The Last Lecture Randy Pausch,2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have

to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

**Fake it to the Limit: A Mistaken Identity Cozy Romance (Free First in Castle Cove Mystery Series)** Mary Frame, When the local authorities ask Ruby Simpson to help them find a thief in the small town of Castle Cove, she doesn't have much of a choice. She predicted the most recent theft, and the cops have no other leads. There are just two small problems. One, she's not psychic. Two, she's not Ruby Simpson. Okay, maybe they're not small problems. But Charlotte needs a place to lay low with her younger sister,

somewhere her parents won't find her and the locals won't ask too many questions. Getting involved with the cops, especially Deputy Jared, isn't a smart thing for a reformed con artist to do. But Charlotte has to make a choice: raise her little sister on the right side of the law or put food on the table. What the real Ruby doesn't see in her crystal ball won't hurt her, right? *The Cupcake Cottage: A FREE Fake Relationship Hockey Romance (Friends to Lovers)* Jean Oram,2022-05-05 A free best friends to lovers hockey romance. My coach is playing matchmaker. And that's a problem because I work with this beautiful and distracting woman. Also, she's my best friend's ex

making her very off limits. I also might be crushing on her. Hard. That's a hat trick of reasons to say no. But if I don't follow coach's playbook on and off the ice I'll be benched. Kind of like my heart. If I say yes to this fake-dating plan...well, it could save my reputation (nice guy, wrong place, wrong time, etc., etc.) as well as get me those deals I so desperately need. It could even help out my teammates who've worked too darn hard to have their captain trash it all because he's afraid to fake it with his friend. To hold her hand. To kiss her in front of the cameras. To show her how she should be truly treated by a boyfriend—pampered and cherished. And maybe to show her how I really feel... Laugh, cry and fall in love along with these two meant-to-be characters as they stumble their way toward true love. This sweet romance is set in the same charming small town world as Jean Oram's The Cowboys of Sweetheart Creek, Texas series. Enjoy! (These are slow burn, closed door hockey romances.)

**Fake Love** Ebou Gaye,2010 The protagonist of this novel, Ya Rose, quit her job in her native country and travelled to the United Kingdom to seek greener pastures. There, she found life extremely hard contrary to her expectations. Consequently, she resorted to luring men into relationships with the aim of manoeuvring her way out of the awkward situation in which she found herself. The book is multi-themed, touching on marriage, religion, female circumcision, politics, journalism, etc. Below are excerpts: 'I'm always longing to see you or at least hear your melodious voice. I couldn't sleep a wink last night because I was thinking of you after we chatted on the phone ' 'You are beautiful and it will be very good to have you as a wife in addition to Awo who is equally gorgeous. I think history is about to repeat itself now that I'm planning to marry a second charming lady.' 'I will be saying

pleasant things to you and giving you good things to make you feel comfortable and happy if you marry me. I will transform you into a very young boy ' 'I believe you can make me happy, but I wonder how you can turn an old man into a young lad. Do you have magical powers to do that?'
