Jeanne DuPrau

**Car Trouble** Jeanne DuPrau, 2016-01-28 Duff Pringle has bought his first car. (Used.) He's got six days to drive 3,000 miles cross-country to California and start a new hi-tech job that will make him wealthy. (Sort of.) Nothing can stop him. (Or can it?) Uh-oh . . . CAR TROUBLE. Duff's Ford Escort barely makes it a hundred miles from home before breaking down. What's he supposed to do? He's promised his new boss he'll be there by Monday. But he's also promised himself that he'll make this journey by car, so he can really see the country. Using his laptop and some quick thinking, he pieces together a way to continue his trip. What he doesn't plan on are the people he meets along the road. There's Stu, a hitchhiker with a secret; Bonnie, an aspiring singer with a con artist for a mother; two thugs looking for a trunkful of cash; and Moony, the terrier prone to carsickness.

*Car Trouble* Robert Rorke, 2018-09-11 From a bright new talent, a witty, moving, and inspirational coming-of-age debut novel set in 1970s Brooklyn about a teenager and his abusive father whose obsession with broken down vintage cars careens wildly out of control. “Such a pleasure to read.... This is a coming of age story, but it is also so much more than that.”—Dominic Smith, New York Times bestselling author of *The Last Painting of Sara de Vos* Nicky Flynn is coming-of-age in 1970s Brooklyn, riding into his sophomore year at St. Michaels, the last hurrah of the Diocesan school system. A budding young actor, Nicky is at once sensitive, resilient, exasperated, and keenly observant—especially when it comes to his father, Patrick. Undeniably enigmatic, and coasting on vanity, charm, and desperation, “Himself” as Nicky calls his father, is given to picking up old car junkers, for cheap at NYPD auctions—each sputtering, tail-finned treasure subsidized by poker games. To Patrick, these chrome glamour tanks are his obsessions, repairable reminders of the past when he was young, and everything seemed new and gleaming and possible—before he had a family. For Nicky, each one is a milestone. Whether it’s a harrowing joy ride or a driving lesson, they’re unforgettable markers on his path toward an unpredictable future. But as Patrick’s compulsions slide into alcoholism and abuse, Nicky, his mother, and sisters brace themselves for an inevitable sharp turn in their addled lives. Narrated with humor and a rueful awareness, *Car Trouble* is an exhilarating novel about acceptance, regret, compassion, and finding your authentic adult self amid the rubble and rumble of growing up.

**Car Trouble** Wensley Clarkson,2011-01-25 Wensley Clarkson's mum and dad lived on a different planet from most parents as he grew up in post-war London in the late 1950s and '60s. His mother spent much of her time nursing a tumbler of whisky and a bottle of pills, while his father edited one of Britain's bestselling weekly newspapers. Most children were taken to playgrounds and parks to play, but Wensley was left sitting in the front seat of the family saloon car outside pubs for hours with a bottle of pop and a packet of crisps. As a result, he got a taste for driving at a dangerously early age and created his own strange motoring netherworld away from the boozy, irresponsible, childish adults he was supposed to look up to. *Car Trouble*

presents a portrait of a middle-class boy virtually left to run his own life in one of the world's biggest cities. Yet through that neglect emerged a quick-witted survivor whose life was uniquely shaped by his childhood obsession with cars.

**Trouble Gary D. Schmidt,2010-04-12** “Henry Smith’s father told him that if you build your house far enough away from Trouble, then Trouble will never find you.” But Trouble comes careening down the road one night in the form of a pickup truck that strikes Henry’s older brother, Franklin. In the truck is Chay Chouan, a young Cambodian from Franklin’s preparatory school, and the accident sparks racial tensions in the school—and in the well-established town where Henry’s family has lived for generations. Caught between anger and grief, Henry sets out to do the only thing he can think of: climb Mt. Katahdin, the highest mountain in Maine, which he and Franklin were going to climb together. Along with Black Dog, whom Henry has rescued from drowning, and a friend, Henry leaves without his parents’ knowledge. The journey, both exhilarating and dangerous, turns into an odyssey of discovery about himself, his older sister, Louisa, his ancestry, and why one can never escape from Trouble.

**Car Trouble Shawn Lake,2016-03-15** Back in the 1990s Ken Field gave up a thriving auto repair shop, which catered to wealthy owners of British sports cars in Portland, Oregon, and moved to Montana to start a new life. That included driving a tow truck, which meant more stories for his already rich collection - stories of driving a client's car down Portland's Front Avenue on three wheels; of the cheerful woman who poured water in her oil-filler spout to cool her engine; and of the three Native American guys, all named Eddie, who needed a late-night tow to Helena - to name just a few. Car

Trouble is really about people, who Ken handles with as much skill and generosity as he does their cars. He knows how to let his clients believe their own versions of how bad brakes, bad weather or bad luck caused their car trouble, while at the same time saving the real stories for later. There is no tow truck driver-client privilege, after all.
