**The Fisherman's Son** Joseph M. Orlando, 2004-05-27 The Fisherman's Son, set on the rustic and rocky coast of Gloucester, New England's oldest seaport, is a tale of legal and emotional conflict, passion and a people's quest for justice. John Palermo, Sicilian by birth, was sent by his dying Papa, alone and terrified, at the tender age of ten, to live with the Amicos in Gloucester. Accepted by a loving family and taken in by a community, wedded to the sea, John grew to cherish and finally to defend his people against those forces who would steal their rights and their dignity. The Fisherman's Son is a legal thriller with riveting courtroom confrontations where good and evil stand in stark contrast. It is also a love story, in depths both tender and compelling.

**Troubled Memories** Oswaldo Estrada, 2018-10-01 Analyzes literary and cultural representations of iconic Mexican women to explore how these reimaginings can undermine or perpetuate gender norms in contemporary Mexico. In *Troubled Memories*, Oswaldo Estrada traces the literary and cultural representations of several iconic Mexican women produced in the midst of neoliberalism, gender debates, and the widespread commodification of cultural memory. He examines recent fictionalizations of Malinche, Hernán Cortés's indigenous translator during the Conquest of Mexico; Sor Juana Inés de la Cruz, the famous Baroque intellectual of New Spain; Leona Vicario, a supporter of the Mexican War of Independence; the soldaderas of the Mexican Revolution; and Frida Kahlo, the tormented painter of the twentieth century. Long associated with gendered archetypes and symbols, these women have achieved mythical status in Mexican culture and continue to play a complex role in Mexican literature. Focusing on contemporary novels, plays, and chronicles in connection to films, television series, and corridos of the Mexican Revolution, Estrada interrogates how and why authors repeatedly recreate the lives of these historical women from contemporary perspectives, often generating hybrid narratives that fuse history, memory, and fiction. In so doing, he reveals the innovative and sometimes troublesome ways in which authors can challenge or perpetuate gendered conventions of writing women's lives. "A leading scholar on gender and literature, Oswaldo Estrada delivers a thorough, rigorous, and exciting account on the persistence of female icons in contemporary culture. Steeped in his deep knowledge of Mexico's cultural history, Estrada's book is a key contribution to questions of gender, iconicity, and the interrelations between popular and literary culture—a must read for scholars and students." "Ignacio M. Sánchez Prado, author of *Strategic Occidentalism: On Mexican Fiction, the Neoliberal Book Market, and the Question of World Literature* "By studying the way some of the most prominent female Mexican icons of all time have been reimagined in contemporary fiction and transformed into objects of consumerism, symbols of national identity, and memories of the past, this book fills a dire need in the Mexican studies field. The scholarship is exemplary, the style is impeccable, and reading the author is a pleasure." "Patricia Saldarriaga, Middlebury College

*The Persistence of Memory* Karen Ripley, 1993 Cassidy had no idea who she was or where she came from. Her earliest recollection was of meeting the people who called her a Horseman, for her ability to communicate almost telepathically with her gray mare. But they could tell her nothing about her missing memory, nor did they care. Even the community of farmers who took her in seemed to find her amnesia unremarkable. But Cassidy was plagued by a persistent, nagging doubt that the biggest part of her problem was that the world around her was not her world. Yet when the sight of common, everyday objects -- sunglasses, a saddle, a rifle -- began to trigger a flood of partial memory, Cassidy knew that something was dreadfully wrong. Worse yet, the more she remembered, the more she was certain she had come from a different world -- a realization that threatened not only her sanity, but her very life . . .

**The Boy With Zero Self-Esteem** Aone Ofmany,2019-01-05 We all have heard of the terms and disorders so many of our fellow citizens in society deal with daily: depression, loneliness, anxiety, anger, paranoia, agoraphobia, attempted suicide, incel mindset, being bullied, low self-esteem and the list goes on and on. It is difficult to live a 'normal' happy life with just one of these mental health afflictions. Now imagine living with all of them! This book will open up the life of one ordinary man who started off just like any happy-go-lucky kid, and how he grew up to encompass all the mental conditions listed above. A badly needed real story about the origins of mental health issues in a person who could be just about anybody out there. But more importantly than how he suffered from mental health, this book will reveal how he was able to overcome his issues and demons to achieve a simple and happy ordinary life with his family. That 'normalcy' we all crave deep down. How meditation and cannabis - yes, good ol' weed - helped him find peace and stable mental health. He's only one out the millions of men out there who have looked for love, acceptance, and understanding in this unfair world, and ended up being devastated because of it. But he is also one of those men who was able to change his life for the better. We hope you will enjoy his journey.

**Erased From Memory** Diana O'Hehir,2007-10-02 As they have so many times before, Carla Day and her Egyptologist father are visiting the museum—and the ancient coffin lid he discovered years ago—when a fellow museum-goer falls to the floor, choking. Dr. Day rushes to pry off the poor man's tie, but instead of getting praise, he gets charged with murder by strangulation—and accused of faking Alzheimer's. The charges are dropped when it's learned that the museum-goer isn't dead, but comatose. And when he vanishes, Carla begins to suspect that her father's faulty memory may be the only link between a millennia-old Egyptian death and a present-day California one. "Clever and poignant . . .
