Cat Owner's Home Veterinary Handbook Debra M. Eldredge, DVM, Delbert G. Carlson, DVM, Liisa D. Carlson, DVM, James M. Giffin, MD, 2008-01-07 The classic bestseller--expanded and updated For years, many veterinary treatments for cats were based on research conducted with dogs because it was wrongly assumed that cats were very similar. Recently, there have been giant strides in feline veterinary research. This classic reference is fully updated and revised to reflect these advances and gives you the most up-to-date guidance on cat health and cat care. It includes: An index of signs and symptoms to help you find information fast Clearly written, step-by-step directions for handling common feline ailments and problems Hundreds of photos, drawings, and tables that illustrate what to look for and how to provide the best care for your cats All new anatomical drawings and diagrams New information on genetics, geriatrics, drug sensitivities, raw diets, arthritis medications, dental disease, and more Information on supplements, nutraceuticals, and holistic treatments that have proven beneficial Interesting findings on cat behavior Whether you have a kitten or a senior cat, this resource helps you quickly identify potential problems, take proper steps in emergency situations, better understand diagnoses and treatment options, and communicate more effectively with your veterinarian. This is the hands-on reference you'll trust again and again.

Cat Owner's Home Veterinary Handbook Delbert G. Carlson, James M. Giffin, 1983 Cat Owner's Home Veterinary Handbook Fully revised and expanded, the Cat Owner's Home Veterinary Handbook is the most essential book any cat owner can have. Clearly written, step-by-step directions give you vital information at your fingertips: when you can treat your cat yourself and how to communicate signs and symptoms so that your veterinarian can give your pet the best care possible. A quick reference section on emergencies, all in alphabetical order, enables every owner to find information fast when time is shortest. An index of signs and symptoms on the inside front cover puts every page reference right at hand. Headings in boldface type make finding the right information easy, and charts and tables on vaccinations, household drugs, antibiotics and much more, give complete answers to questions all cat owners ask. A thoroughly detailed index highlights all items covered. Over 200 illustrations enhance every owner's understanding of how to give pills and other medications, how to take a cat's temperature and how to apply bandages. Here in one comprehensive volume is the latest in lifesaving procedures and all veterinary therapies to help you give your cat a lifetime of good care.

Virtually every problem that owners will encounter is dealt with in language that teaches everyone how to cope with and prevent those unpleasant surprises. Part of the cat's mystique is a uniquely curious nature. This innate curiosity can create many dangerous situations and unwelcome consequences. This book, a classic in its first edition, has been updated to include the very latest solutions to the daily occurrences and special problems in all phases of cat care, including behavior and training. Yes, training! Now, in clear and simple terms, symptoms are identified and thorough instructions are given so that with this book, owners can become the best friends their cats can have in a lifetime.

The Cat Owner's Veterinary Handbook John Bower, 2009 The Cat Owner's Veterinary Handbook covers all aspects of the cat in sickness and in health. It does not replace the vet but presents helpful advice on home treatments, where this is applicable, and informs the owner when to seek professional advice. Packed full of information, it will be invaluable to the millions of caring owners who regard their cat as 'one of the family'. It is written in plain, everyday language by an experienced veterinary surgeon who has been involved in the medical and surgical problems of the cat for over thirty-five years. The book includes two chapters concerning normal cat behavior and behavioral problems which have been written by John's wife, Caroline, who is also a veterinary surgeon. AUTHOR John Bower was the senior partner in a small animal veterinary hospital practice in Plymouth for nearly forty years. His special interests include cat and dog medical problems and the relationship between pets and their owners. John was president of the British Small Animal Veterinary Association in 1984/5 and president of the British Veterinary Association in 1989/90. He frequently writes for the veterinary press and has a regular programme on BBC Radio Devon. John has co-authored several dog, cat and veterinary books including The Dog Owner's Veterinary Handbook [Crowood 1989, third impression 2006], which he wrote with David Youngs and which is a companion volume to this present book. Resident - Devon Caroline Bower is one of the senior partners in the Veterinary Hospital Group in Plymouth. In addition to her veterinary qualification, Caroline has gained a diploma in companion animal behaviour counselling and is a member of the Association of Pet Behaviour Counsellors [APBC]. SELLING POINTS *A very readable and comprehensive manual covering all aspects of the cat in sickness and in health *Packed full of information, it will be invaluable to all those who own a cat, or have an interest in cat health and welfare, as well as veterinary students *This book does not replace the vet, but presents helpful advice on home treatments and when to seek professional advice *Superbly illustrated with 206 colour photographs and diagrams ILLUSTRATIONS 206 colour photographs and diagrams *

The Veterinarians' Guide to Your Cat's Symptoms Michael S. Garvey, D.V.M., Anne E. Hohenhaus, D.V.M., Katherine A. Houpt, D.V.M., John E. Pinckney, D.V.M., Melissa S. Wallace, D.M.V., 2010-05-26 The experts reveal how to interpret and understand your cat's symptoms and what steps to take to ensure its health. This comprehensive and practical book is designed to assist cat owners in understanding their pets' bodies and health based on signs and symptoms of disease, and in determining the most common medical problems that might cause particular symptoms. Adopting the decision chart format from popular symptom guides for human ailments, such as the American Medical Association's Guide to Your Family's Symptoms and Take Care of Yourself, five leading veterinarians have designed a user-friendly chart system that will guide a pet owner from noting the symptom and observing the cat's behavior to understanding the associated signs of an illness, the possible conditions, and the best steps to take. Filled with more than 150 charts in an easy-to-follow two-color format and medical drawings, The Veterinarians' Guide to Your Cat's Symptoms is the indispensable reference for cat owners. It not only considers the problems of sick and injured pets, but also addresses the needs of healthy animals. It has all the information a cat owner needs: ,

What a healthy cat should look like , Flow charts to the 200 most common symptoms , Behavioral issues, such as spraying and clawing , Emergency first aid, including transporting an injured cat , A glossary of veterinary diagnostic tests and medical terms With this unique combination of medical information and advice, plus an innovative chart system, The Veterinarians' Guide to Your Cat's Symptoms will ensure that your cat really does have nine lives.

Pet owner educational atlas. Diagnosis in Dermatology Servet Editorial,2020-08-27T00:00:00+02:00 This second volume of the pet owner educational atlas about dermatology continues with the goal established on the first work: helping veterinarians in their communication with pet owners. This new work goes even further, as its contents go deeper into the specialty of dermatology and will therefore allow veterinary surgeons to consolidate and update their knowledge.

Pet Lover's Guide to Natural Healing for Cats and Dogs Barbara Fougere,2005-08-30 Part of the Pet Lover's Guide series, this volume presents detailed information on alternative therapies for both dogs and cats. Written in a clear, simple manner, the book is divided into three main parts. Part 1, on diet and natural therapies, addresses

the importance of diet for pets, and discusses the pros and cons of both commercially available and homemade diets. It also covers the basic explanations of the various alternative therapies widely used by holistic veterinarians and readily available to pet owners (e.g., supplements and herbs, acupuncture, homeopathy, chiropractic and other manual healing). Part 2 makes recommendations for specific health conditions, such as skin problems or digestive tract problems, and describes how various alternative therapies are used alone or in combination with allopathic therapies to treat or relieve the condition. Finally, Part 3 offers an overview of health maintenance and preventive health, and includes information about vaccinations, flea and tick control, weight control, and caring for the aging pet. Full-color line art and photographs illustrate various plants and herbs, and also techniques such as manual therapies, massage, and other hands-on healing techniques in a user-friendly and easily identifiable manner. Special boxes labeled Where We Stand present the author's strong opinions on specific (sometimes controversial) issues in a highlighted, easy-to-find format. Key terms are highlighted, making them easy to locate and reference - these terms are also included in the glossary with clear, simple definitions. Important information is bulleted and placed in a shaded box, bringing the main points to the reader's attention in a quick and useful way. Clear readability makes information easily accessible to pet owners, helping them to better understand natural therapies and their uses in treating pets. It also enables veterinarians to carry the book in their practices and recommend it to clients. Written by established, recognized veterinarians, this book is a reliable source for veterinary professionals.

Veterinary Handbook books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Cat Owners Veterinary Handbook books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Cat Owners Veterinary Handbook books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Cat Owners Veterinary Handbook versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Cat Owners Veterinary Handbook books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Cat Owners Veterinary Handbook books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Cat Owners Veterinary Handbook books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their

own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Cat Owners Veterinary Handbook books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals.
