Walter Karp

*Captain Carp Saves the Sea* John Larsen,1983

Whale's Revenge Walter Karp,2014-09-18 Here, in this short-form book by award-winning historian and journalist Walter Karp, is the harrowing story of the Essex, which was sunk by an eighty-ton whale and inspired the writing Moby Dick.

**The Captain's Secret** John E. Seaman,2008 Nick was found dazed and wandering on a beach, his memory gone. Now he is alone and on the run in the Seventh Ward of the Lower East Side--the Bishop's criminal empire, where survival requires both luck and courage. Nick gains a foothold when a destitute actor takes him in. Soon he meets an extraordinary rat who reads his mind and becomes his sidekick. Then Nick joins the Mongrels, and the five boys get caught in the Bishop's grinder--forced to commit crimes on demand. Escape seems impossible. Then Nick hears a rumor about loot from a railroad robbery and sees an opportunity. His little sidekick challenges him to be a captain. Nick steps up and leads the Mongrels in a daring plan that takes them into an abandoned tunnel. Will the plan succeed? Will Nick discover his lost identity? Part fantasy and part fast-paced action and suspense, this gallery of earthy characters provides a vivid portrayal of the gritty New York underworld in 1903.

*Secret Service in the Cold War* John B. Sanderson,Myles Sanderson,2020-04-17 The action-packed biography of a British intelligence officer who took part in major political events of the 20th Century before and during the Cold War. World War II had been won, but relationships between the Western Allies and the Soviet Union were weakening as the nuclear arms race made world peace precarious. Britain needed to know the Soviets' intentions and military capabilities. A Secret Intelligence Service officer, Lieutenant Colonel John Sanderson had the job of finding out. This is his story. Based on Sanderson's letters and personal accounts of his time with MI4 and MI6, this biography details his handling of secret agents behind the Iron Curtain at the height of the Cold War and organization of hidden arms depots. He observed the Paris UNO Security Council in 1948 and recruited émigrés for infiltration into Communist Bulgaria. He also reported on the Communist show trials in Sofia in 1949. Twelve years later, London tasked him to photograph the latest MIG fighter with the help of a CIA colleague. His getaway wasn't easy . . . Sanderson's early service life was equally challenging, from defending Britain's coastline in 1940, picking up downed pilots during the Battle of Britain, to fighting Japanese forces in Asian jungles, before returning to London to join the Secret Intelligence Services. Get the inside story on events like the Berlin Air Lift, the Suez Invasion, the Cuban Missile Crisis, and the fall of the Berlin Wall. Experience Kim Philby and George Blake's treachery and the effects the two "Olegs," the Russian Colonels Penkovsky and Gordievsky, had on the international politics of Khrushchev, Kennedy, Gorbachev, Thatcher, and Reagan—and the course of world history.

Airman ,1991

**Polar Star** Martin Cruz Smith,2013-08-15 Don't miss the latest book in the Arkady Renko series, THE SIBERIAN DILEMMA by Martin Cruz Smith, 'the master of the international thriller' (New York Times) - available to order now! AN ARKADY RENKO NOVEL: #2 'One of those writers that anyone who is serious about their craft views with respect bordering on awe' Val McDermid 'Makes tension rise through the page like a shark's fin' Independent \*\*\* Arkady Renko, former Chief Investigator of the Moscow Town Prosecutor's Office, made too many enemies and lost the favour of his party. After a self-imposed exile in Siberia, Renko toils on the 'slime line' of a factory ship in the Bering Sea. But when an adventurous Georgian woman comes up with the day's catch, the signs of murder are undeniable. Up against the Soviet bureaucracy in a complex international web, Renko must again become the obsessed, dedicated cop he once was. And in doing so, he discovers much more than he bargained for . . . Praise for Martin Cruz Smith 'The story drips with atmosphere and authenticity - a literary triumph' David Young, bestselling author of Stasi Child 'One of those writers that anyone who is serious about their craft views with respect bordering on awe' Val McDermid 'Cleverly and intelligently told, The Girl from Venice is a truly riveting tale of love, mystery and rampant danger. I loved it' Kate Furnivall, author of The Liberation 'Smith not only constructs grittily realistic plots, he also has a gift for characterisation of which most thriller writers can only dream' Mail on Sunday 'Smith was among the first of a new generation of writers who made thrillers literary' Guardian 'Brilliantly worked, marvellously written . . . an imaginative triumph' Sunday Times 'Martin Cruz Smith's Renko novels are superb' William Ryan, author of The Constant Soldier

**Superior Beef** Kenny Ferguson,2018-12-23 One stormy night, a Superior Beef delivery truck crashes, killing the driver. When troopers arrive, they find a big surprise. Not only is the driver dead, but there are three other dead bodies in the rear of the truck, wrapped in plastic. Soon, it comes to light that two of the dead men in the back of the truck were on duty police detectives, and so begins the public outcry for justice. This gruesome story remains on the front page of the newspapers for weeks, and all police investigations to find the killers are stalled because of a lack of evidence. Desperate, the mayor calls Charlie Weadock, a retired Internal Affairs Investigator, whose brother-in-law was one of the victims. Charlie might be a little rusty, but it doesn't take him long to learn that Superior Beef is associated with a New York crime family. The case is overshadowed by the mob, as well as distractions from several government agencies and the fact that Charlie's wife is pregnant, but he blocks out the media hubbub and accepts the mayor's challenge. He creates his own investigative team by gathering a group of current and former police officers and one world class criminal informant.

*The Magnificent Bastards* Keith Nolan,2009-10-07 On April 29, 1968, the North Vietnamese Army is spotted less than four miles from the U.S. Marines' Dong Ha Combat Base. Intense fighting develops in nearby Dai Do as the 2d Battalion, 4th Marines, known as "the Magnificent Bastards," struggles to eject NVA forces from this strategic position. Yet the BLT 2/4 Marines defy the brutal onslaught. Pressing forward, America's finest warriors rout the NVA from their fortress-hamlets--often in deadly hand-to-hand combat. At the end of two weeks of desperate, grinding battles, the Marines and the infantry battalion supporting them are torn to shreds. But against all odds, they beat back their savage adversary. The Magnificent Bastards captures that gripping conflict in all its horror, hell, and heroism. "Superb . . . among the best writing on the Vietnam War . . . Nolan has skillfully woven operational records and oral history into a fascinating narrative that puts the reader in the thick of the action." -Jon T. Hoffman, author of Chesty "Real and gripping . . . combat with all the warts on." -Lieutenant General Victor H. Krulak, USMC (Ret.)

**Pandora's Legions** Christopher Anvil,2002 Complacently expanding for centuries without major obstacles, the benevolent Centran Empire comes across Earth. In spite of the Centran superiority in technology, the conquest is a nightmare. As a result, a Centran leader has an idea--since humans are so good at fighting, why not send teams of them to planets proving difficult for the Centran Empire?

Snowstorm in August Marshall Karp,2022-06-07 The riveting new thriller from Marshall Karp, cocreator and coauthor, with James Patterson, of the #1 New York Times bestselling NYPD Red series The most powerful drug lord on the planet, Joaquín Alboroto, has a gift for New York City—four thousand pounds of uncut cocaine burying Central Park and raining death upon hundreds of innocent people enjoying a summer afternoon. The only NYPD unit trained to go up against this level of terrorism has been disbanded, so the task falls to former NYPD captain Danny Corcoran. In this heart-stopping, unflinching, and highly entertaining thriller of life and death, drugs and heroism, Corcoran leads a team of retired top cops, funded by four anonymous billionaires, on a mission to stop Alboroto before it's too late. Snowstorm in August also features a sneak peek of the popular NYPD Red series, NYPD Red 7: The
