*Free to Move with the Intu-Flow Longevity System* Scott Sonnon, RMAX.tv Productions Staff, 2008-09 Scott Sonnon has done it again - he's created another revolutionary approach to exercise. In *Free to Move*, Sonnon presents his Intu-Flow Longevity System which promotes a full range of motion in our joints. Sonnon's work is unique and special because he draws on a holistic collection of modalities. Sonnon uses exercise therapeutically and this text is a must have for yoga teachers, yoga therapists, and cranial sacral workers. I'm a huge fan of Makunda Stiles' Structural Yoga Therapy and often use his joint warm ups while teaching yoga. As a teacher, I always yearn for more joint exercises to use in my classes. Sonnon provides an entire text devoted to joint mobility. This book offers yoga teachers and physical trainers a wealth of movements to keep their clients inspired and focused on joint health. The results are amazing - you will feel an opening and release that is seldom experienced in traditional exercise or even in yoga.
