Star-Crossed Dragons Chris Cannon,2021-02-01 Sara Sinclair might be a Blue Dragon ice princess, but she certainly doesn't act like one. And she definitely doesn't buy into the Blue Dragon Clan's crap that says marriage should focus on alliances and power. So Sara's furious when her Blue parents sign a contract for her to marry an absolute asshat. She has zero interest in being one half of a snobby Blue power couple—especially when she'd rather bite her obnoxious fiancé's head off and bury it in the garden. There's also the small problem of Ian McKenna, a fire-breathing Red Dragon who is everything her fiancé is not. Of course, dating Ian is forbidden. Getting involved with anyone outside of your Clan is against Directorate law. Ian could be thrown in jail or executed without a trial. But now that she knows what love feels like, how could she ever marry someone else? Now the only way Ian and Sara can be together is by giving up their dragon way of life. No flying. No magic. No family or friends. And if Sara knows anything, it's that stories like this never turn out well...

Billy Cannon Charles N. deGravelles,2015-09-07 Billy Cannon's name, his image, and his remarkable athletic career serve as emblems for Louisiana State University, the Southeastern Conference, and college football. LSU's only Heisman Trophy winner, Cannon led the Tigers to a national championship in 1958, igniting a love of the game in Louisiana and establishing a tradition of greatness at LSU. But like many stories of lionized athletes who rise to the status of legend, there was a fall—and in the case of Billy Cannon, also redemption. For the first time, Charles N. deGravelles reveals in full the thrilling highs and unexpected lows of Cannon's life, in *Billy Cannon: A Long, Long Run*. Through conversations with Cannon, deGravelles follows the athlete-turned-reformer from his boyhood in a working-class Baton Rouge neighborhood to his sudden rush of fame as the leading high school running back in the country. Personal and previously unpublished stories about Cannon's glory days at LSU and his stellar but controversial career in the pros, as well as details of his indictment for counterfeiting and his post-release work as staff dentist at Louisiana State Penitentiary at Angola, unfold in a riveting biography characterized by uncanny success, deep internal struggles, and a champion's spirit that pushed through it all.

Artillery Through the Ages Albert Manucy,2023-12-16 Looking at an old-time cannon, most people are sure of just one thing: the shot came out of the front end. For that reason, these pages are written; people are curious about the fascinating weapon that so prodigiously and powerfully lengthened the warrior's arm. And theirs is a justifiable curiosity, because the gunner and his art played a significant role in American history. Going Down in Flames Chris Cannon,2014-06-30 If her love life is going down in flames, she might as well spark a revolution. Finding out on your sixteenth birthday you're a shape-shifting dragon is tough to swallow. Being hauled off to an elite boarding school is enough to choke on. Since Bryn is the only crossbreed at the Institute for Excellence, all eyes are on her, but it's a particular black dragon, Zavien, who catches her attention. Zavien is tired of the Directorate's rules. Segregated clans, being told who to love, and close-minded leaders make freedom of choice almost impossible. The new girl with the striped hair is a breath of fresh air, and with Bryn's help, they might be able to change the rules. At the Institute, old grudges, new crushes, and death threats are all part of a normal day for Bryn. She'll need to learn to control her dragon powers if she wants to make it through her first year at school. But even focusing on staying alive is difficult when you're falling for someone you can't have... James P. Cannon and the Origins of the American Revolutionary Left, 1890-1928 Bryan D. Palmer,2010-10-01 Bryan D. Palmer's award-winning

study of James P. Cannon's early years (1890-1928) details how the life of a Wobbly hobo agitator gave way to leadership in the emerging communist underground of the 1919 era. This historical drama unfolds alongside the life experiences of a native son of United States radicalism, the narrative moving from Rosedale, Kansas to Chicago, New York, and Moscow. Written with panache, Palmer's richly detailed book situates American communism's formative decade of the 1920s in the dynamics of a specific political and economic context. Our understanding of the indigenous currents of the American revolutionary left is widened, just as appreciation of the complex nature of its interaction with international forces is deepened.

Five Lives Remembered Dolores Cannon,2009 THE BEGINNING What do you do when you discover information that is before its time? What do you do when your curiosity takes you on an adventure that is so bizarre that there is nothing normal to relate to? This is what happened to Dolores Cannon in 1968, long before she began her career as a past-life hypnotherapist and regressionist. Travel back with us to that time when the words reincarnation, past-lives, regression, walk-ins, New Age were unknown to the general population. This is the story of two normal people, who accidentally stumbled across past-lives while working with a doctor to help a patient relax. It began so innocently, yet it crossed the boundaries of the imagination to open up an entirely new way of thinking at a time when such a thing was unheard of. It went totally against the belief systems of the time. It was so startling that they should have stopped, but their curiosity demanded that they continue to explore the unorthodox. The experiment changed the participants and everyone involved, and their beliefs would never be the same. Dolores Cannon is now a world-renowned hypnotherapist who has explored thousands of cases in the forty years since 1968, and has written fifteen books about her discoveries. Her books are translated into more than 20 languages. She is teaching her unique form of hypnosis all over the world. When she lectures people ask, How did you get started on all of this? This is the story of her beginnings. The book was written in 1980, her very first book. It has laid dormant, gathering dust, until now, waiting. Now is the time for it to come forth. Enjoy the adventure!
