebrity Jokes Bella La Balle, 1993-10 This celebrity roast chars the stars, as entertainers from Prince to Madonna, political figures like the Kennedys and Bushes, and even religious icons including the Pope and Mother Teresa get trashed. Global Village Idiot John O'Farrell, 2007-12-01 In this collection of acid-tongued essays, "the U.K.'s answer to Dave Barry" skewers his American cousins (Publishers Weekly). Winner of the Best Columnist of the Year at the British Liars' Awards and Britain's finest satirist, John O'Farrell takes dead aim at cell phones, awards ceremonies, genetic sheep splicers, America's right-wing cabal of dunces, dunderheads, dimwits, and the Big D himself. "Just when we thought the lawlessness in Iraq was over," O'Farrell observes, "even more blatant incidents of looting have begun. With handkerchiefs masking their faces, two rioters roughly the height of George Bush and Donald Rumsfeld kicked in the gates of the largest oilfield and grabbed the keys of the gasoline trucks. 'Yee-haw!

It's all ours! Millions of barrels of the stuff,' they laughed. 'Yup!' added the leader, 'and this mask guarantees my anonymosity!' So after all these years there really is such a person as the Thief of Baghdad. Except strangely his accent sounded vaguely Texan." A writer for the groundbreaking television show Spitting Image and contributor to the screenplay for the hit movie Chicken Run, O'Farrell meticulously researched his conclusions by spending five minutes on the Internet and then giving up. And while O'Farrell's sharpest barbs and stingers have often been written to come out of the mouths of grotesque puppets and Claymation chickens, this time around he keeps the best lines for himself: "With the election of the 43rd President of the United States, the global village is complete," O'Farrell writes. "It has its own global village idiot."

On the early years: I wouldn't have had anything to eat if it wasn't for the stuff the audience threw at me. On growing old: Age is only a number. However, in my case, it's a rather large number.
