Plans to Prosper: Stan Washington,Victoria Cook,2014-12-07 Learn how to choose a marketing strategy that's right for you. Market in a short period of time on a small budget while increasing visibility, raising buyer awareness, and growing sales using our step-by-step High Achieving Marketing Process™. Take out the guess work and save money. Many business owners often feel as though they're "winging it" as they carry on day to day. They lack a plan or resources to keep them focused. Also, they aren't reaching their financial goals. Does that sound familiar? Plans to Prosper: Strategies, Systems and Tools for Small Business Marketing Success is a step-by-step guide to growing businesses through effective marketing. We take the guess work out of marketing strategies in order to help save you money. In this book, you will learn how to:* Choose a marketing

strategy that's right for you.* Market in a short period of time on a small budget while increasing visibility, raising buyer awareness, and growing sales. Profit from the marketing mistakes small business owners have made and how to avoid making the same mistakes. We also provide examples, tips, resources, and warnings to help guide your business toward focused growth. Victoria Cook, founder and managing director for The Center for Guilt-Free Success, helps women entrepreneurs grow their businesses through coaching and training. Known for her proprietary 7-step Guilt-Free RESULTS™ process, Victoria often is in demand as a speaker. She was named a Business Brick Builder by the International Coach Federation Chicago Chapter in 2013. Her innovative approach reflects her commitment to building the strengths of her clients as she helps them market their businesses more confidently and easily. Stan Washington, a McDonald's executive turned entrepreneur is founder and president of Honor Services Office, software that helps small business grow sales, market businesses, and process invoices easily. He has helped thousands of small businesses achieve sales into the millions. His leadership of operations and technology enabled multi-billion dollar corporations to increase sales and he is ready to share their tips. Stan also is the co-author of Peaceful Selling: Easy Sales Techniques to Grow Your Small Business. Victoria and Stan met while serving on a local board of the International Coach Federation, an organization with 22,000 members. After discovering they shared a similar approach and mindset to marketing, they became passionate about working together to create a tool business owners like you could use to save money and grow a business simultaneously. The result is this resource.

The Fast Track Photographer Business Plan Dane Sanders, 2010-12-14 NEW RULES FOR A NEW BUSINESS WORLD Thinking about starting a photography business? The first thing you need to know is that the rules have changed. Yesterday's business models have collapsed. Creating a successful business in today's Digi-Flat era requires a sharp new approach, one that Dane Sanders has practiced successfully and taught at Fast Track workshops and seminars all around the world. Some of the things you'll learn in this book: How to turn the very technologies that are killing professional photography—such as the Internet—into your tools of success -How to lead your business, not let your business lead you -How systematizing, scaling, and outsourcing are critical concepts even for a one-person business -How to radically rethink marketing, sales, and customer service for the 21st century -How to hone a creative vision that works—the most powerful step you can take as a businessperson The Fast Track Photographer Business Plan is not about building a traditional business plan that looks good on paper and impresses investors. It's about creating a vibrant, living business plan that will help you thrive in today's digital Wild West, where creative content is freely distributed, where no one plays by the rules anymore, and where customers have unprecedented freedom in choosing what to buy and whom to hire. It's a groundbreaking look at running a creative business. Whether you're an amateur looking to go pro or a professional whose business has stalled, Dane's practical, on-the-ground advice will launch you on the fast track to business success. Includes free access to Dane's online stress test to diagnose your business's strengths—as well as where it needs help!

The Business Ethics Twin-Track Steve Giles, 2015-04-08 Institute a proactive reputational management framework that matches individual behaviour to organizational values The Business Ethics Twin-Track is a practical guide to reputational risk management. A deep exploration of the concept of reputation, the ways in which it can suffer, and the consequences when it does, the book outlines an ethics controls framework that can mitigate risk and improve business performance. Readers will learn how to identify and manage weaknesses, and how to institute a system of governance that embeds proper, ethical conduct into the corporate culture. A clear set of controls and procedures provides actionable instruction that can be customised to suit the organisational structure, and discussion of historical and international ethics provides the context for implementation. Case studies illustrate the real-world applications, while interviews with executives from a variety of sectors provide important practical insights into some of the key issues discussed in the book. The law regulates behaviour in health and safety and financial crime, but otherwise, conduct is largely determined by the culture, ethics and values of an organisation. Effective reputation management is complex, and often difficult to achieve, as much of the available information on the topic is more theoretical than practical. This book bridges the gap by providing the tools that will help managers to: Implement a modern ethics control framework, encompassing codes, officers, reporting lines and training Consider the role of the media and social media in reputational damage to individuals and organisations Analyse the key controls in responsibility and governance frameworks from around the world Determine the causes and controls of conduct risk, including incompetence, negligence and criminality Today's fast-paced media environment means corporate reputations can be obliterated in moments, and damage limitation is often too little, too late. Adopting the measures set out in this book will embed ethics into the culture, and match people's behaviours to the organisation's values.
