*An Old Caddie Looks Back* Thomas Warren, 2009-02 This book celebrates the Rockford Community as one of America's most supportive golf towns since the early twentieth century. The focus of the stories and recollections runs from the late 1940's through the early sixties and picks up again in 1989 when Warren met Earl Woods and his thirteen year old son, Tiger. The perspective I gained as a young caddie in the 1950's turns out to be powerful in retrospect, stated the author. Warren tells of getting his start in golf from his mailman, Bob Frithiof. He writes about Rockford golf history, from its courses to its best players: Ken Scott, Alex Welsh and Dean Lind in the 1950's and seven-time Men's City champ Jamie Hogan today

Caddie to the Stars Tim Peel, 2022-12-14 I wrote this book to show what a great job caddieing is and the many opportunities it affords. It's a life-changing job. If done right by the caddie master, this can open doors to the

caddies that never would have happened in other jobs. As a caddie master, I would set up the caddie to put them in the right situation. If the young caddie wanted to be an actor, lawyer, or car salesman or work on Wall Street, you would have them caddie for the members or guests that best suits their future ambitions. It's like a working interview. They can see how hard you work and how you interact with others and how professional you perform your job. As a caddie master, it is your absolute responsibility to inform the college-bound caddies of the caddie scholarship programs that are available. So hopefully, this book can inspire young kids into the great world of caddieing. It's a life changer! --Caddie Master Tim Peel

The Golf Caddy Process Gilton Huggett, Jr., 2023-09-08. This book covers various strategies for developing an efficient career in the Golf Caddy Industry. As a former 18-year Caddy Veteran, I utilize the following strategies to become efficient and successful. Most Golf Courses use similar strategies, but I modified them based on my understanding and experience. There is no need to change the wheel, but I will apply a unique philosophy to these basic principles. In this book, my goal is to encourage people to enter the golf Caddy industry, to create a Career or use it as a side hustle weekend or holiday job. Historically society has a negative perspective toward the Golf Caddy Industry. Most Caddies are considered drug addicts, gamblers and former inmates. Since Tiger Woods entered the PGA Tour in 1997, with an increase in PGA Tour Prize Money, this has led to an increase in viewers to the game of Golf. Most of the regular season tournaments are televised. More Golfers started to join more private Golf Courses, which lead to an increase in more efficient Caddy opportunities. Television show Professional Golfers making Millions of Dollars and Caddy making 10% of the winnings. The Caddy is not just carrying the bag anymore but learning how to apply a more Holistic approach to assist the Golfers to perform to their ultimate potential. Some States are offering Caddy Scholarship for well qualified caddies, who want to

go to Colleges or Universities. I was fortunate to be a Caddy Scholarship alumnus.
