Home Life of Great Authors Hattie Tyng Griswold, 2015-10-14 The author of these sketches desires to say that they were written, not for the special student of literary biography, who is already familiar with the facts here given, but rather for those busy people who have little time for reading, yet wish to know something of the private life and personal history of their favorite authors. The sketches are not intended to be critical, or to present anything like complete biographies. They are devoted chiefly to the home life of the various authors, - which, though an instructive and fascinating study, seems commonly neglected in popular biographies. It should be added that a few of these sketches have already appeared in print, but they have been rewritten to adapt them to their present purpose. H. T. G. Columbus, Wis., October, 1886.

Scotsmen Prefer Blondes Sara Ramsey, 2012-04-04 She never wanted marriage... When a friend is forced to consider a marriage of convenience, Lady Amelia Staunton is determined to rescue her. But her plans trap her in an illicit seduction, and Amelia must marry him herself. Malcolm's all-consuming kisses and devilish humor might make up for her lost freedom, but she believes he will force her to abandon the Gothic romances she yearns to write. Since she can't escape him, she must distract him from her secret... He isn't looking for love... A powerful autocrat with a well-hidden rebellious streak, Malcolm MacCabe doesn't need another beautiful mistress - he needs an obedient wife. Obedience is not one of Amelia's virtues. But he's too enthralled by her wit and passion to let her go - even if it means risking the political reputation he is building to save his clan. Their hearts can't survive the scandal... Despite their intentions, every wicked embrace binds them together. But as their conflicting desires combust into insatiable hunger and unavoidable ruin, they must decide whether to pursue their personal destinies alone - or fight for the love that could destroy them both.
