*Unlikely Allies* John J. O'Brien,2016-01-20 Shortly after the end of World War II, the world is still trying to put itself back together, Europe most of all. Within the chaos, a French heroin cartel takes advantage and begins successfully trafficking drugs into the United States, via New York City, utilizing a covert Latin American organization. The DEA is on the hunt. Meanwhile, Israeli Intelligence struggles to pin down the location of ex-Nazi war criminals. Their investigation collides with that of the DEA, and two very unlikely parties become allies. As the agencies work together, they soon come to a shocking revelation. The Latin American connection, sneaking heroin onto U.S. soil, is linked to the ex-Nazis hunted by the Mossad. Now more than ever, two countries must share confidential information to stop not only a drug epidemic but also bring to justice hateful men who tortured and murdered thousands.

*Tipping the Valet* K.K. Beck,2020-08-18 Affable young parking valet Tyler Benson, a master of bad timing, is accidentally involved in cases of auto theft and murder on the lot at Alba, an upscale Seattle restaurant. There's a body in a parked car, and someone shooting at tech zillionaire Scott Duckworth. Mysterious Italian beauty Flavia Torcelli and even Tyler's spectacularly unsuccessful dad seem somehow connected to the crime wave. The more Tyler tries to sort things out, the more the police are convinced he's the guilty party. ...Oh, and a collection of inept but homicidal Russian mafiosi seems to be after him, too. "A canny sense of humor and timing... Beck is masterly in pulling all these madcap threads together even

as the rollicking suspense threatens to careen out of control (but never does).”—Publishers Weekly (starred review 7/6/15)
