**Barcelona to Buckie Thistle** Mat Guy,2020-04-22 Mat Guy continues his exploration of the much loved (and much hated) sport of football. From Barcelona to Buckie Thistle he takes us on a journey across the globe. The only connection all these places have is that they host some of least known football teams in the world. This is Guy's ode to football. He looks at the grassroots movement on the grass itself; it takes the love of this sport to a different level. Guy does not focus on the celebrity teams with millions behind them, but at the real heart and soul of football.

**Ally McCoist - Rangers Legend** Alistair Aird,2011-10-27 Ally McCoist is one of Scottish soccer's best-loved characters. In a two-decade career, he won the hearts and minds of legions of fans as he established himself as one of the most popular sporting personalities in the UK. A schoolboy prodigy, it was always clear that McCoist was destined for top flight soccer. At just 16 he signed his first professional contract with St. Johnstone, shooting to prominence in the 1980-81 season, scoring 22 league goals, and playing a starring role for the Scottish youth team. He was soon hot property. After two years of mixed fortunes at Sunderland, McCoist returned to Scotland and signed with his boyhood heroes, the Glasgow Rangers. Over the next fifteen years, he established himself as arguably the greatest goal-scorer ever to play for the club. He not only gave heart and soul for Rangers but was also capped 61 times for Scotland. An authoritative and affectionate portrait of this much-loved sportsman, Ally McCoist: Rangers Legend charts the highs and lows of a fascinating career, culminating in McCoist reaching legendary status. It also looks at the events that helped to shape his life overcoming homesickness when first playing for an English club and how he coped when his young son had to undergo several life-saving operations. Having hung up his boots, Ally's vibrant personality made him a natural for the television screen. Now, however, he has come full circle and returned home after a successful spell as assistant manager at his beloved Rangers, he has taken over the reins to become manager. This wonderful book is a must-read for any soccer fan, or indeed for anyone captivated by this large-than-life character.

**Sport, Nationalism, and Globalization** Alan Bairner,2001-03-29 Sport and nationalism are arguably two of the most emotional issues in the modern world. Both inspire intense devotion and frequently lead to violence. In this book, Alan Bairner discusses the relationship between sport and national identities in Europe and North America—specifically Ireland, Scotland, Sweden, the United States, and Canada—within the context of a broader theoretical debate about the impact of globalization in the modern era. Through a unique comparative perspective, the author sheds new light on the ways sport impacts the construction and reproduction of national identities. Ultimately, the work considers the role of sport in allowing nations and nationalists to resist, or at least come to terms with, powerful globalizing pressures.

**When Saturday Comes** When Saturday Comes,2006-08-03 The best chants, the funniest nicknames, the greatest headlines and enough little-known facts to keep the average football supporter entertained - and entertaining - for several seasons. This is the story of the greatest game on earth, from 'abandoned matches' to 'Yeovil Town', via celebrity fans, mascots, punditry and superstitions, written from the fan's point of view and with a separate entry for every club in the English and Scottish leagues. Who cares why, if Torquay United's strikers had been more prolific in the 1950s, England may never have won the World Cup; or where football hooliganism actually began; or who the hell Captain Henry Blythe Thornhill Wakelam is? We do. Because as every true student of the game knows: it's important.

**The Spurs Alphabet** Bob Goodwin,2017 A complete record of every player to have made a first team appearance for Tottenham Hotspur Football Club.

**Steve Pele Paterson** Steve Paterson,2011-07-01 Steve Paterson was set for fame and stardom with Manchester United in the 1970s, but from the age of sixteen he became gripped by an addiction to gambling before descending into alcoholism and debt. He became a soccer mercenary in Hong Kong, Australia and Japan, but his gambling and ruinous lifestyle followed him everywhere. Despite his personal problems, Paterson became a successful football manager, first in the Highland League and then, leading Inverness Caledonian Thistle all the way to the brink of promotion to the Premier League before taking the reins at Aberdeen Football Club from which he was sacked as his drinking and gambling escalated. By then, he had spent more than GBP 1m on gambling over a 30 years period and racked up thousands of pounds worth of debt. In November 2008 Paterson decided to confront his addictions and booked into the famous Sporting Chance Clinic in Hampshire. He has now turned his life around and today works as a social worker helping youngsters in the north of Scotland. This candid and brutally honest memoir recounts the heady days of footballing success, twinned with the devastating hubris of his addictive personality. It is a heart-rending and insightful account of one of the most fascinating players and managers in the Scottish game.

**Web Accessibility** Jenny Craven,2008 With ever greater provision of resources in electronic formats, formal recognition is increasingly being given to the growing awareness within the information profession that it is a moral duty as well as a legal requirement to take every feasible step to ensure that no one is excluded from access to goods and services, including web-based information and resources. This timely book provides a practical introduction to web accessibility and usability specifically for information professionals, offering advice from a range of experts and experienced practitioners on the concerns relevant to library and information organizations. Contents include: tools used for widening access to the web Design for All - how web accessibility affects different people the importance of web accessibility accessibility advice and guidance accessibility evaluation and assessment issues for library and information services Design for All in the library and information science curriculum best practice examples of web accessibility web accessibility in the future. Although its main focus is on UK legislation and other requirements, many of the featured guidelines and recommendations are of an international nature, so are transferable to other countries. Readership: This approachable guide will enable information practitioners and students new to web accessibility to gain a good understanding of the issues involved in this vital area. The book can be used as a resource for developing staff training and awareness activities, or for developing course content. **Cultural Heritage of the Great War in Britain** Ross J. Wilson,2016-04-22 As the hundredth anniversary approaches, it is timely to reflect not only upon the Great War itself and on the memorials which were erected to ensure it did not slip from national consciousness, but also to reflect upon its rich and substantial cultural legacy. This book examines the heritage of the Great War in contemporary Britain. It addresses how the war maintains a place and value within British society through the usage of phrases, references, metaphors and imagery within popular, media, heritage and political discourse. Whilst the representation of the war within historiography, literature, art, television and film has been examined by scholars seeking to understand the origins of the 'popular memory' of the conflict, these analyses have neglected how and why wider popular debate draws upon a war fought nearly a century ago to express ideas about identity, place and politics. By examining the history, usage and meanings of references to the Great War within local and national newspapers, historical societies, political publications and manifestos, the heritage sector, popular expressions, blogs and internet chat rooms, an analysis of the discourses which structure the remembrance of the war can be created. The book acknowledges the diversity within Britain as different regional and national identities draw upon the war as a means of expression. Whilst utilising the substantial field of heritage studies, this book puts forward a new methodology for assessing cultural heritage and creates an original perspective on the place of the Great War across contemporary British society.

*Hamilton Accies 25 Year Roller Coaster Ride* Ian Kelly,2010 In association with Accies Trust. Foreward by Alison Walker In Accies 25 year rollercoaster, Ian Kelly has produced a season by season fan's diary through the 25 years of Accies, on and off the pitch, from 1985 to 2010. This encompasses the final nine seasons at Douglas Park, through the seven homeless years, and the contrasting first nine seasons at New Douglas Park. For fans and watchers of the game, the book offers valuable insights into how football in general has changed through this period in terms of television, internet and supporters trusts. Ian has been an Accies supporter since the mid 70s. He has seen Accies play games on 52 league grounds, in all four divisions of the Scottish League, as well as one awful day in Buckie! Ian, who is a qualified accountant, has been Treasurer of the Accies Trust since 2005, and is very much an Accies stats man. He is thankful for the Trust's support with this publication.
