[Compass Country](#) Dale Wood, 2012-02-21 This memoir is a true adventure story about three young men in their teens that are passionate about deer hunting in the Adirondacks spending much of their leisure time pursuing a dream. In their quest of the big one, they enter acres of deep woods, Adirondack territory they call Compass Country, that many men will never see in a lifetime. Despite the extreme hard work, they set up a small camp in the middle of Compass Country spending weekends on a mission living the dream. Unfortunately it takes the pioneers many years of exploration, persistence and hard work before the passion becomes the success they had imagined and is still adventurous thirty six years later. As the pioneers look behind them unfortunately there is no one following them therefore the tradition will sadly die with them. Modern technology such as computers and video games have chastised our children holding them hostage blind to the beauty of the outdoors.

[Camp Liverwurst & The Stray Compass](#) Jim Badke, 2023-01-31 Maddie isn't sure who she is anymore. Camp Liverwurst is Maddie's favorite place ever. But everything seems different this year, including Maddie. Now her new cabin leader wants to take them away on an epic adventure. No friends, snow in summer, a wobbly boat and mysterious creatures—what could possibly go wrong? One of the most daunting expectations that Christian summer camps have of their cabin leaders is to lead Bible discussions. Here's help! Camp Liverwurst and The Stray Compass is Book 2 in the new Camp Liverwurst series of short novels that cabin leaders can read aloud to their middle-school campers to spark dialogues about Jesus. This intriguing novel is packed with rich biblical content. Chapters can be read aloud in 10 minutes for cabin devotions, during wake-up, after a meal or on a break. Campers might also want to take home a copy from your camp store. Included are questions and activities to prompt Bible discussions about faith in Jesus and self-identity.

[The Compass](#) Deborah Radwan, 2012-01-17 Thirteen-year-old Rudy and his friends routinely ride their bikes through their rundown neighborhood, shouting insults at their neighbor, Jacob, an elderly Jewish man out tending his garden. Then Rudy discovers that his mother has arranged for him to help Jacob tear down his fence that summer. When a sullen Rudy shows up at Jacob's door, it's hard to know which of them is most wary of the other. Yet when Rudy sees the beautiful gardens Jacob and his neighbors, Frederick and Yoshito, have created in their backyards, he can't help but be impressed. During the hot summer days that follow, fatherless Rudy, who wants to belong to something, toils in the sun with a shovel and an attitude, reluctant to accept even a glass of Frederick's iced tea. Gradually he learns that the older men—Jacob, from Germany; Frederick, an African American from the pre-civil rights movement South; and Yoshito, a Japanese American who spent three years in an internment camp during World War II—have become like brothers, bonded through tragedy and the drive to transform barren dirt into something beautiful. Frederick and Yoshito have made peace with their pasts and removed the fence between their yards, but Jacob is still haunted by what happened to his family at Auschwitz, memories retriggered by Rudy and his friends. As they work alongside each other, Jacob and Rudy do more than tear down a fence in this story of healing and hope that changes Rudy's life in ways he never imagined.

In this heartwarming story, a troop of Boy Scouts led by their scoutmaster, Mr. Thompson, ventures into the wilderness for their inaugural campfire. The boys, filled with excitement and curiosity, set up their campsite, pitch their tents, and gather firewood in preparation for their evening gathering around the campfire. As night falls, the Scouts gather around the crackling fire, sharing stories, songs, and laughter. They learn important camping skills, such as cooking over an open flame and practicing proper fire safety. Through their experiences, they develop a deep appreciation for nature and the camaraderie that comes from spending time together in the great outdoors. However, the Scouts soon encounter unexpected challenges. They face inclement weather, encounter wild animals, and must rely on their resourcefulness and teamwork to overcome these obstacles. Through their determination and the guidance of their scoutmaster, the boys learn valuable lessons about resilience, adaptability, and problem-solving. The Boy Scouts' First Camp Fire emphasizes the values of self-reliance, independence, and personal growth. The Scouts develop practical skills such as knot tying, map reading, and outdoor survival techniques. They learn to respect nature, leave no trace, and appreciate the beauty and serenity of the natural world. Beyond the practical skills, the story also highlights the importance of friendship and unity. The Scouts build strong bonds with one another as they face challenges together, supporting and encouraging each other along the way. They learn the value of trust, cooperation, and teamwork in achieving shared goals. Throughout the narrative, the spirit of adventure and exploration is celebrated, inspiring young readers to embrace the outdoors and seek new experiences. The story instills a sense of wonder and curiosity about the natural world, encouraging readers to appreciate and protect it. The Boy Scouts' First Camp Fire captures the essence of the Boy Scouts movement, promoting character development, leadership, and the values of preparedness and service to others. [Let's Go Camping](#) Marty Suydam, 2018-02-28 This book is a collection of memories by a group of old Scout friends. In the centennial year (2017) of celebration of the founding of Camp Glen Gray, we can't recount periods other than when we were Scouts at Glen Gray, but our story might be considered fun reading by other generations. All of those involved in this writing project left the camp by the mid-1960s and have only returned for anniversaries or never. Regardless, the creation of our story brought old friends back together as though no time had passed. The sharing of events and anecdotes by email and critique of stories, as they unfolded, helped sharpen our memories. More often, we were surprised, as we found out about things we didn't know in the first place. While it might go without saying, it ought to be said, we, as Scouts, boys-to-teenagers-to-adults, experienced something unique that was the scouting experience associated with Camp Glen Gray. To us, Camp Glen Gray is a special place in all the world. While its memories can be preserved in writing, pictures, and our own memories, it is a place that ought to be preserved so that others can look at Lake Vreeland from the bridge and have dreams forever. In 2017, the bridge over the dam spillway was been removed. It is hoped that any proceeds from the sale of this book would go to restoring the 1950s cover picture view in our memories and in reality

[Wilderness Adventure Camp](#) Frank Grindrod, 2021-04-13 Whether in the rugged backcountry or a suburban backyard, kids can experience the sense of personal independence and self-confidence that come from outdoor proficiency, while also developing a deeper connection to and understanding of the natural world. With this skills-based book, kids learn essential safety and survival tips and bushcraft that they need to have a safe wilderness experience. Led by outdoor leader Frank Grindrod of Earthwork Programs, every turn of the page takes kids on another stage of the journey. They learn how to pack for the outdoors, navigate using a map and a compass, choose and set up a campsite, handle and use a knife properly, build a fire, tie different types of knots, make a lean-to out of sticks and leaves, and cook over an open fire. This guide teaches more than just outdoor know-how; it fosters appreciation for the natural world and pride in knowing how to use its resources as a tool for survival and adventure.
