**Back to Bharat** Nagaraja Prakasam,2023-07-24 Back to Bharat: In Search of a Sustainable Future is a book that addresses the present economic dilemma for Indian entrepreneurs and consumers, looking at the past and present situation of both India and the developed world to find a way forward. Written in an engaging and anecdotal style, the book is enriched with case studies from Nagaraja's investment career. It consolidates many observations and insights from the experience he has as a professional, investor and mentor for entrepreneurs across the country. It strongly expresses the belief that India's strengths are its people, problems and technology (PPT). As it draws on real-life examples of struggle and success, the book illuminates many questions that are most relevant to our present dilemma, both in terms of economic development as well as environmental threats that compel us to look at more sustainable alternatives to patterns of production and consumption.

*Café Commoners* Ritwik Mukherjee,2016-04-12 Diary writing has moved a long way from being discrete entries arranged by date and reporting on the events of the day gone by (originally in hand-written format), to blogs and vlogs (video blogs) on social media. Caf, possibly, hasn't. French philosopher founded Caf-Philo with the objective of bringing people together in a public friendly forum where they could discuss ideas, share experience and thoughts on wide ranging issues in a relaxed atmosphere. The idea clearly was and still is to add a dash of fun and excitement to the discussion. Here at such cafs, ideas exchanged are still in the spirit of tolerance and openness. Like any other true and quintessential Bengali, Ritwik also loves to join such relaxed and widely diverse conversations among friends and like-minded people, often called adda. And believe you me, such addas would refresh, refuel and rejuvenate you. They would also offer some food for thoughts. Caf Commoners is a compilation of such food for thoughts, narrated in the spirit of adda. These are leafs out of a common man's diary, albeit without date, time and chronology and recollected later in tranquility. Who says life is to be seen in black & white? What can be more colourful than life? Caf Commoners seeks to discover or re-discover these colours in black & white

**My Mind's Café** Juju's Pearls, 2022-09-22 My Mind's Café: 28 Stories for a Love Tooth, as the name suggests, is a collection of stories encompassing various elements of love. In this book, the author has tried to cover a few major dimensions that everyone can relate to. Love is an emotion, a feeling, and it can be with anyone and anything. Love needs to be conveyed and expressed. Besides the usual love between parents-children and man-woman, love is way beyond our thoughts and follows no rules. Love follows the heart. These stories are all about love—unconditional, unspoken, extra-marital, LGBTQ, conspiracies in love, pet love, self-love, love with the Divine and so on. Main story highlights are Frozen Love, My Love is Enough for Two of Us! Lavender Love, Love – a game of chess, Till Death Does Us Apart and Inked with Soul. Some stories will touch a deep chord, whereas others might make you sceptical. One may feel it's his or her own story; at another point, it might be a story about someone you know. Go through this book with a loving, open mind. The target audience is all age groups. The best part is that you can start from any page and leave it on any page. Read it like a tea/coffee/bedtime storybook. Do identify your love tooth!

*Discovering 'Who I Am' - From A Life Lived And Learned* Anup Gawdi, 2020-10-14 The book is a summarization of the journey which I have had till date. It contains snippets of my interactions with various people who have entered my life at different points of time and what lessons I have learned during my interactions with them and how they have shaped my personality and my belief system. Life for me is all about the experiences I have had and I have tried to put forth through this book the way I used the lessons learned in my personal and professional life in situations that I have encountered. The situations which I faced and the manner in which I handled them gave rise to some simple formulas which I have tried to put forth through this book to people who are interested in looking at life from a very simplistic nature. The book is a small effort from my side to put myself in front of the world and hopefully is a start in my literary life.

*His Journey* Peter Mundackal, 2016-12-17 His Journey is the story of how life drives an individual, through twists and turns, to his final and unexpected destiny. It is also a detailed and intimate account of growing up as a middle-class Catholic boy in the Kerala of the 1950s, with the rumblings of revolutionary social change in the background. The story takes the hero from the backwoods of Kerala to Chennai and onwards to Delhi, where he falls in love only to be drowned in a life-shattering tragedy. On recovery, he discovers his real destiny, which is a spiritual one – the care of the sick and the destitute. The novel also delves into the political and religious crisis of faith of the hero. It is a highly readable chronicle, not only of an individual's quest for meaning, but also of an era of Kerala's history that is now largely forgotten." - Paul Zacharia, well-known Malayalam Novelist & Short Story writer Reading His Journey is an experience of a journey through history in which we meet the dust-covered footprints of the travellers, who have vanished behind the curtain forever, but those footprints remind us the distance we have travelled. Apart from the attractive style of storytelling, the novelist has provided a glimpse into the socio-political scenario of Kerala, the God's own country, during 1950s. - Rafeeq Ahmed, reputed Malayalam Lyricist and Novelist Throughout the novel, the author spices his descriptions with quite realistic and memorable scenes... Similarly, with very brief and subtle touches, personalities of several characters are etched in the readers' memory. Written in simple English and in a flowing style, the novel makes an enjoyable reading. - Excerpts from the Foreword by Unnikrishnan Thiruvazhiyodu
