The Devil and Other Stories Leo Tolstoy, 2003-07-10 'It is impossible to explain why Yevgeny chose Liza Annenskaya, as it is always impossible to explain why a man chooses this and not that woman.' This collection of eleven stories spans virtually the whole of Tolstoy's creative life. While each is unique in form, as a group they are representative of his style, and touch on the central themes that surface in *War and Peace* and *Anna Karenina*. Stories as different as 'The Snowstorm', 'Lucerne', 'The Diary of a Madman', and 'The Devil' are grounded in autobiographical experience. They deal with journeys of self-discovery and the moral and religious questioning that characterizes Tolstoy's works of criticism and philosophy. 'Strider' and 'Father Sergiy', as well as reflecting Tolstoy's own experiences, also reveal profound psychological insights. These stories range over much of the Russian world of the nineteenth century, from the nobility to the peasantry, the military to the clergy, from merchants and cobblers to a horse and a tree. Together they present a fascinating picture of Tolstoy's skill and artistry. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-

He carries a dark secret that, if revealed, could cost his freedom. Or his life. Now, it's late 1965. The Drifter, camped in central Idaho, stumbles across a woman's body. Though his first instinct is self-preservation, he decides to give the corpse a decent burial. Bad idea. Discovered by a search party and wounded by a bullet, the Drifter is chased through Idaho's rugged wilderness. He runs for his life, headlong into a baffling mystery involving UFOs and murder. It will take all the Drifter's cunning - and lots of luck - to survive, as *Kissing Asphalt* pits him in a harrowing life or death struggle against Nature, against his fellow man, and against himself. Journey Home Jennifer Kavanagh,2012-04-27 Home - one of the most emotive words in any language. But it can mean different things to different people and, based on extensive interviews, Jennifer Kavanagh explores our outer and inner identities and asks: ‘What does home mean to you?’

Home is not just four walls or the country in which we were born. It is not a locked door, an investment, a legal address, or a nation with rigid borders. Home is where the heart is: a yearning for a precious past, a dream of something that has never been, or a present reality. In relationship – with our families, in community, and with the whole of creation. In this compelling and immensely readable book, Kavanagh suggests that we will never be at home unless we are at home to ourselves. Home is where we all want to be. ,

Inadmissible Kimbra Eberly,2020-11-03 The story of Lizzie Borden revolves around one of the most sensational unsolved crimes in American history. Andrew and Abby Borden, Lizzie's father and stepmother, were killed in a horrifying double axe murder. Their violent deaths occurred in the nineteenth century, at a time when women were ruled by the heavy hand of patriarchy, and still had no legal rights. Also in this era, the Women's Suffrage movement emerged as a powerful force that began to shift society toward greater freedom and legal protections for women. As I looked deeply into the Borden case, I discovered numerous murderous women in the Victorian era whose circumstances echoed elements of Lizzie's story. They, too, struggled with harshly restrictive laws and cultural norms that deprived them of so much. Did these unendurable pressures and expectations drive all of them to murder?
