<https://vidjambov.blogspot.com/2023/01/book-inventory-vladimir-djambov-talmach.html> Repentance consists not only in lagging behind external great sins, but in changing the mind and heart and in updating the inner state. That is, you need to turn away from all the hustle and bustle of this world, since it prevents anyone who wants to be saved to consider various spiritual weaknesses, that is, pride, anger, envy, uncleanness, love of money and so on, and to regret and lament that such evil entered through snake venom our soul, which was created pure and immaculate. And with such pity and regret, praying to Christ so that by His power he will correct and heal us. And when the heart or the internal state changes and is corrected, then the external life and external affairs will be good. Legs will not go to evil if the soul does not want to. Hands will not do evil if the will does not want to. The tongue will not speak evil if the heart does not want to. The body will not be fornication \* \* \* True repentance and faith will certainly be followed by the correction and renewal of the heart and outer life. True repentance and faith renews and corrects a person, turns away from the bustle of the world, moves to desire and the search for eternal life, teaches the fear of God, incessantly exhorts against all sin to fight, and to do good and please God. \* \* \* And when we look ahead ... we will see death

that leaves no one. And the more we live, the more it approaches us. This limit of God is both unknown to us and very terrible. Unknown because the old and young, infants and youths, ready and unprepared, righteous and sinful, indiscriminately abduct. It is terrible because from here begins an endless, constant, always abiding eternity. From here we are either in eternal bliss, or in eternal torment, or in a place of joy, or in a place of crying. Now we either live forever, or die forever, either reign forever in heaven with Christ and His saints, or begin to suffer forever in hell with Satan and his angels.

Chronicle of a Death Foretold Gabriel García

Márquez, 2014-10-15 NOBEL PRIZE WINNER • From the author of *One Hundred Years of Solitude* comes the gripping story of the murder of a young aristocrat that puts an entire society—not just a pair of murderers—on trial. A man returns to the town where a baffling murder took place 27 years earlier, determined to get to the bottom of the story. Just hours after marrying the beautiful Angela Vicario, everyone agrees, Bayardo San Roman returned his bride in disgrace to her parents. Her distraught family forced her to name her first lover; and her twin brothers announced their intention to murder Santiago Nasar for dishonoring their sister. Yet if everyone knew the murder was going to happen, why did no one intervene to stop it? The more that is learned, the less is understood, as the story races to its inexplicable conclusion.

Thankless in Death J. D. Robb,2013 In the latest suspense thriller in the #1 New York Times bestselling series, the year 2060 is drawing to a close in New York City and loved ones are coming together for Thanksgiving. But sometimes the deepest hatreds seethe within the closest relationships, and blood flows faster than water... Lieutenant Eve Dallas has plenty to be grateful for this season. Hosting Roarke's big Irish family for the holiday may be challenging, but it's a joyful improvement on her own dark childhood. Other couples aren't as lucky as Eve and Roarke. The Reinholds, for example, are lying in their home stabbed and bludgeoned almost beyond recognition. Those who knew them are stunned—and heartbroken by the evidence that they were murdered by their own son. Twenty-six-year-old Jerry hadn't made a great impression on the bosses who fired him or the girlfriend who dumped him—but they didn't think he was capable of this. Turns out Jerry is not only capable of brutality but taking a liking to it. With the money he's stolen from his parents and a long list of grievances, he intends to finally make his mark on the world. Eve and her team already know the who, how, and why of this murder. What they need to pinpoint is where Jerry's going to strike next.
