**Tales from the Slot Floor, Volume 1: Casino Slot Managers in Their Own Words** David G. Schwartz,2018-06-22 Slot machines are the backbone of most casinos. They earn the most money and determine the physical layout of the casino floor. The management of slot machines, which includes overseeing employees, selecting machines, designing the playing space, resolving customer disputes, and conducting analyses to improve operations, is a challenging field whose complexity has grown as the machines themselves have become more sophisticated. To better document the current issues in slot management--and the change the field has seen over the past four decades--the University of Nevada, Las Vegas Center for Gaming Research conducted an oral history project. Those interviewed were at all stages of their careers. Drawn from these interviews, Tales from the Slot Floor features slot managers discussing several of the most important issues in today's casino world, including: the optimal layout of a slot floor; the qualities demonstrated by both good and bad managers; what customers want from their visits to the casino; the vendor/casino relationship; appealing to millennials; and what the future holds. In addition, those with long careers share their views on the changes they have seen, and all subjects offer their advice to those embarking on a career in slot management. For those interested in becoming slot managers, or those just curious about how casinos work, Tales from the Slot Floor gives you the inside story of slot operations, from those who do it.

You can bet on the turn of the card or a roll of the dice, but also on the NFL, the NCAA, and which Olsen twin marries first. We bet \$80 billion a year, the amount growing wildly as more and more people gain access to this huge American wheel of fortune. No longer quarantined in Las Vegas, gambling has become as local and convenient as our neighborhood cineplex. If there's not a casino around the corner, there's one on your laptop computer. In *Jackpot Nation*, Richard Hoffer takes us on a headlong tour, alternately horrifying and hilarious, across our landscape of luck. Whether he's trying to win a side of bacon in a Minnesota bar, hustling a paper sack filled with \$100,000 in cash across Las Vegas parking lots, poring over expansion plans with a tribal chief in California, or visiting the New York prison cell of a retired bus salesman with a poor understanding of three-game parlays, Hoffer explores with wit and heart our national inclination—a cultural predisposition, even—to take a chance.
