Digital Life on Instagram Elisa Serafinelli,2018-08-31 Discussing the social uses of Instagram, this book shows how visuality is changing people's perception of the world and their mediated lives, illustrating how the platform shapes new social relationships, marketing techniques, privacy and surveillance concerns, and representations of the self, arguing for the development of new mobile visualities.

From Snapshots to Social Media - The Changing Picture of Domestic Photography Risto Sarvas,David M. Frohlich,2011-02-09 From Snapshots to Social Media describes the history and future of domestic photography as mediated by technological change. Domestic photography refers to the culture of ordinary people capturing, sharing and using photographs, and is in a particular state of flux today as photos go digital. The book argues that this digital era is the third major chapter in the 170 year history of the area; following the portrait and Kodak eras of the past. History shows that despite huge changes in photographic technology and the way it has been sold, people continue to use photographs to improve memory, support communication and reinforce identity. The future will involve a shift in the balance of these core activities and a replacement of the family album with various multimedia archives for individuals, families and communities. This raises a number of issues that should be taken into account when designing new technologies and business services in this area, including: the ownership and privacy of content, multimedia standards, home ICT infrastructure, and younger and older users of images. The book is a must for designers and engineers of imaging technology and social media who want a better understanding of the history of domestic photography in order to shape its future. It will also be of value to students and researchers in science and technology studies and visual culture, as a fascinating case study of the evolving use of photographs and photographic technology in Western society.

Social Photography Daniela Bowker,2014-06-02 Hot photo apps come and go, but the practice of shooting and sharing is universal and is now a fundamental part of the way that we communicate with each other. Photos aren't printed on paper anymore - they are displayed on screens; and everywhere they are shown, the viewer is invited to like or share. Social Photography will show you how to create photos that will be clicked on, liked, shared, and - if you want - go viral. A must-read for anyone who takes their online presence seriously, this book will show you how to give your photos a fresh look, give you hundreds of posing and shooting ideas, and let you share your life's most exciting moments wider than ever before.

The Everything Store Brad Stone,2013-10-15 The authoritative account of the rise of Amazon and its intensely driven founder, Jeff Bezos, praised by the Seattle Times as the definitive account of how a tech icon came to life. Amazon.com started off delivering books through the mail. But its visionary founder, Jeff Bezos, wasn't content with being a bookseller. He wanted Amazon to become the everything store, offering limitless selection and seductive convenience at disruptively low prices. To do so, he developed a corporate culture of relentless ambition and secrecy that's never been cracked. Until now. Brad Stone enjoyed unprecedented access to current and former Amazon employees and Bezos family members, giving readers the first in-depth, fly-on-the-wall account of life at Amazon. Compared to tech's other elite innovators -- Jobs, Gates, Zuckerberg -- Bezos is a private man. But he stands out for his restless pursuit of new markets, leading Amazon into risky new ventures like the Kindle and cloud computing, and transforming retail in the same way Henry Ford revolutionized manufacturing. The Everything Store is the revealing, definitive biography of the company that placed one of the first and largest bets on the Internet and forever changed the way we shop and read.

New York Magazine ,1987-01-12 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Rabbit-cadabra! James Howe,2007-08-07 When Chester learns that the Amazing Karlovsky will use a rabbit in his school magic show, he comes up with a plan to stop vampire bunnies.

Abby Carnelia's One and Only Magical Power David Pogue,Antonio Javier Caparo,2010-04-27 SILLY MAGICAL POWERS, KIDS ON THE RUN. In a whimsical debut novel from the popular technology writer. One day, Abby Carnelia, ordinary sixth grader, realizes she has a magical power. Okay, it's not a fancy one (she can make a hard-boiled egg spin by tugging on her ears). But it's the only one she has, and it's enough to launch her into an adventure where she meets a host of kids with similarly silly powers, becomes a potential guinea pig for a drug company, and hatches a daring plan for escape. Kids will be dying to unearth their own magical powers after reading this whimsical debut by tech personality David Pogue.

Digital Poetry Jeneen Naji,2021-02-27 This book examines contemporary forms of digital poetry in emerging technologies such as drones, machine learning, Instagram, virtual reality and mobile devices. Theoretical frameworks that engage with posthumanism, multimodality, hermeneutics and eco-writing are used to examine the changing shape of the literary artefact in the second age of machines. The book contextualises the necessity of a multidisciplinary approach for a complex artefact and gives a broad overview of the field and history of digital poetry as a subset of the genre of electronic literature. Naji examines Instapoetry and the literary algorithm, haptic hermeneutics and poetry apps. The discussion also engages with eco-writing and drone poetry, poetic mirror worlds, and mixed reality poetry, concluding with an examination of the future of poetics and literary expression in the second age of machines.

Leaf Man Lois Ehlert,2005 Fall has come, the wind is gusting, and Leaf Man is on the move. Is he drifting east, over the marsh and ducks and geese? Or is he heading west, above the orchards, prairie meadows, and spotted cows? No one's quite sure, but this much is certain: A Leaf Man's got to go where the wind blows. With illustrations made from actual fall leaves and die-cut pages on every spread that reveal gorgeous landscape vistas, here is a playful, whimsical, and evocative book that celebrates the natural world and the rich imaginative life of children. Includes an author's note and leaf-identifying labels.

Attend West Camel,2018-11-15 SHORTLISTED for The Polari First Book Prize LONGLISTED for the Guardian's Not the Booker Prize A beautifully written, darkly funny, mesmerisingly emotive and deliciously told debut novel with echoes of Armistead Maupin... 'From its opening gambit to its final line, Attend demands and rewards attention' Foreword Reviews 'With its blend of dark, gritty themes and gorgeous imagery, this is a book to make you believe there's still magic in the world' Heat Magazine 'I've fallen in love with this absolutely glorious, spell-binding tale' LoveReading As the threads of their lives unravel ... they find magic under their feet... When Sam falls in love with South London thug Derek, and Anne's best friend Kathleen takes her own life, they discover they are linked not just by a world of drugs and revenge; they also share the friendship of the uncanny and enigmatic Deborah. Seamstress, sailor, story-teller and self-proclaimed centenarian immortal, Deborah slowly reveals to Anne and Sam her improbable, fantastical life, the mysterious world that lies beneath their feet and, ultimately, the solution to their crises. With echoes of Armistead Maupin and a hint of magic realism, Attend is a beautifully written, darkly funny, mesmerisingly emotive and deliciously told debut novel, rich in finely wrought characters

that you will never forget. 'It's a genuinely pleasurable experience to encounter something couched in such alert and transparent language as West Camel's *Attend* ... In three hundred finely judged pages, West Camel leaves the reader eager for more from his pen' Barry Forshaw, *CrimeTime* 'Lyrical and intense, the spellbinding prose is full of carefully chosen words which create an emotive and flowing' *Crime Review* 'Rich, lively and intelligent, *Attend* is a novel of mystery, morality and meaning, but so delicately sewn together, you never notice the seams...' Rosie Goldsmith 'There is such a joy to the language. West Camel is a truly gifted wordsmith, and a beautiful storyteller' Louise Beech 'Skilfully weaves a tapestry of multi-layered threads ... delicate, evocative prose tells an intriguing story with contemporary relevance, insight and compassion' *Live & Deadly* 'A book of past and present, grief and tragedy, forgiveness and redemption, and hopes and dreams ... a great debut novel' *Off-the-Shelf Books* 'A singular and distinctive read ... Within the city grime and gritty plotlines, glitters an arresting tale' *Books, Life and Everything* 'Precision language and beautifully interwoven storytelling ... I couldn't put it down' *Liz Loves Books* 'Filled with a magic that is unique and uplifting. *Attend* is adventurous, charming and utterly compelling' *Random Things through My Letterbox*

Amanda Cadabra and The Hidey-Hole Truth Holly Bell, 2021-06-18 'Had me on the edge of my seat holding my breath as well as smiling and chuckling out loud.' Asthmatic furniture restorer and covert witch Amanda Cadabra is a survivor. After all, her family's bus went over a Cornish cliff. Now the presentable but irritating Inspector Trelawney is dogging her footsteps as he investigates the unexplained deaths. But that's the least of her problems. Amanda has just got a furniture restoration job at the old English Manor of Sunken Madley with its murky past. Armed only with a wand and Tempest, her grumpy reincarnated cat, she's going in. A body, ghosts, hidden tunnels, chills and unexplained lights; can Amanda solve the mystery in time and save the village from the scandal of murder? Please note that to help the reader to be immersed in Amanda's world, this British-set story uses British English spelling, grammar and usage, and includes accents, dialects and a magical language. Includes Map of Sunken Madley, glossary, and Questions for Reading Clubs

New Approaches to Literature for Language Learning Jeneen Naji, Ganakumaran Subramaniam, Goodith White, 2019-04-10 This book unpacks recent changes in the landscape of literature and language teaching, and aims to find new explanations for the altered relationships between readers and writers, the democratisation of authorship, and the emergence of new ways of using language. By examining topics as various as literature and technology, multimodality, and new Englishes, the authors take a fresh look at the use of literature as a tool in the teaching of English to second-language speakers. More than simply a way of teaching aesthetic and ethical values and rhetorical skills, they argue that literature can also be used to help students to critically evaluate assumptions about society, culture and power which underpin the production and reception of texts. The book relates theories of language acquisition and literary criticism to examples of literary texts from a wide range of global literature in English, and discusses new ways of engaging with it, such as transmedia story telling, book blogs and slam poetry. It will be of interest to language teachers and teacher trainers, and to students and scholars of applied linguistics, TESOL, and digital literacies.

Abacadabra, It's Spring! Anne Sibley O'Brien, Susan Gal, 2016-02-16 Sun shines on a patch of snow. Hocus pocus! Where did it

go? Winter turns to spring in this lyrical book that celebrates the magic of nature and the changing seasons. Eleven gatefolds open to re-create the excitement and surprise of spring's arrival, revealing what happens when snow melts, trees bud, flowers bloom, birds arrive, and eggs and cocoons hatch. Finally, it's warm enough to pack away winter clothes and go out and play!

Burn the Dark S. A. Hunt, 2020-01-14 Chilling Adventures of Sabrina meets Stranger Things in award-winning author S. A. Hunt's *Burn the Dark*, first in the *Malus Domestica* horror action-adventure series about a punk YouTuber on a mission to bring down witches, one vid at a time. Robin is a YouTube celebrity gone-viral with her intensely-realistic witch hunter series. But even her millions of followers don't know the truth: her series isn't fiction. Her ultimate goal is to seek revenge against the coven of witches who wronged her mother long ago. Returning home to the rural town of Blackfield, Robin meets friends new and old on her quest for justice. But then, a mysterious threat known as the Red Lord interferes with her plans.... "Brilliant!" —Jonathan Maberry, New York Times bestselling author *The Malus Domestica* series #1: *Burn the Dark* #2: *I Come with Knives* #3: *The Hellion* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Learn Lead Lift Wendy Ryan, 2021-05-12 Imagine a world where people loved going to work thanks to leaders who were inspiring, supportive and create a culture that lifts each team member up. If this has not been your experience, you are not alone. There are, however, companies and leaders that lead and lift their team and their organizations. *Learn Lead Lift* was written to inspire leaders and give them a framework for being /becoming great leaders who create teams where every person is valued and encouraged to fulfill their potential. The kind of workplace you are excited to enter each day. In her work with organizations of all sizes and industries, author Wendy Ryan noticed leaders struggling with the same things. It made no difference if they were leaders in the private sector, government agencies, startups or non-profits. Successful organizations today are increasingly aware they must continuously change and evolve to remain relevant, and a key part of every leader's role is to build their individual and organizational capacity for ongoing transformation. In response to this Ryan developed the 3T Model, an empowering mindset for leaders, which supports decision making and resource allocation by Tolerating, Transforming or Transcending. When you apply the 3T Model to issues like systemic racism or any other form of institutionalized oppression, it quickly becomes clear that Transforming is not only the right option - it is the only option. *Learn Lead Lift* offers a nod to some of the greatest thought leaders of our time while illuminating author Ryan's unique insights and frameworks for success that all leaders can grow from. It provides a clear-eyed view into what it means to be a leader today - the must-have mindsets, skill sets and behaviors you need to make a positive impact through leadership, no matter whether you are just starting out or have been in a leadership role for years. Ryan illustrates her ideas through fascinating true stories from her work and interviews with artists and entrepreneurs, athletes and investors, educators and executives, and more.

Trex Christyne Morrell, 2023-08-01 This middle-grade mystery follows the adventures of a boy with an experimental brain implant, and a reclusive girl training to be a spy, as they're pitted against school bullies, their own parents, and an evil, brain-hacking corporation. Perfect for fans of *Stranger Things*. *Trex's* experimental brain implant saved his life—but it also made his life a lot harder. Now he shocks everything he touches. When his overprotective mother finally agrees to send him to a real school for sixth grade, *Trex* is determined to fit in. He wasn't counting on Mellie the Mouse. She lives in the creepiest house in Hopewell Hill, where she spends her time scowling, lurking, ignoring bullies, and training to be a spy. Mellie is convinced she saw lightning shoot from *Trex's* fingertips, and she is Very Suspicious. And she should be . . . but not of *Trex*. Someone mysterious is lurking in the shadows . . . someone who knows a

dangerous secret.

Waking the Buddha Clark Strand,2014-05-01 Is there more to Buddhism than sitting in silent meditation? Is modern Buddhism relevant to the problems of daily life? Does it empower individuals to transform their lives? Or has Buddhism become too detached, so still and quiet that the Buddha has fallen asleep? *Waking the Buddha* tells the story of the Soka Gakkai International, the largest, most dynamic Buddhist movement in the world today—and one that is waking up and shaking up Buddhism so it can truly work in ordinary people’s lives. Drawing on his long personal experience as a Buddhist teacher, journalist, and editor, Clark Strand offers broad insight into how and why the Soka Gakkai, with its commitment to social justice and its egalitarian approach, has become a role model, not only for other schools of Buddhism, but for other religions as well. Readers will be inspired by the struggles and triumphs of the Soka Gakkai’s three founding presidents—individuals who staked their lives on the teachings of the Lotus Sutra and the extraordinary power of those teachings to help people become happy.

Goddess Unmasked Philip G. Davis,2008-12-30 Provides the first critical evaluation by a qualified scholar of the theological, anthropological, and historical claims of the Goddess movement, the most influential form of radical feminist spirituality, As its acolytes both within and without traditional churches grow in number, Goddess spirituality is one of the striking religious success stories of our day. Yet few have examined its purported ancient pedigree or its promises of sexual justice and social harmony, claims now exposed as a ridiculous but dangerous sham.
