Cats and dogs Owen Jones, 2022-06-21 Cats and dogs are the most common and well-loved of all domestic creatures in most parts of the world. They play several roles including providing affection to the owner, and receiving it back; deterring unwelcome visitors, both human and other animal pests; and allowing children to get a little closer to nature. However, they need to be looked after correctly, and this short manual aims to give you a few tips on how to do that. The information in this ebook on various aspects of cats and dogs and related subjects is organized into 18 chapters of about 500-600 words each. It will help people who live with cats and dogs, our favourite pets, understand the basics

about these lovely animals than increase our happiness and lifespan. As an added bonus, I am granting you permission to use the content on your own website or in your own blogs and newsletter, although it is better if you rewrite them in your own words first. You may also split the book up and resell the articles. In fact, the only right that you do not have is to resell or give away the book as it was delivered to you. Why Dogs Are Better Than Cats Bradley Trevor Greive, Rachael McKenna, 2009 Some pairings are just meant to be: peanut butter and chocolate, yin and yang, Fred Astaire and Ginger Rogers. So it was only a matter of time before the stars in the universe lined up and suggested the collaboration between New York Times bestselling author Bradley Trevor Greive and award-winning photographer Rachael Hale. Teaming up on their first collaborative effort, Greive and Hale explain once and for all 'Why Dogs Are Better Than Cats'. Now, before all you cat lovers find your fur standing on end, Greive is quick to stress that he is simply pro-dog, not anti-cat. Children's Book : Pets War Salmon Peppers, Charlie Charlie Publishing, Amma Lee, 2016-12-06 Spike, a brown Spaniel, has always been interested in certain aspects of humans' lives, so it was no surprise that the dog kept up with the humans' news reports. One day while at home relaxing with his great pal Doug, a Golden Retriever, the two were shocked when cats won the contest for best pet of the year. To Spike and Doug, cats are lazy and mean creatures that only think about themselves. After learning this, Spike thought of a way to make the humans change their minds and redo that poll. After surveying the animals in the city and learning that all the animals were outraged at the results, Spike told them of his plan for his group to help the humans around the city until they see that they were the best animals and not the cats. However, when the cats learned of Spike's team's intentions, they went straight into action. These animals would not take that title from the cats, especially not a dog! In *The Fight for Best Pet*, Spike along with his friends, Doug the Golden Retriever, Tweet the yellow Warbler, Charlee the Hamster, and the other various animals, attempt to show the humans that they're the best. However, the cats do not plan to go down without a fight, and they will do anything to keep their title, even if it means turning their enemies into dog food.
