Buzz Katherine Ellison,2010-10-05 An absorbing, sharply observed memoir. -- Kirkus Reviews A hilarious and heartrending account of one mother's journey to understand and reconnect with her high-spirited preteen son—a true story sure to beguile parents grappling with a child's bewildering behavior. Popular literature is filled with the stories of self-sacrificing mothers bravely tending to their challenging children. Katherine Ellison offers a different kind of tale. Shortly after Ellison, an award-winning investigative reporter, and her twelve-year-old son, Buzz, were both diagnosed with attention deficit/hyperactivity disorder, she found herself making such a hash of parenting that the two of them faced three alternatives: he'd go to boarding school; she'd go AWOL; or they'd make it their full-time job to work out their problems together. They decided to search for a solution while Ellison investigated what genuine relief, if any, might be found in the confusing array of goods sold by the modern mental health industry. The number of diagnoses for childhood attention and behavior issues is exploding, leaving parents and educators on a confusing chase to find the best kind of help for each child. Buzz, a page-turner of a memoir, brings much relief. It is immensely engaging, laugh-out-loud funny, and honest—and packed with helpful insights.

Buzz -N- Zipp Benjamin Wolfe,2022-08-01 Born on the Fourth of July 1999, while waiting for the main fireworks display in Prescott, Arizona to begin, zany and lovable Buzz and Zipp, well, sort of popped up, started flying around in my mind, then stopped and looked right at me. It was if they were saying, Hi there! Well, what are you gonna do with us now. So as they started buzzing around in my conscious mind and vision, I was thinking about them and all that would follow. I think I laughed a few times about their curious and funny personalities. What a deal! A dad and a son. Mentor and protégé. A buddy and sidekick. For these two, it had just started. The first episode is an introduction to these two learning and well-meaning East Coast house flies. They move to sort of escape the cold winters but still consider themselves East Coasters. But foremost, they are patriots. They love God, family, each other, and their great country. They also enjoy others from various places and seek to travel to new areas that they have maybe only read or heard about. The second book, The Pilot, is coming afterward, with new adventures to follow in the future. There are so many things to check out, from the atom to the universe and

everything in between. Don't forget history and the happenings back when all the while going to the library to read some stories. Go back in time by way of the theater of the mind! With a little entertainment and education and bits of knowledge all the way through, these two are on track and are going places together! They are always glad to have their new human friends come along for the ride. Time flies and you're havin' fun.

The Washington Square Ensemble Madison Smartt Bell,2011-12-06 Seven men tell their stories of survival on the streets of 1980s New York City in this gritty debut novel by the National Book Award-finalist. Like most New Yorkers, Johnny B. Goode hustles to make a living. His beat happens to be pharmaceutical distribution. His place of business, Washington Square Park. Over the course of one weekend, he and his crew of “retailers” sell their product to students, businessmen, tourists, drifters, and lowlifes, while evading the law and outmaneuvering the competition. It’s a fragile balance that avant-garde saxophonist and all-around nuisance Porco Miserio threatens to upend with his big mouth. As Johnny B. and his crew scramble to maintain their embattled existence, each relates their personal story of life on the fringes of Greenwich Village. Among them are Yusuf Ali, the NBA-sized Muslim whose profession is at odds with his faith; Holy Mother, Johnny B.’s boyhood friend and former Mafia hitman; and Santa Barbara, the Puerto Rican Santeria practitioner who has been deeply spooked. Authentic and original, the chorus of voices captures the streets of New York in all its widescreen splendor and punishing blight. An “atmospherically electric . . . Winning debut,” *The Washington Square Ensemble* introduced a prodigiously gifted new novelist to American readers (Kirkus Reviews). “The most exotic bunch of sweet characters since some of Jack Kerouac’s ‘holy angels’ first came alive in print.” –Los AngelesHerald Examiner

All In Gabra Zackman,2015-07-13 Don’t miss the second installment of Gabra Zackman’s scorching new series. “Stop the wedding!” No bride wants to hear those words, least of all Susannah “Legs” Carter, one of the Bod Squad’s best agents. Jackson wants to help, but he’s a little distracted by Cajun cutie Lisa Bee, his closest coworker. They’ve always been friends, but there’s nothing like a little overseas danger to set sparks flying! As the two work to track a criminal mastermind, will they swap undercover work for under-the-covers play?
