What are You up to, Cat? 2 Su Jun Wei, Cats, such unpredictable creatures! Cats' moods change so quickly that humans could often perceive a strong contrast in a short period of time. Once humans are caught off guard, they are either scratched by a cat's claw, or have their hearts shattered as they feel like they are despised by the cat. However, fickle as cats are, they still have established social rules among them. If you carefully observe the interactions of cats, as well as the ways they adapt to hunting life, you will find that there are actually traces of changes in their moods. This book hopes to help people who want to understand cats thoroughly. Through this book you can learn about the cat's character, observe the world from a cat's perspective, and learn how to live in peace with these arrogant and mysterious creatures. We hope everyone can capture their cats' hearts! To begin, let's look at the kitten that is about to be born...

The Goodbye Cat Hiro Arikawa, 2023-10-10 In this delightful and touching follow-up to the internationally bestselling *Travelling Cat Chronicles*, seven felines teach their humans about love, loss, and the art of facing the inevitable—the perfect gift for every cat lover. Already a bestseller in Japan, *The Goodbye Cat* is a collection of simple yet charming, funny, and often very moving tales

(tails?) woven by seven wise felines and their humans. Against the backdrop of Japan's changing seasons, we meet Spin, a kitten rescued from the recycling bin, whose playful nature and simple needs teach an anxious father how to parent his own human baby; a colony of wild cats on a holiday island who show a young boy not to stand in nature's way; a cat whose undying devotion to their charismatic but uncaring father enriches a family; and an elderly cat who hatches a plan to pass into the next world as a spirit so that he and his owner may be in each other's lives for ever. Bursting with love and warmth, *The Goodbye Cat* exquisitely explores the cycle of life and how, in different ways, the steadiness and devotion of a well-loved cat never lets us down. A joyous celebration of the wondrousness of cats and why we choose to share our lives with them.

Against the backdrop of changing seasons in

Japan, we meet Spin, a kitten rescued from the recycling bin, whose playful nature and simple needs teach an anxious father how to parent his own human baby; a colony of wild cats on a popular holiday island show a young boy not to stand in nature's way; a family is perplexed by their cat's undying devotion to their charismatic but uncaring father; a woman curses how her cat will not stop visiting her at night; and an elderly cat hatches a plan to pass into the next world as a spirit so that he and his owner may be in each other's lives forever. Do Unto Animals Tracey Stewart,2015-10-20 #1 New York Times bestseller and USA Today bestseller The more we know about the animals in our world and the better we care for them, the better our lives will be. Former veterinary technician and animal advocate Tracey Stewart understands this better than most—and she's on a mission to change how we interact with animals. Through hundreds of charming illustrations, a few homemade projects, and her humorous,

knowledgeable voice, Stewart provides insight into the secret lives of animals and the kindest ways to live with and alongside them. At home, she shows readers how to speak “dog-ese” and “cat-ese” and how to “virtually adopt” an animal. In the backyard, we learn about building bee houses, dealing nicely with pesky moles, and creative ways to bird-watch. And on the farm, Stewart teaches us what we can do to help all farm animals lead a better life (and reveals pigs’ superpowers!). Part practical guide, part memoir of her life with animals, and part testament to the power of giving back, *Do Unto Animals* is a gift for animal lovers of all stripes.
