Fair Play Eve Rodsky,2021-01-05 AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

Free Love Tessa Hadley,2022-02-01 “Tessa Hadley recruits admirers with each book. She writes with authority, and with delicacy: she explores nuance, but speaks plainly; she is one of those writers a reader trusts.”—Hilary Mantel From the bestselling author of *Late in the Day* and *The Past* comes a compulsive new novel about one woman’s sexual and intellectual awakening in 1960s London. 1967. While London comes alive with the new youth revolution, the suburban Fischer family seems to belong to an older world of conventional stability: pretty, dutiful homemaker Phyllis is married to Roger, a devoted father with a career in the Foreign Office. Their children are Colette, a bookish teenager, and Hugh, the golden boy. But when the twenty-something son of an old friend pays the Fischers a visit one hot summer evening, and kisses Phyllis in the dark garden after dinner, something in her catches fire. Newly awake to the world, Phyllis makes a choice that defies all expectations of her as a wife and a mother. Nothing in these ordinary lives is so ordinary after all, it turns out, as the family’s upheaval mirrors the dramatic transformation of the society around them. With scalpel-sharp insight, Tessa Hadley explores her characters’ inner worlds, laying bare their fears and longings. Daring and sensual, *Free Love* is an irresistible exploration of romantic love, sexual freedom and living out the truest and most meaningful version of our selves – a novel that showcases Hadley’s unrivaled ability to “put on paper a consciousness so visceral, so fully realized, it heightens and expands your own” (Lily King, author of *Euphoria*).
