Shadows Return Lynn Flewelling, 2008-06-24 With their most treacherous mission yet behind them, heroes Seregil and Alec resume their double life as dissolute nobles and master spies. But in a world of rivals and charmers, fate has a different plan.... After their victory in Aurënen, Alec and Seregil have returned home to Rhíminee. But with most of their allies dead or exiled, it is difficult for them to settle in. Hoping for diversion, they accept an assignment that will take them back to Seregil's homeland. En route, however, they are ambushed and separated, and both are sold into slavery. Clinging to life, Seregil is sustained only by the hope that Alec is alive. But it is not Alec's life his strange master wants—it is his blood. For his unique lineage is capable of producing a rare treasure, but only through a harrowing process that will test him body and soul and unwittingly entangle him and Seregil in the realm of alchemists and madmen—and an enigmatic creature that may hold their very destiny in its inhuman hands.... But will it prove to be savior or monster?

The White Road Lynn Flewelling, 2010-05-25 Dissolute nobles, master spies, and the unlikelyst of heroes, Alec and Seregil have survived exile, treachery, and black magic. But the road that lies ahead is the most hazardous they've ever traveled. For with enemies on all sides, they must walk a

narrow path between good and evil where one misstep might be their last. Having escaped death and slavery in Plenimar, Alec and Seregil want nothing more than to go back to their nightrunning life in Rhíminee. Instead they find themselves saddled with Sebrahn, a strange, alchemically created creature—the prophesied “child of no woman.” Its moon-white skin and frightening powers make Sebrahn a danger to all whom Alec and Seregil come into contact with, leaving them no choice but to learn more about Sebrahn’s true nature. With the help of trusted friends and Seregil’s clan, the duo set out to discover the truth about this living homunculus—a journey that can lead only to danger or death. For Seregil’s old nemesis Ulan í Sathil of Virèsse and Alec’s own long-lost kin are after them, intent on possessing both Alec and Sebrahn. On the run and hunted, Alec and his comrades must fight against time to accomplish their most personal mission ever.

Luck in the Shadows Lynn Flewelling, 2010-11-03 A new star is rising in the fantasy firmament...teems with magic and spine-chilling amounts of skullduggery.—Dave Duncan, author of *The Great Game* When young Alec of Kerry is taken prisoner for a crime he didn’t commit, he is certain that his life is at an end. But one thing he never expected was his cellmate. Spy, rogue, thief, and noble, Seregil of Rhiminee is many things—none of them predictable. And when he offers to take on Alec as his apprentice, things may never be the same for either of them. Soon Alec is traveling roads he never knew existed, toward a war he never suspected was brewing. Before long he and Seregil are embroiled in a sinister plot that runs deeper than either can imagine, and that may cost them far more than their lives if they fail. But fortune is as unpredictable as Alec’s new mentor, and this time there just might be...*Luck in the Shadows*.

Deathwish Rob Thurman, 2012-08-02 The fourth book in the Cal Leandros series that began with *Nightlife*, *Deathwish* is clever, ironic and hugely entertaining urban fantasy in the vein of Jim Butcher by the New York Times bestselling author, Rob Thurman. 'How I felt the mental stirrings of a bloodthirsty heritage when I passed through the gray light wasn't my favourite topic . . . the Auphe nature wasn't mine. I wouldn't let it be. And if I said that to myself over and over and sprinkled around enough frigging fairy dust, maybe it would be true.' Half-human Cal Leandros and his brother, Niko, are barely getting by with their preternatural detective agency when the vampire Seamus hires them. He's being followed, and he wants to know by whom. But the Leandros brothers have to do more than they had planned when Seamus turns up dead (or un-dead). Worse still is the return of Cal's nightmarish family, the Auphe. The last time Cal and Niko faced them, the Auphe were almost wiped out. Now they want revenge. Cal know that before

the Auphe get to him, they will try to destroy everything and everyone he holds dear. Because for the Auphe, Cal's pain is a pleasure. And they're feeling good. A dark contemporary fantasy with a humorous edge, Rob Thurman's *Deathwish* should not be missed. Praise for Rob Thurman: 'Supernatural elements put this in the company of Jim Butcher and Charlaine Harris' *SFRevu* 'A roaring rollercoaster of a read . . . it'll take your breath away' Simon R. Green Rob Thurman lives in Indiana, land of rolling hills and cows. Lots and lots of cows. *Nightlife*, *Moonshine* and *Madhouse*, the previous novels in the Cal Leandros series, are also published by Penguin. Visit Rob at www.robthurman.net.

Warhol-isms Andy Warhol, 2022-05-10 A unique collection of brilliant quotations from the legendary Pop artist One of the most influential artists of his time and ours, Andy Warhol is nearly as renowned for what he said as for what he did. Indeed, he is so quotable that things he never said are endlessly and plausibly attributed to him, including, fittingly, the most celebrated fake Warhol saying—"In the future, everyone will be world-famous for 15 minutes." *Warhol-isms* separates legend from fact to present a unique and comprehensive collection of authentic quotations from the Pop artist. Gathered from interviews and other primary sources, these deadpan, droll, ironic, and sincere gems—in which a superficial embrace of superficiality often disguises provocative, unconventional ideas—provide compelling insights into the life and work of an artist who has left an indelible mark on art and popular culture. Select quotations from the book: I think an artist is anybody who does something well. I went to [a psychiatrist] once, and he never called me back. They always say that time changes things, but you actually have to change them yourself. I've never met a person I couldn't call a beauty. New things are always better than old things. I'm still a commercial artist. I was always a commercial artist.

Beginning Scala Vishal Layka, David Pollak, 2015-03-03 *Beginning Scala, Second Edition* takes a down-to-earth approach to teaching Scala that leads you through simple examples that can be combined to build complex, scalable systems and applications. This book introduces you to the Scala programming language, its object-oriented and functional programming characteristics, and then guides you through Scala constructs and libraries that allow you to assemble small components into high-performance, scalable systems. You will learn why Scala is judiciously used for critical business applications by leading companies such as Twitter, LinkedIn, Foursquare, the Guardian, Morgan Stanley, Credit Suisse, UBS, and HSBC. Scala is a multi-paradigm programming language that combines both functional and object-oriented features. Moreover, this highly scalable language lends itself well to building cloud-based/deliverable Software as a Service (SaaS) online applications.
