The Complete Casebook of Cardigan, Volume 1 Frederick Nebel, 2012-02 Frederick Nebel's unforgettable character Jack Cardigan was one of the main reasons behind the success of the legendary Dime Detective Magazine. Volume 1 of this series contains the first 11 installments, complete and uncut, with an all-new introduction by Will Murray and the original illustrations by John Fleming Gould. *Death Alley* (November, 1931), *Hell's Pay Check* (December, 1931), *Six Diamonds and a Dick* (January, 1932), *And There Was Murder* (February, 1932), *Phantom Fingers* (March, 1932), *Murder on the Loose* (April, 1932), *Rogues' Ransom* (August, 1932), *Lead Pearls* (September, 1932), *The Dead Don't Die* (October, 1932), *The Candy Killer* (November, 1932), and *A Truck-Load of Diamonds* (December, 1932).

*Charge! Hurrah! Hurrah!* Donald Thomas, 2015-10-05 For James Thomas Brudenell, 7th Earl of Cardigan, leading the Light Brigade at Balaclava was but one incident in a life of sensation and notoriety. Donald Thomas's biography, originally published in 1977, and based on new material when originally published, shows this most controversial Victorian against a panorama of regimental intrigue and aristocratic luxury. Dismissed from the army for 'revolting' conduct, Cardigan bought the command of the 11th Hussars (the 'Cherry Bums') for £40,000 a few years later. Regimental rivalries led to the 'Black Bottle' scandal of 1840 and to a duel in which he shot a brother officer. Charged with attempted murder, Cardigan was the only Victorian peer to be tried by the House of Lords. Nonetheless, his seductions of other men's wives rivalled his regimental misdemeanours in press reports. He was jeered in the streets, hissed at the theatre and burnt in effigy. It took the glory and the folly of Balaclava to turn 'this plague-spot of the British army' into 'the most popular soldier in England'. Greeted everywhere by cheering crowds, their new hero fought duels and libel actions against those who denied his bravery before the Russian guns. For all his misbehaviour, Cardigan remains warm-blooded, generous, impulsive and courageous, as well as obstinate, proud and sometimes ridiculous. Hated by numerous men, and adored by many women, his elopement with the beautiful Adeline Horsey de Horsey was a triumph of his old age.

*The Homicidal Earl: the Life of Lord Cardigan* Saul David, 2018-10-27 The 7th Earl of Cardigan will forever be remembered as the man who led the infamous Charge of the Light Brigade at Balaclava in 1854. A fatal event for so many of his men, it was to rejuvenate Cardigan's life. Hitherto his career had been dogged by public scandal and professional disgrace: a failed marriage to a divorcee, two court appearances for adultery, two courts martial, numerous duels (earning him the sobriquet 'The Homicidal Earl'), a state of trial for intent to murder, dismissed from the command of a crack cavalry regiment, blackballed forty-six times by the leading military club, hissed at in theatres, questions asked

about his conduct in Parliament. All were conveniently forgotten in the wake of his valour at Balaclava. But was Lord Cardigan a hero? Or was the fierce criticism of his conduct in the Crimea by fellow officers - that he ill-treated horses and men and, even worse, saved his own skin at Balaclava - justified, and in keeping with his reprehensible past? Cast against the colourful of a country in the throws of social, political and economic revolution, Lord Cardigan stands as a man both of and outside his times. Celebrated for his bravery and damned for his incorrigible and scandalous behaviour, even today he seems at once fascinating yet reprehensible, appealing yet repellent.

**Light Dragoons** Allan Mallinson, 2012-06-11 Although only formed in December 1992, The Light Dragoons look back to a history that began in the days of the first Jacobite rebellion. In 1922 a reduction in the Army's strength saw the amalgamation of four regiments of Hussars into the 13th/18th Hussars and the 15th/19th Hussars. Now they too have been amalgamated, with a name that reverts to the titles of the four original regiments in the eighteenth century. Allan Mallinson, the novelist and a former commanding officer of the 13th/18th Hussars, not only follows with admirable clarity and dexterity the fortunes of The Light Dragoons' predecessors in this new edition, but describes the activities of the new regiment up to the minute. It is a crowded canvas which reflects much of the last two hundred and seventy years of British history. No campaign of significance has been fought in that time without the participation of one or more of the Regiments. Three, for instance, fought in the Peninsula, one in the Crimea and three in South Africa. In the twentieth century they gained fresh honours in both World Wars and, since 1945, have been fully involved in Britain's withdrawal from Empire, the Cold War, United Nations' peacekeeping and Iraq and Afghanistan. The new Postscript gives the reader a fine account of what wars in Bosnia and Iraq have involved for the Regiment and the men who serve in it and this updated history is a superb 'snapshot' of life in war and peace for a British armoured reconnaissance regiment. Light Dragoons takes its place among the classics of this genre such as Sir Arthur Bryant's *Jackets of Green* and Rudyard Kipling's account of the Irish Guards in the Great War.

Dinosaurs on Other Planets Danielle McLaughlin,2016 In a raw seacoast cabin, a young woman watches her boyfriend go out with his brother, late one night, on a mysterious job she realizes she isn't supposed to know about. A man gets a call at work from his sister-in-law, saying that his wife and his daughter never made it to nursery school that day. A mother learns that her teenage daughter has told a teacher about problems in her parents marriage that were meant to be private problems the mother herself tries to ignore. McLaughlin conveys these characters so vividly that readers will feel they are experiencing real life. Often the stories turn on a single, fantastic moment of clarity after which nothing can be the same.--
