The Book of Horror Matt Glasby,2020-09-22 “Glasby anatomizes horror’s scare tactics with keen, lucid clarity across 34 carefully selected main films—classic and pleasingly obscure. 4 Stars.” —Total Film? Horror movies have never been more critically or commercially successful, but there’s only one metric that matters: are they scary? The Book of Horror focuses on the most frightening films of the post-war era—from Psycho (1960) to It Chapter Two (2019)—examining exactly how they scare us across a series of key categories. Each chapter explores a seminal horror film in depth, charting its scariest moments with infographics and identifying the related works you need to see. Including references to more than one hundred classic and contemporary horror films from around the globe, and striking illustrations from Barney Bodoano, this is a rich and compelling guide to the scariest films ever made. “This is the definitive guide to what properly messes us up.” —SFX Magazine The films: Psycho (1960), The Innocents (1961), The Haunting (1963), Don’t Look Now (1973), The Exorcist (1973), The Texas Chain Saw Massacre (1974), Who Can Kill a Child? (1976), Suspiria (1977), Halloween (1978), The Shining (1980), The Entity (1982), Angst (1983), Henry: Portrait of a Serial Killer (1990), Ring (1998), The Blair Witch Project (1999), The Others (2001), The Eye (2002), Ju-On: The Grudge (2002), Shutter (2004), The Descent (2005), Wolf Creek (2005), The Orphanage (2007), [Rec] (2007), The Strangers (2008), Lake Mungo (2008), Martyrs (2008), The Innkeepers (2011), Banshee Chapter (2013), Oculus (2013), The Babadook (2014), It Follows (2015), Terrified (2017), Hereditary (2018), It Chapter Two (2019)

Surfing Uncertainty Andy Clark,2016 This title brings together work on embodiment, action, and the predictive mind. At the core is the vision of human minds as prediction machines - devices that constantly try to stay one step ahead of the breaking waves of sensory stimulation, by actively predicting the incoming flow. In every situation we encounter, that complex prediction machinery is already buzzing, proactively trying to anticipate the sensory barrage. The book shows in detail how this strange but potent strategy of self-anticipation ushers perception, understanding, and imagination simultaneously onto the cognitive stage.

Halloween: the Changing Shape of an Iconic Series Ernie Magnotta,2018-10-20 October 25th, 1978. John Carpenter's Halloween is unleashed upon an unsuspecting public and, in no time, becomes a horror movie phenomenon. Made for only \$320,000.00, the expertly crafted and terrifying film would eventually gross \$70 million worldwide, and would not only create a solid formula that has been imitated endlessly since 1978, but would also spawn no less than nine sequels with a tenth due out this October. In his book Halloween: The Changing Shape of an Iconic Series, author Ernie Magnotta meticulously details exactly what made this entertaining and terrifying film the enduring classic that it is today. He then goes on to discuss how the sequels strayed further and further away from writer/director/composer John Carpenter's original vision until they became something almost entirely different. The author goes into detail about all aspects of the series including story, characters, acting, suspense/scares, cinematography, direction/composition, music, Michael Myers' ever-changing mask and much, much more! Packed with loads of information as well as almost 200 full-color photos, Halloween: The Changing Shape of an Iconic Series is a must have for fans of the classic franchise. A totally great read! -P.J. Soles (Lynda 1978's Halloween) Ernie definitely knows the Halloween series. This October 31st, I'll let him live. -Dick Warlock (Michael Myers 1981's Halloween II) Ernie Magnotta has meticulously detailed the nuances of the Halloween franchise characters...I found his observations of Rachel Carruthers and Jamie Lloyd in H4 and H5 to be spot on. -Ellie Cornell (Rachel Carruthers Halloween 4 and 5)

Hail to the Chin Bruce Campbell,Craig Sanborn,2017-08-15 New York Times bestseller Introduction by New York Times bestselling author and famous minor television personality John Hodgman One of my dad's favorite jokes about getting older was: "I went out for coffee when I was twenty-one and when I got back I was fifty-eight!" I get what he meant now. Time flies. My first book, If Chins Could Kill: Confessions of a B Movie Actor, was published back in 2001 and it chronicles the adventures of a "mid-grade, kind of hammy actor (my words), cutting his teeth on exploitation movies far removed from mainstream Hollywood. This next book, an "Act II" if you will, could be considered my "maturing years" in show business, when I began to say "no" more often and gravitated toward self-generated material. Taking stock in the overall quality of my life, I fled Los Angeles and moved to a remote part of Oregon to renew, regroup and reload. If that sounds tame, the journey from Evil Dead to Spider-Man to Burn Notice was long, with plenty of adventures/mishaps along the way. I never pictured myself hovering above Baghdad in a Blackhawk helicopter, facing a pack of wild dogs in Bulgaria, or playing an aging Elvis Presley with cancer on his penis - how can you predict this stuff? The sheer lunacy of show business is part of the fun for me and I hope you'll come along for the ride. – Bruce "Don't Call Me Ash" Campbell

House Frank E. Peretti,Ted Dekker,2008-08-31 Two stranded couples find shelter in an inn but find themselves trapped in a game with rules setting up a life-or-death situation.

American International Pictures Rob Craig,2019-02-15 American International Pictures was in many ways the missing link between big-budget Hollywood studios, poverty-row B-movie factories and low-rent exploitation movie distributors. AIP first targeted teen audiences with science fiction, horror and fantasy, but soon grew to encompass many genres and demographics--at times, it was indistinguishable from many of the major studios.

From Abby to Zontar, this filmography lists more than 800 feature films, television series and TV specials by AIP and its partners and subsidiaries. Special attention is given to American International Television (the TV arm of AIP) and an appendix lists the complete AITV catalog. The author also discusses films produced by founders James H. Nicholson and Samuel Z. Arkoff after they left the company.

The Clockmaker's Daughter Kate Morton, 2019-05-21 INSTANT NEW YORK TIMES BESTSELLER From the author of the New York Times bestseller *Homecoming*—“An ambitious, compelling historical mystery with a fabulous cast of characters...Kate Morton at her very best.” —Kristin Hannah “An elaborate tapestry...Morton doesn’t disappoint.” —The Washington Post Classic English country-house Goth at its finest. —New York Post In the depths of a 19th-century winter, a little girl is abandoned on the streets of Victorian London. She grows up to become in turn a thief, an artist’s muse, and a lover. In the summer of 1862, shortly after her eighteenth birthday, she travels with a group of artists to a beautiful house on a bend of the Upper Thames. Tensions simmer and one hot afternoon a gunshot rings out. A woman is killed, another disappears, and the truth of what happened slips through the cracks of time. It is not until over a century later, when another young woman is drawn to Birchwood Manor, that its secrets are finally revealed. Told by multiple voices across time, this is an intricately layered, richly atmospheric novel about art and passion, forgiveness and loss, that shows us that sometimes the way forward is through the past.
