Simple Pleasures Candles The Editors of Conari Press,2004-03-01 Simple Pleasures: Candles is a beautiful little book (CD-sized) that offers over forty ways to use candles to decorate, create ambience, and warm your house even in the summer months. (Do this by replacing the logs in your fireplace with a selection of substantially-sized candles.) Also included are inspirational quotes and ways to craft Candle Pots (perfect for a table or sideboard arrangement) and Candle Collars (great for dressing up a candle to then give as a gift). Here's a selection for bathing by candlelight: "I love to bathe solely by candlelight. The warm glow gives a relaxing atmosphere to dream and let stress melt away. I used to live in an apartment with a nice-sized bathroom shelf that accommodated a dozen votives, but recently I moved and there seemed to be no suitable place for my candles. I thought I would have to give up this pleasure, but then I put up corner bracket shelves and mounted candle lanterns on them. Now, even when the candles are not lit, my bathroom has a wonderful exotic flair that everyone comments on!" Ah, there is nothing like staying at home for real comfort. "Jane Austen

Live Streaming with the Dead – when Ancestors Visit Helen Neila Green,2014-09-19 The story element of Live Streaming with the Dead: When Ancestors Visit is constructed using factual information. The pictorial evidence presented of ancestral communication is real. All the characters are real people, and the scenarios are based on actual occurrences. Ancestral communication has taken place while this book was being written, and in a manner of speaking, such a phenomenon can perhaps be viewed as a form of "live-streaming with the dead." Music forms an

essential part of what is termed the spiritual investigation process discussed throughout this book. Each song or piece of music—or, in a number of cases, the lyrics, which are filled with messages—that has been quoted is relevant to the story with respect to the band or to the artist. The music also encourages the reader to tune in to the mental power of sound, thus demonstrating that the power of sound, although not expressed out loud as such, enables an additional medium to be utilized so that we may explore an added dimension, as it were, in awakening the reader’s “mental audio” faculties.

The Temporary European Cameron Hewitt,2022-02-01 Write guidebooks, make travel TV, lead bus tours? Cameron Hewitt has been Rick Steves’ right hand for more than 20 years, doing just that. *The Temporary European* is a collection of vivid, entertaining travel tales from across Europe. Cameron zips you into his backpack for engaging and inspiring experiences: sampling spleen sandwiches at a Palermo street market; hiking alone with the cows high in the Swiss Alps; simmering in Budapest’s thermal baths; trekking across an English moor to a stone circle; hand-rolling pasta at a Tuscan agriturismo; shivering through Highland games in a soggy Scottish village; and much more. Along the way, Cameron introduces us to his favorite Europeans. In Mostar, Alma demonstrates how Bosnian coffee isn’t just a drink, but a social ritual. In France, Mathilde explains that the true mastery of a fromager isn’t making cheese, but aging it. In Spain, Fran proudly eats acorns, but never corn on the cob. While personal, the stories also tap into the universal joy of travel. Cameron’s travel motto (inspired by a globetrotting auntie) is Jams Are Fun—the fondest memories arrive when your best-laid plans go sideways. And he encourages travelers to stow their phones and guidebooks, slow down, and savor those magic moments that arrive between stops on a busy itinerary. The stories are packed with inspiration and insights for your next trip, including how to find the best gelato in Italy, how to select the best produce at a Provençal market, how to navigate Spain’s confusing tapas scene, and how to survive the experience of driving in Sicily (hint: just go numb). And you’ll get a reality check for every traveler’s dream job: researching and writing guidebooks; guiding busloads of Americans on tours around Europe; scouting and producing a travel TV show; and working with Rick Steves and his merry band of travelers. It’s a candid account of how the sausage gets made in the travel business—told with warts-and-all honesty and a sense of humor. For Rick Steves fans, or anyone who loves Europe, *The Temporary European* is inspiring, insightful, and fun.

One Candle Eve Bunting,2004-09-21 For one family the traditional Hanukkah celebration has a deeper meaning. Amidst the food and the festivities, Grandma and Great-Aunt Rose begin their story -- the one they tell each year. They pass on to each generation a tale of perseverance during the darkest hours of the Holocaust, and the strength it took to continue to honor Hanukkah in the only way they could. Their story reaffirms the values of tradition and family, but also shows us that by continuing to honor the tragedies and the triumphs of the past there will always be hope for the future.
