*Africa 101* Arikana Chihombori-Quao, 2020-09-10 *Africa 101: The Wake Up Call* is a book about the hunters and the hunted. The hunters are Africa's exploiters, slavers, colonizers, and neo-colonizers, and the hunted are the African people who survived against severe odds. In this book former African Union Ambassador to the United States Her Excellency, Ambassador Arikana Chihombori-Quao, MD. FAAFP tells the story of Africa in her usual in-your-face style. Although she served as a diplomat, she says that being diplomatic about the real issues facing Africa will do us no good. She warns in this book that the hunt is still ongoing and calls on Africans and people of African descent all over the world to rise up in defense of our beloved continent. Using personal stories, her father's accounts from the village of Chivu in Zimbabwe, and solid historical references, Her Excellency, Ambassador Arikana Chihombori-Quao, MD. FAAFP educates, motivates, and challenges the status quo with regard to western countries' abuse of Africa. This book will challenge you to your core and move you to action.

*Dear Upright African* Donald Molosi,2019-02-27 Upright African, we need a revolution in education to take our history back into our hands, and to perform it through our eyes for humanity and ourselves. Without question, our African histories are under siege by those who would rather we believed that Africa has no history and that colonialism is over. -From Dear Upright African In this manifesto, Donald Molosi shows us what a decolonized Africa would look like. This matter is vital for people in school today. It is this sort of activism that our continent needs now. -Binyavanga Wainaina, author of How To Write About Africa Palpably outraged, Molosi reminds us - sharing vivid examples - of how the metaphysical and physical engagement of empire with the African continent formed a carefully orchestrated strategy whose end result was to inflict large numbers of Africans, including African elites, with a chronic, debilitating self-hatred. Drawing from his extensive reading on the subject, Molosi offers practical remedies for the devastating crisis he chronicles. -Tsitsi Dangaremba, author of Nervous Conditions and This Mournable Body

**Freedom Sounds** Ingrid Monson,2007-10-18 An insightful examination of the impact of the Civil Rights Movement and African Independence on jazz in the 1950s and 60s, *Freedom Sounds* traces the complex relationships among music, politics, aesthetics, and activism through the lens of the hot button racial and economic issues of the time. Ingrid Monson illustrates how the contentious and soul-searching debates in the Civil Rights, African Independence, and Black Power movements shaped aesthetic debates and exerted a moral pressure on musicians to take action. Throughout, her arguments show how jazz musicians' quest for self-determination as artists and human beings also led to fascinating and far reaching musical explorations and a lasting ethos of social critique and transcendence. Across a broad body of issues of cultural and political relevance, *Freedom Sounds* considers the discursive, structural, and practical aspects of life in the jazz world in the 1950s and 1960s. In domestic politics, Monson explores the desegregation of the American Federation of Musicians, the politics of playing to segregated performance venues in the 1950s, the participation of jazz musicians in benefit concerts, and strategies of economic empowerment. Issues of transatlantic importance such as the effects of anti-colonialism and African nationalism on the politics and aesthetics of the music are also examined, from Paul Robeson's interest in Africa, to the State Department jazz tours, to the interaction of jazz musicians such as Art Blakey and Randy Weston with African and African diasporic aesthetics. Monson deftly explores musicians' aesthetic agency in synthesizing influential forms of musical expression from a multiplicity of stylistic and cultural influences--African American music, popular song, classical music, African diasporic aesthetics, and other world musics--through examples from cool jazz, hard bop, modal jazz, and the avant-garde. By considering the differences between aesthetic and socio-economic mobility, she presents a fresh interpretation of debates over cultural ownership, racism, reverse racism, and authenticity. *Freedom Sounds* will be avidly read by students and academics in musicology, ethnomusicology, anthropology, popular music, African American Studies, and African diasporic studies, as well as fans of jazz, hip hop, and African American music.

Answering the Call Ken Gire,2013-03-18 Revere life, and give yours away for the sake of serving others. As a young man, Albert Schweitzer seemed destined for greatness. His immense talent and fortitude propelled him to a place as one of Europe's most renowned philosophers, theologians, and musicians in the early twentieth century. Yet Schweitzer shocked his contemporaries by forsaking worldly success and embarking on an epic journey into the wilds of French Equatorial Africa, vowing to serve as a lifelong physician to "the least of these" in a mysterious land rife with famine, sickness, and superstition. Enduring hardship, conflict, and personal struggles, he and his beloved wife, Hélène, became French prisoners of war during WWI, and Hélène later battled persistent illnesses. Ken Gire's page-turning, novelesque

narrative sheds new light on Schweitzer's faith-in-action ethic and his commitment to honor God by celebrating the sacredness of all life. The legacy of this 1952 Nobel Prize honoree endures in the thriving African hospital community that began in a humble chicken coop, in the millions who have drawn inspiration from his example, and in the challenge that emanates from his life story into our day. Albert Schweitzer seemed destined for greatness—and he achieved it by making his life his greatest sermon to a world in desperate need of hope and healing.

**The Call to Africa** Phyllis Mills, 2008-08-01 This is a true story, a saga of faith. Family and friends told the young couple they were crazy to take their little ones to Africa, but they proceeded in faith. Even when the baby became deathly ill, they persevered and entered the ship traveling to Africa. Along the way of life, there were family problems of health, school difficulties, and decision to make. God led the family in paths He wanted them. Many times faith hardly seemed enough but it always was. Two years in South West Africa (Namibia), twelve in Kimberly and the rest of the forty-seven years were in the Johannesburg area. No matter where God led them, God's word was still getting spread, people were reading and coming to His saving grace. The writer and husband Bob now live in Texas still serving God. I was eight when my parents became missionaries to Batang, China/Tibet. We were four children, a boy and three girls, I being the middle girl. My first book, *SOME OF GOD'S CHILDREN*, is about those faith-challenging five years. Back in America, we adjusted slowly to our new culture. We had done without for so long, rationing meant little to us. At college, I met and married Bob Mills who wanted to be a missionary. He felt called to Africa, but agreed to go to China. I received a call to Africa several years earlier but refused, telling God that there were too many spiders and snakes. China closed its door to missionary work before we finished college. We accepted the call to Africa and spent 47 years taking the 'Light of Christ' to that Dark Continent. I found God's way is best.

**Grace in Africa Bundle, Call of Zulina, Voyage of Promise & Triumph of Grace - eBook [ePub]** Kay Marshall Strom, 2014-02-04 This bundle contains *The Call of Zulina*, *The Voyage of Promise*, and *The Triumph of Grace*. *The Call of Zulina* Set in 1787 in West Africa, *The Call of Zulina* opens as the scorching harmattan winds blow. Desperate to avoid marriage to an odious suitor, Grace escapes the family compound only to be caught up in a slave revolt at the fortress of Zulina. Soon, she begins to grasp the brutality and ferocity of the family business. Held for ransom, viciously maimed by a runaway slave, and threatened with death, Grace is finally jerked into reality and comes to sympathize with the plight of the captives. She admires their strength and courage and is genuinely moved by the African Cabeto's passion, determination, and willingness to sacrifice anything, including his own life, for his people's freedom. *The Voyage of Promise* Slavers burst into Grace Winslow's life with guns blazing and tear her family apart forever. She watches in anguish as her husband is led in chains aboard a tightly packed slave ship bound for America. An old enemy has a more sinister plan for Grace and prepares her for a different kind of servitude in London. But Grace will not be enslaved. And she will not give up on the man she loves. In her determination to be reunited with her husband, she finds God reaching out to her. *The Triumph of Grace* After learning that her husband, Cabeto, is on a South Carolina plantation, Grace dons a sailor's disguise and boards the only

ship headed for America--a detestable slave ship. When her secret is discovered, Grace is locked up in the hold. In South Carolina, Grace is bought immediately, but soon sold to a man who is not a slave keeper. Moved by her story of perseverance and faith, John Hull makes Grace's mission his own. Grace now has a dear brother in Christ to help her, but a restored sense of hope does not mean the path to finding Cabeto will be clear... or free of trouble.
