Urgent Care Jeremy Rubin,2011-06-22 Sometimes, life can get boring and you have to look a little harder to be entertained. Perhaps working in a candy-filled dungeon-like warehouse, attending a NASCAR race in the pouring rain or even melting action figures and setting fire to a public park is where you might find some sought after fun. In an unforgiving search for laughs, Urgent Care details how one Iowan found these events, as well as snowblowing his elderly neighbor's driveway, discussing Hitler with his five year-old daughter and having drinks with a rodeo cowgirl can be both exciting and humorous ways to pass the time. After reading the author's essays of coffee addiction, his early fascination with Wheel of Fortune and adventures in returning Christmas gifts to J.C. Penney, you may also be in need of some Urgent Care.

Inspired to Change Linda R. Larin,2014 Inspired to Change presents stories of patient care - both heartbreaking and uplifting - and details the reality and impact of those services. The perspectives - written by patients, family members, and professional caregivers alike - describe the stress of illness, the leap of faith required in trusting the provider team, and the frustration of accepting that breakdowns in care sometimes occur. Viewing healthcare from these vantage points reveals that the gaps in patient care are caused by a variety of factors, including poor hand-off, miscommunication, and the expectations of patients and families as they navigate among the silos within the systems.--Back cover.
