The White Coat Investor James M. Dahle, 2014-01 Written by a practicing emergency physician, The White Coat Investor is a high-yield manual that specifically deals with the financial issues facing medical students,

residents, physicians, dentists, and similar high-income professionals. Doctors are highly-educated and extensively trained at making difficult diagnoses and performing life saving procedures. However, they receive little to no training in business, personal finance, investing, insurance, taxes, estate planning, and asset protection. This book fills in the gaps and will teach you to use your high income to escape from your student loans, provide for your family, build wealth, and stop getting ripped off by unscrupulous financial professionals. Straight talk and clear explanations allow the book to be easily digested by a novice to the subject matter yet the book also contains advanced concepts specific to physicians you won't find in other financial books. This book will teach you how to: Graduate from medical school with as little debt as possible Escape from student loans within two to five years of residency graduation Purchase the right types and amounts of insurance Decide when to buy a house and how much to spend on it Learn to invest in a sensible, low-cost and effective manner with or without the assistance of an advisor Avoid investments which are designed to be sold, not bought Select advisors who give great service and advice at a fair price Become a millionaire within five to ten years of residency graduation Use a Backdoor Roth IRA and Stealth IRA to boost your retirement funds and decrease your taxes Protect your hard-won assets from professional and personal lawsuits Avoid estate taxes, avoid probate, and ensure your children and your money go where you want when you die Minimize your tax burden, keeping more

of your hard-earned money Decide between an employee job and an independent contractor job Choose between sole proprietorship, Limited Liability Company, S Corporation, and C Corporation Take a look at the first pages of the book by clicking on the Look Inside feature Praise For The White Coat Investor Much of my financial planning practice is helping doctors to correct mistakes that reading this book would have avoided in the first place. - Allan S. Roth, MBA, CPA, CFP(R), Author of How a Second Grader Beats Wall Street Jim Dahle has done a lot of thinking about the peculiar financial problems facing physicians, and you, lucky reader, are about to reap the bounty of both his experience and his research. - William J. Debt-Proof Living Mary Hunt, 2014-07-29 Your fool-proof guide to paying off debt, planning for the future, and breaking free of our debt-loving culture. The consumer credit industry wants us to believe that debt is necessary to bridge the gap between our pitiful incomes and the lifestyles we desire. But the problem is not that we don't have enough money. It's that we don't know how to manage the money we already have. And until we learn that, more money will never be enough. In this life-changing book, Mary Hunt shows you how to live a rich, fulfilling life without any consumer debt. By applying her simple principles and specific methods, you will learn how to effectively manage and maximize the money you have. No more guessing, wondering, or worrying. Just peace and a more abundant life. What have you got to lose?

The Latte Factor David Bach, John David Mann, 2019-05-07 INSTANT NEW YORK TIMES, USA TODAY, WALL STREET JOURNAL, AND INTERNATIONAL BESTSELLER Discover #1 New York Times bestselling author David Bach's three secrets to financial freedom in an engaging story that will show you that you are richer than you think. Drawing on the author's experiences teaching millions of people around the world to live a rich life, this fast, easy listen reveals how anyone—from

millennials to baby boomers—can still make his or her dreams come true. In this compelling, heartwarming parable, Bach and his bestselling coauthor John David Mann (*The Go-Giver*) tell the story of Zoey, a twenty-something woman living and working in New York City. Like many young professionals, Zoey is struggling to make ends meet under a growing burden of credit card and student loan debt, working crazy hours at her dream job but still not earning enough to provide a comfortable financial cushion. At her boss's suggestion, she makes friends with Henry, the elderly barista at her favorite Brooklyn coffee shop. Henry soon reveals his "Three Secrets to Financial Freedom," ideas Zoey dismisses at first but whose true power she ultimately comes to appreciate. Over the course of a single week, Zoey discovers that she already earns enough to secure her financial future and realize her truest dreams—all she has to do is make a few easy shifts in her everyday routine. *The Latte Factor* demystifies the secrets to achieving financial freedom, inspiring you to realize that it's never too late to reach for your dreams. By following the simple, proven path that Henry shows Zoey, anyone can make small changes today that will have big impact for a lifetime, proving once again that "David Bach is the financial expert to listen to when you're intimidated by your finances" (Tony Robbins, #1 New York Times bestselling author of *Money: Master the Game*).

Debt-Free Degree Anthony ONeal, 2019-10-07 Every parent wants the best for their child. That's why they send them to college! But most parents struggle to pay for school and end up turning to student loans. That's why the majority of graduates walk away with \$35,000 in student loan debt and no clue what that debt will really cost them.¹ Student loan debt doesn't open doors for young adults—it closes them. They postpone getting married and starting a family. That debt even takes away their freedom to pursue their dreams. But there is a different way. Going to college without student loans is possible! In Debt-Free Degree, Anthony ONeal teaches parents how to get their child through school without debt, even if they haven't saved for it. He also shows parents: *How to prepare their child for college *Which classes to take in high school *How and when to take the ACT and SAT *The right way to do college visits *How to choose a major A college education is supposed to prepare a graduate for their future, not rob them of their paycheck and freedom for decades. Debt-Free Degree shows parents how to pay cash for college and set their child up to succeed for life.
