Jayne A-Blaze Holden Ram, 2021-06-29 Derek and his beautiful hotwife Jayne return to the resort famous for well-endowed men and the women who desire them. Jayne, with red hair, full breasts, and long legs, loves finding the most well-hung men. She spreads her legs for any man she likes, white or black. But this time, her sexually repressed mom Barb wants to come along! The only man she ever had was her late husband—and now she wants to visit this resort but only to meet people and observe, not to participate. While she enters this new environment, Derek watches Jayne get serviced by men he can never hope to compete with. Derek and Jayne encourage Barb to open her mind, while also meeting newcomers and old friends. One wannabe hotwife examines Derek's privates and finds him much better endowed than her husband. And when another wannabe hotwife can't find the right man, Jayne makes an exception and allows Derek to service her—given that he's much better endowed than this woman's husband. Meanwhile, Barb converses with various couples. At one woman's request, she even measures the husband's member and finds it seriously lacking. Little by little, she becomes more comfortable with her surroundings. Derek and Jayne assure her that she can try a new adventure if she wants. The big question is, how far will she go? ~~~~~ PG Excerpt ~~~~~ "I remember hearing about swingers who trade partners. I never approved, but I understand a trade. Why would any man tolerate this hotwife thing?" "Maybe I don't entirely get it, either, but if we're both happy, who cares?" "That's right, isn't it? It's nobody else's business." I stuck one foot out from under the table. "Take a look at my ankle bracelet." "Gold. That's very nice." "See the pendant?" "The shape of a fox." "A vixen, Mom. It means I'm a certain kind of hotwife, who has a husband who's a stag. He has a strong personality, not a cuckold." "My, my, there's so much I don't know." She took a deep breath. "I want to go. Will you take me?" "What?" That was an even bigger shock than seeing her with the video. I thought she just wanted to ask me what the resort was like and leave it at that. "You, uh, are you sure? Do you understand what it's really like?" "It says clothing optional. So I don't have to be nude." "That's true, Mom, but have you looked at everything on the website?" She gave me an impish smile, almost like a naughty child. It was a look I had never seen from her before. "Like I said, I'm aware of getting old. I suppose I'll just, you know, see the sights and enjoy the Caribbean climate. Sure I'll feel awkward when we get there. But I'm realistic. No man is going to take a second look at me with all those beautiful young women around, so I'll just enjoy the atmosphere and maybe talk to some interesting people. And you must know I couldn't bring myself to go alone. But if I go with you and Derek, I think I can do this." "Okay, if you're sure," I said, as a sudden realization came to me: She had been alone for some years now and obviously had decided that she did not just want to watch TV and go online until she withered up and died. Doing something a little crazy was exactly what she needed. \*\*\*\*\* Derek So the three of us flew to Hotwife Isle together. I arranged a bungalow next to ours for my mother-in-law, Barb. As always, we were polite and friendly on the flight, but never talked about the resort. After checking in, we ate a late lunch together. Then we agreed to meet right outside our bungalows in an hour. "I think I better wear my swimsuit," I told Jayne after we showered. Usually we both were nude at all times here, except for the main restaurant and the coffee shop because of their rules for sanitation. "Barb said she'd wear a swimsuit." Jayne was toweling her cloud of red hair. "I told her in private you and I are always nude here. She understands that almost everybody will be." "Not everybody is her son-in-law." "I'll be nude," she said with a little smile. "My flip-flops and ankle bracelet don't count." Even so, I pulled on my trunk-style swimsuit, which Jayne had picked out for the blue and white tropical pattern on it. Even though I usually didn't wear one here, I always made sure I had one with me. I wore my phone in an arm holder. "You're not far from being nude," said Jayne. "That thing's snug. You're showing a hell of a bulge."

*How to Change Your Mind* Michael Pollan, 2019-05-14 Now on Netflix as a 4-part documentary series! "Pollan keeps you turning the pages . . . cleareyed and assured." —New York Times A #1 New York Times Bestseller, New York Times Book Review 10 Best Books of 2018, and New York Times Notable Book A brilliant and brave investigation into the medical and scientific revolution taking place around psychedelic drugs--and the spellbinding story of his own life-changing psychedelic experiences When Michael Pollan set out to research how LSD and psilocybin (the active ingredient in magic mushrooms) are being used to provide relief to people suffering from difficult-to-treat conditions such as depression, addiction and anxiety, he did not intend to write what is undoubtedly his most personal book. But upon discovering how these remarkable substances are improving the lives not only of the mentally ill but also of healthy people coming to grips with the challenges of everyday life, he decided to explore the landscape of the mind in the first person as well as the third. Thus began a singular adventure into various altered states of consciousness, along with a dive deep into both the latest brain science and the thriving underground community of psychedelic therapists. Pollan sifts the historical record to separate the truth about these mysterious drugs from the myths that have surrounded them since the 1960s, when a handful of psychedelic evangelists inadvertently catalyzed a powerful backlash against what was then a promising field of research. A unique and elegant blend of science, memoir, travel writing, history, and medicine, *How to Change Your Mind* is a triumph of participatory journalism. By turns dazzling and edifying, it is the gripping account of a journey to an exciting and unexpected new frontier in our understanding of the mind, the self, and our place in the world. The true subject of Pollan's mental travelogue is not just psychedelic drugs but also the eternal puzzle of human consciousness and how, in a world that offers us both suffering and joy, we can do our best to be fully present and find meaning in our lives.

*It Happened One Summer* Tessa Bailey, 2021-07-13 The first in a spicy and unforgettable rom-com duology from #1 New York Times bestseller and tik tok favorite Tessa Bailey, in which a Hollywood "It Girl" is cut off from her wealthy family and exiled to a small Pacific Northwest beach

town... where she butts heads with a surly, sexy local who thinks she doesn't belong. Piper Bellinger is fashionable, influential, and her reputation as a wild child means the paparazzi are constantly on her heels. When too much champagne and an out-of-control rooftop party lands Piper in the slammer, her stepfather decides enough is enough. So he cuts her off, and sends Piper and her sister to learn some responsibility running their late father's dive bar... in Washington. Piper hasn't even been in Westport for five minutes when she meets big, bearded sea captain Brendan, who thinks she won't last a week outside of Beverly Hills. So what if Piper can't do math, and the idea of sleeping in a shabby apartment with bunk beds gives her hives. How bad could it really be? She's determined to show her stepfather—and the hot, grumpy local—that she's more than a pretty face. Except it's a small town and everywhere she turns, she bumps into Brendan. The fun-loving socialite and the gruff fisherman are polar opposites, but there's an undeniable attraction simmering between them. Piper doesn't want any distractions, especially feelings for a man who sails off into the sunset for weeks at a time. Yet as she reconnects with her past and begins to feel at home in Westport, Piper starts to wonder if the cold, glamorous life she knew is what she truly wants. LA is calling her name, but Brendan—and this town full of memories—may have already caught her heart. As seen on E!Online, PopSugar, CNN, EliteDaily, Vulture, BuzzFeed, Bustle, the Nerd Daily, PARADE, LA Magazine, Country Living, USA Today, and more!

And they are stories that offer a direct line into the thoughts and life of one of the most visible, hard-working humanitarians we have. One Day We'll All Be Dead and None of This Will Matter Scaachi Koul, 2017-05-02 One of NPR's Best Books of the Year A DEBUT COLLECTION OF FIERCE, FUNNY ESSAYS ABOUT GROWING UP THE DAUGHTER OF INDIAN IMMIGRANTS IN WESTERN CULTURE, ADDRESSING SEXISM, STEREOTYPES, AND THE UNIVERSAL MISERIES OF LIFE In *One Day We'll All Be Dead and None of This Will Matter*, Scaachi Koul deploys her razor-sharp humor to share all the fears, outrages, and mortifying moments of her life. She learned from an early age what made her miserable, and for Scaachi anything can be cause for despair. Whether it's a shopping trip gone awry; enduring awkward conversations with her bikini waxer; overcoming her fear of flying while vacationing halfway around the world; dealing with Internet trolls, or navigating the fears and anxieties of her parents. Alongside these personal stories are pointed observations about life as a woman of color: where every aspect of her appearance is open for critique, derision, or outright scorn; where strict gender rules bind in both Western and Indian cultures, leaving little room for a woman not solely focused on marriage and children to have a career (and a life) for herself. With a sharp eye and biting wit, incomparable rising star and cultural observer Scaachi Koul offers a hilarious, scathing, and honest look at modern life.

**Azaleas** So-wŏl Kim, 2007 Available for the first time in English, *Azaleas* is a captivating collection of poems by a master of the early Korean modernist style. Published in 1925, *Azaleas* is the only collection Kim Sowol (1902-1934) produced during his brief life, yet he remains one of Korea's most beloved and well-known poets. His work is a delightful and sophisticated blend of the images, tonalities, and rhythms of traditional Korean folk songs with surprisingly modern forms and themes. Sowol is also known for his unique and sometimes unsettling perspective, expressed through loneliness, longing, and a creative use of dream imagery—a reflection of Sowol's engagement with French Symbolist poetry. *Azaleas* recounts the journey of a young Korean as he travels from the northern P'yongyang area near to the cosmopolitan capital of Seoul. Told through an array of voices, the poems describe the young man's actions as he leaves home, his experiences as a student and writer in Seoul, and his return north. Although considered a landmark of Korean literature, *Azaleas* speaks to readers from all cultures. An essay by Sowol's mentor, the poet Kim Ok, concludes the collection and provides vital insight into Sowol's work and life. This elegant translation by David R. McCann, an expert on modern Korean poetry, maintains the immediacy and richness of Sowol's work and shares with English-language readers the quiet beauty of a poet who continues to cast a powerful spell on generations of Korean readers.

*Everybody Has a Belly Button* Cerina Vincent, 2022-03-08 Everybody has a bellybutton, Everybody has a nose, Everybody has a mouth, Everybody has toes. Everybody has hair . . . Some have black or brown or blonde or red, Some have gray or silver on their head. The different colors all aglow . . . Make everybody special, like a rainbow. *Everybody Has a Belly Button* is a timeless and delightful book for babies and toddlers that teaches our youngest readers about skin color, equality, and equity in the same way we teach our babies to find their belly button, nose, eyes, and toes. Cerina Vincent's effortless rhymes and Zoi Hunter's digital watercolor designs illustrate that “every body” is the same. And the subtle differences in our bodies’ colors (eyes, hair, skin) is what makes us all beautiful and special, “like a rainbow.” Babies learn through rhyme—it boosts brain activity and early literacy—and *Everybody Has a Belly Button* starts the conversation about racial equality

immediately while also tenderly pointing out their other tiny body parts.

**Open Book** Jessica Simpson, 2020-02-04 The #1 New York Times Bestseller Jessica reveals for the first time her inner monologue and most intimate struggles. Guided by the journals she's kept since age fifteen, and brimming with her unique humor and down-to-earth humanity, Open Book is as inspiring as it is entertaining. This was supposed to be a very different book. Five years ago, Jessica Simpson was approached to write a motivational guide to living your best life. She walked away from the offer, and nobody understood why. The truth is that she didn't want to lie. Jessica couldn't be authentic with her readers if she wasn't fully honest with herself first. Now America's Sweetheart, preacher's daughter, pop phenomenon, reality tv pioneer, and the billion-dollar fashion mogul invites readers on a remarkable journey, examining a life that blessed her with the compassion to help others, but also burdened her with an almost crippling need to please. Open Book is Jessica Simpson using her voice, heart, soul, and humor to share things she's never shared before. First celebrated for her voice, she became one of the most talked-about women in the world, whether for music and fashion, her relationship struggles, or as a walking blonde joke. But now, instead of being talked about, Jessica is doing the talking. Her book shares the wisdom and inspirations she's learned and shows the real woman behind all the pop-culture clichés — "chicken or fish," "Daisy Duke," football jinx, "mom jeans," "sexual napalm..." and more. Open Book is an opportunity to laugh and cry with a close friend, one that will inspire you to live your best, most authentic life, now that she is finally living hers.
