Find Your Path Carrie Underwood,2020-03-03 NEW YORK TIMES BESTSELLER I want to be healthy and fit 52 weeks of the year, but that doesn't mean I have to be perfect every day. This philosophy is a year-round common-sense approach to health and fitness that involves doing your best most of the time—and by that I don't mean being naughty for three days and good for four. I mean doing your absolute best most of the time during every week, 52 weeks of the year.—Carrie Underwood Carrie Underwood believes that fitness is a lifelong journey. She wasn't born with the toned arms and strong legs that fans know her for. Like all of us, she has to work hard every day to look the way that she does! In FIND YOUR PATH she shares her secrets with readers, with the ultimate goal of being the strongest version of themselves, and looking as good as they feel. Carrie's book will share secrets for fitting diet and exercise into a packed routine—she's not only a multi-Platinum singer, she's a businesswoman and busy mom with two young children. Based on her own active lifestyle, diet, and workouts, FIND YOUR PATH is packed with meal plans, recipes, weekly workout programs, and guidelines for keeping a weekly food and workout journal. It also introduces readers to Carrie's signature Fit52 workout, which involves a deck of cards and exercises that can be done at home—and it sets her fans on a path to sustainable health and fitness for life. Fit52 begins with embracing the Pleasure Principle in eating, making healthy swaps in your favorite recipes, and embracing a long view approach to health—so that a cheat a day won't derail you. Throughout the book, Carrie shares her

personal journey towards optimal health, from her passion for sports as a kid, to the pressure to look perfect and fit the mold as she launched her career after winning American Idol, to eventually discovering the importance of balance and the meaning of true health. For Carrie, being fit isn't about crash diets or a workout routine that you're going to dread. It's about healthy choices and simple meals that you can put together from the ingredients in your local grocery store, and making the time, every day, to move, to love your body, and to be the best version of yourself.

Woman Walk the Line Holly Gleason, 2017-09-20 Full-tilt, hardcore, down-home, and groundbreaking, the women of country music speak volumes with every song. From Maybelle Carter to Dolly Parton, k.d. lang to Taylor Swift—these artists provided pivot points, truths, and doses of courage for women writers at every stage of their lives. Whether it's Rosanne Cash eulogizing June Carter Cash or a seventeen-year-old Taylor Swift considering the golden glimmer of another precocious superstar, Brenda Lee, it's the humanity beneath the music that resonates. Here are deeply personal essays from award-winning writers on femme fatales, feminists, groundbreakers, and truth tellers. Acclaimed historian Holly George Warren captures the spark of the rockabilly sensation Wanda Jackson; Entertainment Weekly's Madison Vain considers Loretta Lynn's girl-power anthem The Pill; and rocker Grace Potter embraces Linda Ronstadt's unabashed visual and musical influence. Patty Griffin acts like a balm on a post-9/11 survivor on the run; Emmylou Harris offers a gateway through paralyzing grief; and Lucinda Williams proves that greatness is where you find it. Part history, part confessional, and part celebration of country, Americana, and bluegrass and the women who make them, *Woman Walk the Line* is a very personal collection of essays from some of America's most intriguing women writers. It speaks to the ways in which artists mark our lives at different ages and in various states of grace and imperfection—and ultimately how music transforms not just the person making it, but also the listener.

Right Where You Are L.E. Bross, 2015-11-16 A college senior takes Carrie Underwood's

“Before He Cheats” a bit too literally in this smart, snappy new adult debut, the first in the Second Chances series, and finds herself sentenced to community service—where she meets a bad boy who might just be exactly what she needs. Avery Melrose is used to having it all. So when her boyfriend cheats on her, she reacts like any spoiled rich girl—she freaks out and vandalizes his new truck, Carrie Underwood style. Now she’s stuck with 300 hours of community service to repent her sins, and dreading every minute. Seth Hunter just got out of prison, and after a few hundred hours picking up litter on the side of the highway, he can finally put his mistakes behind him. If he can string together some kind of existence, maybe it’ll be enough to get his sister away from their stepfather, the man who sent Seth to prison in the first place. A romance between these two is doomed from the start. Girls like Avery want castles and white horses, but Seth is no prince charming. He’s not even charming. He’s pissed off, and he’s got a chip on his shoulder big enough to sink the Titanic. Spending time with Avery makes Seth think he could make something of himself, maybe even be good enough for a girl like her. But when broken promises threaten to tear them apart, will they lose their chance at happily ever after?

The Last Lecture Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he’s learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it

was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

Carrie Underwood, 2010 When Carrie Underwood went to Los Angeles to compete on American Idol, it was the first time the Checotah, OK, native had ever flown on an airplane. How did this hometown girl become one of the world's biggest celebrities and still keep her feet firmly on the ground?

Biography of Carrie Underwood (2005 American Idol Winner) Elise O., 2012-03-04 ABOUT THE BOOK From Oklahoma small town girl to platinum recording artist, Carrie Underwood has transformed before America's eyes like a character in a modern fairy tale. Though Carrie began singing at the precocious age of three in her church choir, by the time she was twenty-one, a career in singing was far from her mind. Instead, the college senior was looking forward to graduation and pursuing a career in broadcast journalism. One fateful day in 2004, though, Carrie looked up the audition locations for the fourth season of American idol. With no professional singing experience, Carrie was certain she would not be

chosen to go to Hollywood. Much to her surprise, however, judges Paula Abdul, Simon Cowell, and Randy Jackson loved the country sound of the small town girl. In 2005, Carrie breezed through the competition to become the fourth American Idol. The fairytale wasn't quite over yet. Since her American Idol victory, Underwood has become one of the biggest names in country music, making three platinum albums. Underwood has won multiple Billboard Awards, Country Music Awards, American Music Awards, and five Grammy Awards. She has crisscrossed North America several times, performing in front of sold-out crowds to millions of fans. EXCERPT FROM THE BOOK By the time Carrie was in college, she had made the decision to choose a practical career path. Singing was a dream that Carrie relegated to childhood. At Northeastern State University, Carrie concentrated on a degree in journalism. Underwood worked part-time at a pizzeria and interned with Oklahoma State Representative Bobby Frame. Underwood wasn't all work and no play. In fact, Carrie joined the Sigma Sigma Sigma sorority, also known as TriSigma, at Northeastern State. TriSigma offered Carrie an avenue to meet friends and engage in philanthropic works nearby her school. Carrie also competed in a few local beauty pageants, and was named Miss NSU runner-up in 2004. During her last year at Northeastern State University, Carrie auditioned for the fourth season of American Idol. Underwood says that though she has not taken the professional route she originally envisioned for herself, her degree still comes in handy. She says, It helps me when answering questions, especially on camera, because that's what I'm used to. I know what the reporters are looking for and I also know when they're trying to make me say something bad. They'll ask me some hot button question, something to get myself in trouble!...
