Monster Hunter Justin LaRocca Hansen,2012-10-01 Billy is a monster hunter. That’s because his home is infested with slimy, hairy, creeping, slithering, garbage-eating monsters! One week, Billy does battle with the monsters—in his bedroom, in the bathroom, even in the kitchen. But the problem is that monster hunting is a messy operation, and Billy’s mom isn’t so thrilled about all the messes she continues to find, whether it is water covering the floor, clothes thrown on the furniture, or food strewn about in the kitchen. So, when the hunting goes too far for Mom, Billy learns that monster hunting can—and must—be done with the proper tools. A vacuum or a rag with soapy water does wonders in defeating and cleaning up after a particularly troublesome Mud-Grass monster. With Billy’s new monster-hunting techniques, he and Mom come to an agreement, and Halloween (and the house) is never the same again! Author and illustrator Justin LaRocca Hansen has created a fun and clever story that teaches children the importance of cleaning up after their messes. The whimsical illustrations of Billy happily fighting off his imaginative monsters will capture the attention of young readers, while reminding them to be responsible at home. A must-read for any special monster hunter you may know!

Hunter James Byron Huggins,2018-06-12 A skilled tracker must take down a science experiment gone wrong in the Alaskan wilderness in this thriller from the bestselling author of Dark Visions. In an experiment to extend human life, scientists accidentally tap into the deepest recesses of the human mind and unleash a force that might well be a terrible curse. For in their desire to use a power they did not understand, they unintentionally unleash a force that will spell the end of Mankind if it cannot be destroyed. Now an infected creature is loose in the Alaskan wilderness, and the America military is forced to ask the world’s greatest tracker, Nathaniel Hunter, to locate the beast and destroy it before it reaches a populated area. Hunter can track anything, anywhere, anytime. But he is both horrified and shocked as he begins to follow the creature’s bloody path leading directly toward a city. For the beast is both more powerful and more merciless than any animal Hunter has tracked before. In fact, it seems to embody the most ancient and darkest heart of Man—a power that Mankind has always feared as the greatest Beast of Prey. And as Hunter closes on the beast and the final, bloody battle approaches, he frantically realizes that the scientists may have succeeded all too well in their experiment to extend human life for it may have become unkillable.... Praise for Hunter “Huggins pacing is nonstop; his visual imagination is so compelling....Pure entertainment.”—Publishers Weekly

Hunter Barry Ray,2008-07-25 Hunter Littlejohn was five foot three inches tall, one hundred ten pounds and ablaze with curiosity and the desire for adventure. Her ambitions as well as her disposition were well suited to her flaming red hair. She had a small, upturned nose, sprinkled with freckles and the lilywhite complexion of one of those unique creatures described as a true redhead. Her eyes were emerald green and her lips were full and sensuous, but the set of her jaw usually kept suitors at bay. However, with her shapely legs, full breasts and tiny waist, no man could ignore her, and all would require at least a second look. She treated these admirers with disdain, and still they dreamed about her in their most secret fantasies. This was not the case with Nicholas Kane. Hunter couldn’t for the life of her figure out how to handle this tall, handsome and purely ornery mountain man. Kane was as ruthless and dangerous as he was handsome. She wanted to go west to look for her fiancé, and her best friend Quincy had told her Kane was the only man for the job. Her problem was that Kane refused to take her. At their first meeting, they instinctively hated each other. Eventually she kidnapped Kane, and in the company of her best friend, several muleskinners and two soiled doves from a local saloon, they left Chicago and headed for the Nevada goldfields...

The Fortune Hunter Daisy Goodwin,2014-07-29 Empress Elizabeth of Austria, known as Sisi, is the Princess Diana of nineteenth-century Europe. Famously beautiful, as captured in a portrait with diamond stars in her hair, she is unfulfilled in her marriage to the older Emperor Franz Joseph. Sisi has spent years evading the stifling formality of royal life on her private train or yacht or, whenever she can, on the back of a horse. Captain Bay Middleton is dashing, young, and the finest horseman in England. He is also impoverished, with no hope of buying the horse needed to win the Grand National—until he meets Charlotte Baird. A clever, plainspoken heiress whose money gives her a choice among suitors, Charlotte falls in love with Bay, the first man to really notice her, for his vulnerability as well as his glamour. When Sisi joins the legendary hunt organized by Earl Spencer in England, Bay is asked to guide her on the treacherous course. Their shared passion for riding leads to an infatuation that jeopardizes the growing bond between Bay and Charlotte, and threatens all of their futures. Fate Actually Elizabeth Hunter,2023-10-30 She’s an empath who’s always prepared, but can she handle a supernatural storm of lies, temptation, and murder? Toni Dusi grew up knowing everyone’s business and everyone knowing hers because in Moonstone Cove, you can’t pass a restaurant, farm, or winery that doesn’t have at least one Dusi involved. Despite her family, Toni has managed to carve out a private niche for herself. She has a car shop she loves, a country cottage all to herself, and has carefully avoided any long-term romantic commitments. Then fate handed Toni a shot of supernatural empathy that threw all that out the window of her prized vintage Mustang. Now she’s feeling the mood swings of everyone from her parts guy to her reluctant crush to her second cousin going through a messy divorce. She’s losing her temper, she’s crying a river, and she’s definitely giving in to temptation. But when the body of a longtime family rival turns up at her cousin’s winery, Toni realizes her inconvenient feelings-magic has turned her into one heck of a lie detector. She and her new friends, Katherine and Megan, might be the only ones who can clear her cousin’s name.
